Annual Town Meeting and Election of Officers
First Monday in March

Adjourned Town Meeting for the Consideration of Town Business, Second Monday in March at 7.30 P.M.

TOWN OFFICERS AND COMMITTEES

Moderator

Charles Gibbons ..... Term Expires 1953

Selectmen

Fred A. Schneider, Chairman ..... Term Expires 1953
Frank M. Geremonte, Secretary ..... Term Expires 1953
Edwin H. Lombard, Vice Chairman ..... Term Expires 1953
John E. Finnegan, Disb. Sol. Ben. ..... Term Expires 1953
Donald J. Morrison ..... Term Expires 1953

Assessors

Arthur D. Kenney ..... Term Expires 1953
Lawrence E. Doucett, Chairman ..... Term Expires 1954
John F. Murphy, Secretary ..... Term Expires 1955

Board of Public Welfare

Alton W. Estes, Secretary ..... Term Expires 1953
Thomas M. Hurley ..... Term Expires 1954
Donald J. Morrison, Chairman ..... Term Expires 1955

School Committee

George E. MacNeil, Sr. ..... Term Expires 1953
Kathryn A. English ..... Term Expires 1954
Hazel C. Johnson, Chairman ..... Term Expires 1954
Elsie F. Mackay ..... Term Expires 1955
John E. O'Doherty ..... Term Expires 1955

Board of Health

Harold C. Hurd, Jr., Secretary ..... Term Expires 1953
Frank H. Chase, M.D. ..... Term Expires 1954
Robert B. Cassidy, Chairman ..... Term Expires 1955

Park Commissioners

Edwin H. Frazier, Chairman ..... Term Expires 1953
Donald A. Lawson, Secretary ..... Term Expires 1954
William F. Wilson ..... Term Expires 1955

Trustees of Public Library

George E. MacNeil, Jr. ..... Term Expires 1953
Marjorie A. Patch, Secretary (Resigned) ..... Term Expires 1953
Alfred R. Johnson ..... Term Expires 1954
Fred A. Lawson, Chairman ..... Term Expires 1954
Nance B. Barnstead ..... Term Expires 1955
Elbert R. Boyd ..... Term Expires 1955

Town Clerk

Winthrop A. McCarthy ..... Term Expires 1955

Trustees of Lindenwood Cemetery

George R. Barnstead ..... Term Expires 1953
Joseph H. Blinn, Chairman ..... Term Expires 1954
Charles A. Owen, Secretary ..... Term Expires 1955
Frederick P. Hanford ..... Term Expires 1956
George B. Williams ..... Term Expires 1957

Constables

John C. Nelson ..... Term Expires 1953
Ugo M. Rolli ..... Term Expires 1953
Stanley D. Wood ..... Term Expires 1953

Town Treasurer and Collector

George H. Holden ..... Term Expires 1955

Tree Warden

Percival H. Wardwell ..... Term Expires 1953

Planning Board

Charles W. Farrow, Secretary ..... Term Expires 1953
Forest A. Gonyer ..... Term Expires 1954
Russell C. Chase (Resigned) ..... Term Expires 1955
Charles A. Owen, Chairman ..... Term Expires 1956
Chester P. Rogers ..... Term Expires 1957

Stoneham Housing Authority

Joseph H. Blinn, Chairman ..... Term Expires 1953
Robert V. Brooks, Secretary ..... Term Expires 1954
Edward F. McNevin, Vice Chairman ..... Term Expires 1955
Arthur P. Combs, Jr., Treasurer ..... Term Expires 1956
Donald A. Lawson, Asst. Treas. ..... Term Expires 1957

Finance and Advisory Board

Austin McHugh ..... Term Expires 1953
Joseph W. Odlum ..... Term Expires 1953
Herman E. Brown ..... Term Expires 1953

Secretary of Retirement Board	Anna H. Morey

TOWN CLERK'S REPORT

Town Warrant

To either of the Constables in the Town of Stoneham, County of Middlesex, Greeting:

In the name of the Commonwealth of Massachusetts, you are directed to notify and warn the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs to meet in Town Hall, Monday, February 4, 1952, at 8.00 o'clock in the evening to act on the following articles of this warrant:

Article 1. To hear the reports of committees and to act thereon, and to choose committees.—

Article 2. To see if the Town will vote to raise and appropriate a sum of money for constructing an addition to the present Junior-Senior High School Building; determine whether the money shall be provided for by appropriation, by transfer from available funds in the treasury, by taxation, or by borrowing under the authority of Chapter 44 of the General Laws and Chapter 645 of the Acts of 1948, as amended by Chapter 447 of the Acts of 1951; or do anything in relation thereto.

Article 3. To see if the Town will vote to raise and appropriate a sum of money for the purpose of making certain alterations and repairs to the present Junior-Senior High School Building; determine whether the money shall be provided for by appropriation, by transfer from available funds in the treasury, by taxation, or by borrowing under the authority of Chapter 275 of the Acts of 1948; or do anything in relation thereto.

Article 4. To see if the Town will vote to transfer the care, custody, management and control of that portion of the Pomeworth Street Playground, so-called, known as the "Upper Field", being the area bounded on the East by Washington Street, on the South by Pomeworth Street, on the West by Capen Street and on the North by Calthea Street, from the Board of Park Commissioners to a committee of seven (7) members to be appointed by the Moderator under this article for use for school purposes, or do anything in relation thereto.

Article 5. To see if the Town will vote to raise and appropriate a sum of money for the construction of a High School Building, and for originally equipping and furnishing the said building, said building to be located on that portion of the Pomeworth Street Playground transferred from the Board of Park Commissioners, under Article 4 of this warrant; determine whether the money shall be provided for by appropriation, by transfer from available funds in the treasury, including the Sale of Real Estate Fund, by taxation, or by borrowing under the authority of Chapter 44 of the General Laws and Chapter 645 of the Acts of 1948, as amended by Chapter 447 of the Acts of 1951; or do anything in relation thereto.

Article 6. To see if the Town will vote to raise and appropriate a sum of money for the purpose of acquiring by purchase, or by taking by right of eminent domain under Chapter 79 of the General Laws, for school purposes, the following described parcels of land in Stoneham:

(1) Land of Cornelius J. Sweeney, situated on the northerly side of Pomeworth Street in Stoneham, being bounded and described as follows: Beginning at the Southeasterly corner of the premises at land of the Boston & Maine Railroad and at said Pomeworth Street, thence the line runs Westerly by Pomeworth Street, 122.5 feet, more or less, to land now or formerly of Helen C. McCarthy; thence Northerly by said McCarthy land, 155 feet, more or less, to land now or formerly of Helen M. Neil; thence Northerly by said Neil land, 133.2 feet, more or less, to land now or formerly of Walter E. Fish, Jr.; thence Northerly by said Fish land, 220.40 feet, more or less, to a point at land of the Boston & Maine Railroad; thence Southerly by said Railroad land, 399 feet, more or less, to an angle; thence Southerly by said Railroad land, 112.5 feet, more or less, to the point of beginning.

(2) Land, now or formerly of Helen M. Neil, located 151 feet, more or less, North of the Northerly side of said Pomeworth Street, being bounded and described as follows: Beginning at the Southeasterly corner of the premises, at land now or formerly of Helen C. McCarthy and land of Cornelius J. Sweeney, thence the line runs Westerly by said McCarthy land and by other land of the said Helen M. Neil, 120.65, feet, more or less, to a stake at land now or formerly of Edward H. Carpenter and Genevieve Carpenter; thence Northerly by said Carpenter land and by land now or formerly of Max J. Klainer and Berenice G. Klainer, 136 feet, more or less, to a stake at land now or formerly of Walter E. Fish, Jr.; thence Easterly by said Fish land, 127 feet, more or less, to land of Cornelius J. Sweeney; thence Southerly by said Sweeney land, 133.2 feet, more or less, to the point of beginning.

(3) Land, now or formerly of Edward H. Carpenter and Genevieve Carpenter, located 141 feet, more or less, North of the Northerly side of Pomeworth Street, being bounded and described as follows: Beginning at the Southwesterly corner thereof, at land now or formerly of James M. Webber and Bertha S. Webber; thence the line runs Northerly by said Webber land, 80 feet, more or less, to land now or formerly of Max J. Klainer and Berenice G. Klainer; thence Easterly by said Klainer land, 263 feet, more or less, to land now or formerly of Helen M. Neil; thence Southerly by said Neil land, 88 feet, more or less, to land now or formerly of Elizabeth A. Alden; thence Westerly by said Alden land, by other land of Edward H. Carpenter and Genevieve Carpenter, by land of Gordon S. Pettengill and Muriel A. Pettengill and land of Rollo M. Baker and Eleanor M. Baker, 264 feet, more or less, to the point of beginning.

(4) Land, now or formerly of Max J. Klainer and Berenice G. Klainer, located 174 feet, more or less, East of the Easterly side of William Street, being bounded and described as follows: Beginning at the Southwesterly corner thereof, at other land now or formerly of Max J. Klainer and Berenice G. Klainer, thence the line runs Northerly by said other Klainer land, 47 feet, more or less, to a stake at land now or formerly of William F. DeMinico et ux; thence Easterly by said DeMinico land and also by land now or formerly of M. E. Pothier and by land now or formerly of Walter E. Fish, Jr., 250 feet, more or less, to a point at said

Fish land; thence Southerly by land now or formerly of Helen M. Neil, 47 feet, more or less, to land now or formerly of Edward H. Carpenter and Genevieve Carpenter; thence Westerly by said Carpenter land, 263 feet, more or less, to the point of beginning.

(5) Land, consisting of four (4) separate parcels, now or formerly of Walter E. Fish, Jr., being bounded and described as follows:

(a) Being Lot No. 7, as shown on a Plan of Land, W. M. Mirick, Reg. Surveyor, dated January 25, 1949, and recorded in Middlesex South District Deeds, Book 7407, Page 468, containing 10,634 square feet, more or less.

(b) Being Lot No. 8, as shown on a Plan of Land, W. M. Mirick, Reg. Surveyor, dated January 25, 1949, and recorded in Middlesex South District Deeds, Book 7407, Page 468, containing 12,495 square feet, more or less.

(c) Being a parcel of land bounded as follows: Southerly, by Lot No. 8, as shown on said plan, 114.73 feet, more or less; Westerly, by Merrow Lane, 45 feet, more or less; Northerly, by Lot No. 7, as shown on said plan, 100.86 feet, more or less; Easterly, by other land of said Fish, 45.61 feet, more or less.

(d) Being a parcel of land bounded as follows: Southerly, by land now or formerly of Helen M. Neil, 44 feet, more or less; Westerly, by Lots Numbered 7 and 8, as shown on said plan, together with the parcel of land described in paragraph "c" above, 220.40 feet, more or less; Northerly, by land now or formerly of Blanche R. Hay, 44 feet, more or less; Easterly by land of Cornelius J. Sweeney, 220.40 feet, more or less.

(6) Land, now or formerly of Omar E. LaLiberte and Anna E. LaLiberte, situated on the Easterly side of Central Street, being bounded and described as follows: Westerly, by Central Street. 55 feet, more or less; Northerly, by other land of LaLiberte, 192.93 feet, more or less; Easterly, by land now or formerly of Blanche R. Hay, 60 feet, more or less; Southerly, by land now or formerly of said Hay, 196 feet, more or less.

(7) Land, now or formerly of Blanche R. Hay, being bounded and described as follows: Beginning at the Northwesterly corner thereof, at land now or formerly of Omar E. LaLiberte and Anna E. LaLiberte and a right of way running Easterly from Central Street to the Boston & Maine Railroad tracks, thence the line runs Southerly by said land now or formerly of Omar E. LaLiberte and Anna E. LaLiberte, 120 feet, more or less, to other land now or formerly of said Hay; thence turning and running Southeasterly by said Hay land, 48 feet, more or less; thence turning and running Southwesterly by said Hay land, 78 feet, more or less, to land now or formerly of Thomas J. Murphy; thence turning and running Southeasterly by land now or formerly of said Murphy and also by land now or formerly of J. T. Foster, M. J. Paradis and Edward J. O'Connell, 340.40 feet, more or less, to land now or formerly of said O'Connell; thence turning and running Easterly by said O'Connell land and also by land now or formerly of Frank G. Manser, Charles J. Fucci and Walter E. Fish, Jr., 461.04 feet, more or less, to land of the Boston & Maine

Railroad; thence turning and running Northwesterly by said Boston and Maine Railroad land, 420 feet, more or less, to the right of way above referred to; thence turning and running Westerly by said right of way, 642.42 feet, more or less, to the point of beginning.

(8) Land, now or formerly of Sylvester Dunn and Mary E. Dunn, situated on the Southerly side of Tremont Street, being bounded and described as follows: Northerly, by said Tremont Street, 100 feet, more or less; Easterly, by other land now or formerly of said Dunn, 119.46 feet, more or less; Southerly, by land of the Stoneham Housing Authority, 93.07 feet, more or less; Westerly, by other land now or formerly of said Dunn, 163.70 feet, more or less.

(9) Land, together with the buildings thereon, now or formerly of Alice M. Morin, situated on the Northerly side of Pomeworth Street, bounded and described as follows: Being Lot No. 19 as shown on a Plan of House Lots in Stoneham, James A. Bancroft, C. E., dated August 1, 1896, and recorded in Middlesex South District Deeds, Plan Book 99, Plan No. 41.

(10) Land, together with the buildings thereon, now or formerly of Dorothy M. Corum, situated on the Northerly side of Pomeworth Street, bounded and described as follows: Being Lots Numbered 38 and 39 as shown on a Plan of House Lots in Stoneham, James A. Bancroft, C. E., dated August 1, 1896, and recorded in Middlesex South District Deeds, Plan Book 99, Plan No. 41.

(11) Land, together with the buildings thereon, now or formerly of Charles J. Cronin and Mary E. Cronin, situated on the Easterly side of Capen Street, bounded and described as follows: Being Lot No. 37, as shown on a Plan of House Lots in Stoneham, James A. Bancroft, C. E., dated August 1, 1896, and recorded in Middlesex South District Deeds, Plan Book 99, Plan No. 41.

(12) Land, together with the buildings thereon, now or formerly of Elwood Litchfield and Ruth B. Litchfield, situated on the Easterly side of Capen Street, bounded and described as follows: Being Lot No. 36, as shown on a Plan of House Lots in Stoneham, James A. Bancroft, C. E., dated August 1, 1896, and recorded in Middlesex South District Deeds, Plan Book 99, Plan No. 41, all of said measurements in all of said descriptions, being more or less; determine whether the money shall be provided for by appropriation by transfer from available funds in the treasury, including the Sale of Real Estate Fund, by taxation, or by borrowing under the authority of Chapter 44 of the General Laws and Chapter 645 of the Acts of 1948, as amended by Chapter 447 of the Acts of 1951; or do anything in relation thereto.

Article 7. To see if the Town will vote to authorize the appointment of a committee of seven (7) by the Moderator, to be known as the Stoneham High School Building Committee, which committee shall have all the powers and all the duties necessary to carry out all votes under the warrant of this meeting for acquiring land and improving the same, for school purposes, for constructing and originally equipping a High School Building, and to enter into all lawful contracts or agreements on behalf of the

Town, to accomplish said votes; or do anything in relation thereto.

Article 8. To see if the Town will vote to raise and appropriate a sum of money for the construction of drains, for grading and for other necessary improvements on any land acquired under Article 6 of this warrant, determine in what manner said appropriation shall be raised, by taxation or by transfer from available funds; or do anything in relation thereto.

Article 9. To see if the Town will vote to abolish Capen Street as a public town way, retaining all its rights for use of said Capen Street for school and playground purposes, and determine what date said vote shall become effective.

Article 10. To see if the Town will vote to appropriate a sum of money for the purpose of making certain repairs and alterations for safety purposes, in the Junior-Senior High School, as required by the Massachusetts Department of Public Safety, and authorize the School Committee to do everything necessary to make said repairs and alterations in accordance with plans prepared by William G. Upham, Architect, of Norwood, Mass., and approved by the Massachusetts Department of Public Safety; determine in what manner the said appropriation shall be raised, by transfer from available funds, borrowing, sale of notes, bonds or otherwise; or do anything in relation thereto.

Article 11. To see if the Town will vote to appropriate a sum of money for the purpose of constructing a fire escape on the north side of the Junior-Senior High School in accordance with plans prepared by William G. Upham, Architect, of Norwood, Mass., and approved by the Massachusetts Department of Public Safety; authorize the School Committee to do everything necessary to construct said fire escape; determine in what manner the said appropriation shall be raised, by transfer from available funds, borrowing, sale of notes, bonds or otherwise; or do anything in relation thereto.

Article 12. To see if the Town will vote to raise and appropriate a sum of money to pay unpaid bills incurred in 1951 for the following specified purposes: School Dept. Expense, $2,891.21, or do anything in relation thereto.

And you are directed to have two thousand copies of this warrant printed, and to serve the same by posting attested copies in at least ten (10) public places in the Town seven (7) days at least before the time for holding said meeting, and by causing an attested copy to be published in some newspaper in the Town, the publication to be not less than three (3) days before said meeting.

The remaining copies you are to have at the place and time of meeting as aforesaid for distribution.

Hereof fail not and make due return of this warrant with your doings thereon to the Town Clerk at the time and place of meeting as aforesaid.

Given unto our hands this twenty-second day of January in the year one thousand nine hundred and fifty-two.

FRED A. SCHNEIDER JOHN E. FINNEGAN
FRANK M. GEREMONTE DONALD J. MORRISON
EDWIN H. LOMBARD Selectmen of Stoneham

Pursuant to the within warrant I have notified and warned the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs of the within meeting by posting attested copies in at least ten (10) public places in the Town of Stoneham on Friday, January 25, 1952, and by publishing duly attested copies of the said warrant in The Stoneham Press and The Stoneham Independent on Thursday, January 24, 1952.

STANLEY D. WOOD,
Constable of Stoneham

Special Town Meeting, February 4, 1952

Agreeable to the warrant signed by the Selectmen on January 22, 1952, and in accordance with the By-Laws of the Town, the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs met in Town Hall in said Town on Monday, February 4, 1952, at eight o'clock in the evening.

Tellers appointed to check the names of voters entering the hall were as follows: Republican, Richard M. Roberts, Esther M. Dunbar, Alice R. Worthen, Violet LeBrun, Edith M. Cook; Democrat, Peter P. Meehan, Alice C. Walsh, Mary I. Roach, Marie M. Burns, Arline E. Cogan.

The check lists showed eight hundred thirty-four (834) voters attended the meeting.

The meeting was called to order at 8 o'clock in the evening by Moderator Charles Gibbons and the warrant read. The Moderator appointed the following tellers, who were sworn: Philip D. Burnham, Gwynne Beane, Donald F. Glynn, Gordon Fanjoy, Orvis H. Saxby, William Hurd, Robert A. Wills and Horace Chase.

Article 1. Voted that the High School Site and Plans Committee, so-called, originally appointed under Articles 22 and 23 of the warrant for the annual Town Meeting in 1949, the membership of which was increased to nine (9) members under Article 44 of the warrant for the annual Town Meeting in 1950, at which time its report was accepted as a report of progress and the subject matter referred back to said committee for further study and report at the annual Town Meeting, and said committee having made no further study and having failed to make a report at the last annual Town Meeting, that said committee be and hereby is discharged.

Voted that the following report of the Junior-Senior High School Building Committee be accepted, and the committee be and hereby is discharged:

Report of Junior-Senior High School Building Survey Committee

1. Introduction

This is the final report of the Committee. It is the end result of a study made at the direction of the people of Stoneham at the March 1950 Town Meeting to help solve one of the most difficult problems to face the Town in a lifetime. In it we give you the basic facts and figures which we have obtained, and the recommendations we make for Town's action. We have made our report to you as accurate and as honest as we can. You may agree with us or you may disagree. You may accept our entire report,

a part of it, or you may reject it completely. That is your unquestioned right in a free community like ours.

In hearing our report, and in acting upon it, we ask that you keep constantly in your mind that it is our grave concern for the welfare of our children, which has brought us together as neighbors at Town Meeting.

It is that fundamental obligation to decently educate our children, which underlies this problem, and we must face it with common sense and decision, without anamosity or bitterness among ourselves.

We at this Town Meeting are custodians of the educational history of the Town in our time, and we must make the best choice we can, not only for the children now in our schools, but for the generations of school children to come.

2. Enrollment Problem

This Committee came into existence when the report of the previous committee on Site and Plans for a new high school building proved unsatisfactory to the Town. Studies by an earlier survey group had already shown that the number of children to be educated in Stoneham schools, particularly in the Junior-Senior High School group, is increasing so rapidly that additional housing and educational facilities are desperately needed. The immediate task facing our Committee was (1) to study all available figures on the numbers of children to be housed and educated and, (2) to review the present facilities, to determine whether or not adding to the present building would be a practical answer to the problem.

The Committee decided to use the actual enrollment of children in our public school system today, as the basis for determining future housing and educational needs at the Junior-Senior High School. We found that the number of children entering the first grade each year in Stoneham, is 50% greater than was the case, during and prior to World War II. 215 in 1951 vs. 143 in 1941 or an increase of 72. Our enrollment figures show that these children move on into the upper grades, a new larger class enters the school system, and replaces a smaller class graduating from the High School. By using these figures covering pupils actually in school today, we can show how many will move on up from the elementary school, into Junior High, then into Senior High, for several years to come.

The record shows the following enrollment in the Junior-Senior High School by year through the school year 1957-1958 based on number of pupils already in our elementary schools today:

School Year	Junior High School	Senior High School	Total
1951-1952	461	435	896
1952-1953	516	447	963
1953-1954	548	483	1031
1954-1955	586	558	1144
1955-1956	662	614	1276
1956-1957	661	670	1331
1957-1958	669	713	1382

The following figures show the expected enrollment as developed by our Committee for years 1958-1959 through 1960-1961:

School Year	Junior High School	Senior High School	Total
1958-1959	678	782	1460
1959-1960	751	776	1527
1960-1961	795	783	1578

In addition to the above enrollment figures, we know that a large number of new homes are being built in Stoneham. There were 239 new homes built in 1949 and 1950 and 129 in 1951, together with our two Veterans Housing projects which have added 72 families. With still more houses under construction and many others planned, it can easily be seen that school enrollment is bound to increase rather than decrease in the foreseeable future.

Of further interest in this connection the firm of Adams, Howard and Greeley, Planning Consultants to the Town, currently surveying the Town for the Planning Board has recently made the following statement concerning Town population growth by 1970 in a Progress Report concerning Stoneham's future:

"The theroetical maximum population of the Town is something like 25,000, based on the complete use of all existing vacant land including small lots. But the probable saturation point of the Town without extensive redevelopment to higher densities will be reached at 19,000 to 20,000."

Thus while estimated school enrollment figures are given only through school year 1960-1961, the predicted continuing increase in population through 1970 will obviously also further increase school enrollment.

The Committee is convinced from these facts and figures that there is not enough space in the present building to handle the number of children the Town must educate, and that steps should be taken immediately to meet the situation.

3. **Description of Present Junior-Senior High School**

The second phase of the Committee's work was directed to an examination and appraisal of the condition of the High School, with relation to the possibilitity of remodeling and enlargement.

There have been no major capital improvements in the building with the exception of new boilers, and such work as has been done consists of alterations in adjusting the size of classrooms

The Senior High section of the building was built in 1899 and has brick walls with entirely wooden construction throughout the inside of the building. The building has wooden staircases that are open onto each floor of the building and building regulations would require that these be of steel construction and entirely enclosed in fireproof screens to prevent the spread of fire and smoke in case of fire. As far as can be determined from examination of the building and a study of the building plans, there are no fire stops in any part of this portion of the building.

Many of the rooms have desks and chairs against radiators and windows on the outer walls of the building because that is the only way all the pupils can be taken care of. This condition is in violation of Building Inspection Division of Department of Public Safety regulations which require a three (3) foot aisle space on all outer walls. A similar condition also exists in the

rear of several rooms when the same regulations require an aisle space of two (2) feet six (6) inches.

The natural lighting conditions in this part of the building do not comply with regulations which require windows within eight (8) inches of the ceiling and one square foot of glass to each five square feet of floor area. Many of the rooms also fail to comply with the regulations as to width.

On the third floor of this building there is an auditorium and four classrooms. Because of crowded conditions, two class groups use the auditorium for study purposes. Nearly two hundred pupils are using this floor most of the time each school day. Regulations require that there shall be a separate fire escape from this floor connected in no way to any other part of the building and running directly to the ground. No fire escape exists from this third floor and means of egress in case of emergency is through the open stairways to the lower floors. The third floor has dangerous possibilities of becoming a fire trap and the roof over this section of the building leaks badly. On such scores this part of the building might well have been replaced long ago.

There is no cafeteria, only an inadequate kitchen and serving room. The pupils eat standing in the corridors and the gymnasium. The basement section of this part of the building is far from anything to be desired and plumbing and toilet facilities were long ago outmoded and in need of replacement. There ought to be toilet rooms on the first and second floors. What there are, and they are too few in number, are in the poorly lighted and poorly ventilated basement. There are only 12 toilets serving 450 girls in the entire Junior-Senior High School.

The Junior High section of the building was built in 1924 and is a much more modern type of building but some portions are in need of repair and in the basement there is an additional toilet facility problem.

There are 890 pupils enrolled in the Junior-Senior High School today. Records of the town show that the present building was designed and built to account for a maximum capacity of 720 pupils. To create classroom space for the 896 pupils now enrolled, some classrooms have been divided in two by temporary partitions. This makes awkwardly shaped rooms with very poor light, and causes many children to sit against outside walls or radiators. The limit has just about been reached. Next fall, at least 67 more pupils must be accomodated, with an increase of 78 in the fall of 1953, and a further increase of 113 in the fall of 1954. In ten years the present enrollment is likely to have doubled.

This is not the only aspect. So pressing has been the need for classrooms to care for these 896 pupils that area is being sacrificed for classroom purposes that ought to be used for other important features.

There should be shops for training boys in shop work, especially the boys who will not continue their education in college. There should be more adequate office space and rooms for a guidance program. All these important requisites are neglected because every inch of available space must be used for classrooms.

4. Added Facilities Desperately Needed

The Survey Committee has described the shortcomings of the present high school building. We cannot escape the facts that it is poorly lighted, poorly heated, poorly ventilated and its sanitary facilities are decidedly sub par. The point has been reached where the building because of lack of space alone cannot serve its purpose.

Therefore; it is crystal clear that the present building soon will be totally inadequate to serve as a Junior-Senior High School Building. In all probability double sessions will have to be instituted before new facilities are available. The question is not, "Do we have to build?" but "What do we build and how soon?"

The present building which houses the Junior-Senior High School is already seriously overcrowded, and the enrollment will increase rapidly every year during the next ten years. New facilities are desperately needed now.

Committee conclusion—

5. **Is Remodeling and Enlargement of Present Building the Answer?**

The Committee then considered this question: Would it be practical financially and educationally for the Town to remodel and enlarge this building? To assist in finding the correct answer, we felt it essential to engage the services of an architect, and finally selected Mr. William G. Upham, of Norwood, Massachusetts.

At the direction of the Committee he prepared complete plans and estimated costs for remodeling and adding to the present building to handle 1600 Junior-Senior High pupils.

He encountered a good deal of difficulty in planning construction of additions to the present building to house 1600 pupils on the present site which contains only 3½ acres. The resulting plans show a deficiency of six classrooms which can only be accounted for by a fourth story. In using practically the entire lot space for buildings there would be no room left for parking or grounds for playground or lawns.

The architect has continually warned us that the plans he drew are far from ideal and not recommended by him. The cost of such an addition with necessary alterations of the present structure including architect and engineering fees and necessary new furnishings would be approximately $3,130,051 which he terms "Extravagantly costly and producing a building which would always be an unsatisfactory makeshift".

6. **Massachusetts School Building Assistance Commission Requirements—State Aid**

Early in our deliberations it became apparent to the Committee that an expenditure of the size which would be involved in enlarging the present high school would raise the question of whether the state would participate in part of the cost. In checking with the Massachusetts School Building Assistance Commission it was immediately apparent that the state insists on having a good deal to say about the building of schoolhouses if the state is to agree to put money into the project. The Committee's questions to Mr. John Marshall, administrator, relating to state aid, were countered by questions on his part relating to

age and adequacy of the present building, the site, and general problems involving the present and future school population in Stoneham in a way that it became clear that the state would require a complete survey of educational facilities in our Town before it would be willing to commit itself in the granting of state aid. Practical aspects of the problem dictated that such a survey be made by outside educational survey authorities rather than by the Committee itself, and it was with this knowledge that the Committee reporting to the Town at the last Annual Town Meeting explained the need for the survey. At that meeting the Committee was instructed to report back to the Town at the earliest possible date with Articles so drawn in the warrant to allow the Town to vote to solve the Junior-Senior High School problem.

The survey has since been completed by Educational Service Associates and made available to the citizens of Stoneham. Much of the material contained in the survey has no direct bearing on the high school problem but was required by the state, with the state paying a substantial part of the survey cost. The Town, as a result, has available much information for use in the future as growth of the Town requires its use. Several of the recommendations in the survey which have a direct bearing on the high school problem have been carefully reviewed by the Committee and become the basis of this, the Committee's final report.

The findings of the survey group together with the Committee's recommendations were then completely reviewed with the School Building Assistance Commission and while expressing some reluctance because the amount of land is smaller than the state recommends, the Commission in letter of December 12, 1951, approved the Pomeworth Street Playground as the site for the new high school provided that the Town of Stoneham votes to acquire all of the available adjacent land including four houses on Pomeworth and Capen Streets and the lower field area west of the railroad track. In obtaining this approval the Committee has done all that is possible to assure that state aid will apply to a new high school building constructed on the upper field of the Pomeworth Street Playground and the state is thus committed to pay approximately $635,000 out of a total $2,100,000 expenditure.

Committee conclusion—

> Additions and alterations to the present building, which would make possible its continued use as a Junior-Senior High School Building, are impractical and extravagantly costly especially since such work would be done without state aid.
>
> A new building to house a Senior High School erected on a new site is a practical first step toward solution of the problem, and is the most economical solution in cost, as a new building would receive state aid to the amount of 32% of its cost.

7. New 800 Pupil High School Recommended

We repeat and expand the above conclusion: The solution of this problem lies in the construction of a new Senior High School Building on a new site.

We recommend that a new building to house about 800 pupils be constructed on the Pomeworth Street Playground site. Such a building could accommodate Grades 9, 10, 11, and 12, or 10, 11, and 12. Built with provisions for future extension, it could take care of Stoneham's Senior High School through the entire foreseeable future. The cost of such a building will be considerable less than the cost of additions and alterations to the present plant, and enormously less to the Stoneham taxpayer due to the State's participation of 32% towards a new building. The entire cost of a new high school including architect fees, engineering costs, furnishings, additional land and improvements amount to $2,105,810. Compare this with $3,130,057 for an addition and alterations to the present building:

The itemized estimated cost of the new completed building ready for occupancy, 32% of which will be paid by the state, is as follows:

Building Construction	$1,607,400
Architect, Engineering & Inspection Costs	127,428
Movable furnishings not part of building	183,640
Grading & finishing all grounds around building	35,000
Borings and survey plans	3,500
Educational Consultant	2,000
Clerk of the Works	7,800
Miscellaneous	15,000
	$1,980,768

The state will not participate in the cost of acquisition of land and buildings estimated at $75,000 or in construction of the necessary drain of Sweetwater Brook together with complete finish grading of the acquired land at an estimated cost of $49,642.

Financial Program

Of great concern and interest to the citizens is the question of financial aspects of a program of this size and nature.

The Town has enjoyed an enviable position in the bond sales market and its present financial condition would indicate that the Town would be able to borrow on this project at an estimated interest rate at not more than 2%.

On this basis we are recommending that this project be financed by a $2,000,000 bond issue, the balance to be raised as follows: by transfer from Excess and Deficiency accounts $92,943; by transfer from Real Estate Fund, $2500; by revenue from the Tax Levy of the current year, $38,000.

What does this mean on your tax rate? For the year 1952 the amount based on 1951 valuation would be $2.00. For the following years the effect on your rate would be a net average of $5.44 over the first five years, $4.91 over the next five years, $4.39 over the next five years, and $3.86 over the last five years of the bond issue period.

Based on the average home valuation of $5000 in Stoneham, this amounts to $27.20 on your tax bill per year or $2.20 per month and would decrease slightly each year over the bond issue period.

8. **Junior High School Question**

The question of course arises, what do we do for a Junior High School?

The answer is that we believe we are obliged to continue to use the present plant as a Junior High School Building, housing therein either Grades 7 and 8 or Grades 7, 8 and 9. We admit frankly that a new building is to be preferred for a Junior High School also; but we strongly believe that such a new building cannot be considered until the tax burden of a new Senior High School is greatly reduced.

We believe that the present plant must be modernized for its use as a Junior High School, and perhaps a small addition may be desirable; but we also are confident that the cost of such work added to the cost of a new Senior High School Building will be substantially less that the cost of adding to and altering the present building to continue it as a Junior-Senior High School Building. Only such alterations should be made as will make this building a healthful and safe building to occupy, and as will provide for the essential features of Junior High School education. Such alterations should include:

1. Abandonment, for safety reasons, of the third story of the older portion.
2. Provision for a good kitchen and cafeteria.
3. Installation of decent toilet rooms above the basement level.
4. Provision for adequate administrative offices, including quarters for a guidance and health program.
5. Additional classrooms to make up for the space taken by Items 1 to 4.
6. Necessary repairs to the structure to make the building structurally sound and weather tight.

The details of such a program are complicated and should be studied by an appropriate committee and a report made to a future Town Meeting for a suitable appropriation.

Certain minor alterations to the old building are being proposed at this time. These are the result of the refusal of the Inspector of the Department of Public Safety to issue a Certificate of Occupancy for the building and withdrawal of the temporary one because of insufficient protection against the spread of fire. These alterations should be made in any case, but they accomplish nothing in solving an overcrowded housing problem or improving the building from an educational point of view. They provide slightly better egress from the building and slightly reduce the danger of fire from spreading if it should break out.

This should be emphasized: The present building will never make an ideal Junior High School, but the Town cannot afford all things at once. We believe that the time will soon come when a new Junior High School building will be needed in Stoneham. We are convinced that additional facilities for our high school pupils are imperative, and at the earliest date possible. We believe it is better education for our youth to place the Senior High School first. This will enable Stoneham to offer a well-rounded educational program to all its students during the final three or four

years of public school.

9. Conclusion in Closing

The committee wishes to acknowledge a debt of thanks to the people of the Town, public and private, whose help and advice have aided greatly, in the carrying on of this study.

We believe the solution we have proposed is the most practical and the most economical. It is the only solution free from false starts and dead ends, both of which mean wasteful appropriations. While the cost is large, it will certainly be the least expensive in the long run, and it is the only solution which is consistent with the growing needs of Stoneham's youth.

Respectfully submitted,

Charles E. Crosby
Audrey B. Houghton
Helen P. Fredrickson
True L. Barnett
Lawrence W. Scammon
Charles W. Farrow
George E. Ryan
John F. Lilley

Article 2: Voted that the subject matter of this Article be indefinitely postponed.

Article 3: Voted that the subject matter of this Article be indefinitely postponed.

Article 4: Voted that the Town do transfer the care, custody, management and control of that portion of the Pomeworth Street Playground, so called, known as the "Upper Field", being the area bounded on the East by Washington Street, on the South by Pomeworth Street, on the West by Capen Street and by land now or formerly of Elwood Litchfield and Ruth B. Litchfield, Charles J. Cronin and Mary E. Cronin, and Dorothy M. Corum, and on the North by Calthea Street, from the Board of Park Commissioners to a committee of seven (7) members, to be appointed by the Moderator, for use for school purposes. Yes, 499; No, 192.

Article 5: Voted that the discussion and vote under Article 5 of this warrant be taken up under Article 6 of this warrant, and that both Articles 5 and 6 of this warrant be acted and voted upon under one vote.

Article 6: Voted that under Articles 5 and 6 of this warrant, the sum of $2,056,168.00 be raised and appropriated for the purpose of constructing a high school building, and for originally equipping and furnishing said building, to be located on that portion of the Pomeworth Street Playground, so-called, transferred from the Board of Park Commissioners under Article 4 of this warrant, and for the purpose of acquiring by purchase or by taking by right of eminent domain, under Chapter 79 of the General Laws, for school purposes, the following described parcels of land in Stoneham:

(1) Land of Cornelius J. Sweeney, situated on the northerly side of Pomeworth Street in Stoneham, being bounded and described as follows: Beginning at the Southeasterly corner of the premises at land of the Boston & Maine Railroad and at said Pome-

worth Street, thence the line runs Westerly by Pomeworth Street, 122.5 feet, more or less, to land now or formerly of Helen C. McCarthy; thence Northerly by said McCarthy land 155 feet, more or less, to land now or formerly of Helen M. Neil; thence Northerly by said Neil land, 133.2 feet, more or less, to land now or formerly of Walter E. Fish, Jr.; thence Northerly by said Fish land, 220.40 feet, more or less, to a point at land of the Boston & Maine Railroad; thence Southerly by said Railroad land, 399 feet, more or less, to an angle; thence Southerly by said Railroad land, 112.5 feet, more or less, to the point of beginning.

(2) Land, now or formerly of Helen M. Neil, located 151 feet, more or less, North of the Northerly side of said Pomeworth Street, being bounded and described as follows: Beginning at the Southeasterly corner of the premises, at land now or formerly of Helen C. McCarthy and land of Cornelius J. Sweeney, thence the line runs Westerly by said McCarthy land and by other land of the said Helen M. Neil, 120.65 feet, more or less, to a stake at land now or formerly of Edward H. Carpenter and Genevieve Carpenter; thence Northerly by said Carpenter land and by land now or formerly of Max J. Klainer and Berenice G. Klainer, 136 feet, more or less, to a stake at land now or formerly of Walter E. Fish, Jr.; thence Easterly by said Fish land, 127 feet, more or less, to land of Cornelius J. Sweeney; thence Southerly by said Sweeney land, 133.2 feet, more or less, to the point of beginning.

(3) Land, now or formerly of Edward H. Carpenter and Genevieve Carpenter, located 141 feet, more or less, North of the Northerly side of Pomeworth Street, being bounded and described as follows: Beginning at the Southwesterly corner thereof, at land now or formerly of James M. Webber and Bertha S. Webber, thence the line runs Northerly by said Webber land, 80 feet, more or less, to land now or formerly of Max J. Klainer and Berenice G. Klainer; thence Easterly by said Klainer land, 263 feet, more or less, to land now or formerly of Helen M. Neil; thence Southerly by said Neil land, 88 feet, more or less, to land now or formerly of Elizabeth A. Alden; thence Westerly by said Alden land, by other land of Edward H. Carpenter and Genevieve Carpenter, by land of Gordon S. Pettengill and Muriel A. Pettengill and land of Rollo M. Baker and Eleanor M. Baker, 264 feet, more or less, to the point of beginning.

(4) Land, now or formerly of Max J. Klainer and Berenice G. Klainer, located 174 feet, more or less, East of the Easterly side of William Street, being bounded and described as follows: Beginning at the Southwesterly corner thereof, at other land now or formerly of Max J. Klainer and Berenice G. Klainer, thence the line runs Northerly by said other Klainer land, 47 feet, more or less, to a stake at land now or formerly of William F. DeMinico et ux; thence Easterly by said DeMinico land and also by land now or formerly of M. E. Pothier and by land now or formerly of Walter E. Fish, Jr., 250 feet, more or less, to a point at said Fish land; thence Southerly by land now or formerly of Helen M. Neil, 47 feet, more or less, to land now or formerly of Edward H. Carpenter and Genevieve Carpenter; thence Westerly by said Carpenter land, 263 feet, more or less, to the point of beginning.

(5) Land, consisting of four (4) separate parcels, now or formerly of Walter E. Fish, Jr., being bounded and described as follows:

(a) Being Lot No. 7, as shown on a Plan of Land, W. M. Mirick, Reg. Surveyor, dated January 25, 1949, and recorded in Middlesex South District Deeds, Book 7407, Page 468, containing 10,634 square feet, more or less.

(b) Being Lot No. 8, as shown on a Plan of Land W. M. Mirick, Reg. Surveyor, dated January 25, 1949, and recorded in Middlesex South District Deeds, Book 7407, Page 468, containing 12,495 square feet, more or less.

(c) Being a parcel of land bounded as follows: Southerly by Lot No. 8, as shown on said plan, 114.73 feet, more or less; Westerly, by Merrow Lane, 45 feet, more or less; Northerly by Lot No. 7, as shown on said plan, 100.86 feet, more or less; Easterly by other land of said Fish, 45.61 feet, more or less.

(d) Being a parcel of land bounded as follows: Southerly, by land now or formerly of Helen M. Neil, 44 feet, more or less: Westerly, by Lots Numbered 7 and 8, as shown on said plan, together with the parcel of land described in paragraph "c" above, 220.40 feet, more or less; Northerly by land now or formerly of Blanche R. Hay, 44 feet, more or less; Easterly by land of Cornelius J. Sweeney, 220.40 feet, more or less.

(6) Land, now or formerly of Omar E. LaLiberte and Anna E. LaLiberte, situated on the Easterly side of Central Street, being bounded and described as follows: Westerly by Central Street, 55 feet, more or less; Northerly by other land of LaLiberte, 192.93 feet, more or less; Easterly by land now or formerly of Blanche R. Hay, 60 feet, more or less; Southerly, by land now or formerly of said Hay, 196 feet, more or less.

(7) Land, now or formerly of Blanche R. Hay, being bounded and described as follows: Beginning at the Northwesterly corner thereof, at land now or formerly of Omar E. LaLiberte and Anna E. LaLiberte and a right of way running from Central Street to the Boston & Maine tracks, thence the line runs Southerly by said land now or formerly of Omar E. LaLiberte and Anna E. LaLiberte, 120 feet, more or less, to other land now or formerly of said Hay; thence turning and running Southeasterly by said Hay land, 48 feet, more or less; thence turning and running Southwesterly by said Hay land, 78 feet, more or less, to land now or formerly of Thomas J. Murphy; thence turning and running Southeasterly by land now or formerly of said Murphy and also by land now or formerly of J. T. Foster, M. J. Paradis, and Edward J. O'Connell, 340.40 feet, more or less, to land now or formerly of said O'Connell; thence turning and running Easterly by said O'Connell land and also by land now or formerly of Frank G. Manser, Charles J. Fucci, and Walter E. Fish, Jr., 461.04 feet, more or less, to land of the Boston & Maine Railroad; thence turning and running Northwesterly by said Boston and Maine Railroad land, 420 feet, more or less, to the right of way above referred to; thence turning and running Westerly by said right of way, 642.42 feet, more or less, to the point of beginning.

(8) Land, now or formerly of Sylvester Dunn and Mary E.

Dunn, situated on the Southerly side of Tremont Street, being bounded and described as follows: Northerly by said Tremont Street, 100 feet, more or less; Easterly by other land now or formerly of said Dunn, 119.46 feet, more or less; Southerly by land of the Stoneham Housing Authority, 93.07 feet, more or less; Westerly by other land now or formerly of said Dunn, 163.70 feet, more or less.

(9) Land, together with the buildings thereon, now or formerly of Alice M. Morin, situated on the Northerly side of Pomeworth Street, bounded and described as follows: Being Lot No. 19 as shown on a Plan of House Lots in Stoneham, James A. Bancroft, C. E. dated August 1, 1896, and recorded in Middlesex South District Deeds, Plan Book 99, Plan No. 41.

(10) Land, together with the buildings thereon, now or formerly of Dorothy M. Corum, situated on the Northerly side of Pomeworth Street, bounded and described as follows: Being Lots Numbered 38 and 39 as shown on a Plan of House Lots in Stoneham, James A. Bancroft, C. E., dated August 1, 1896, and recorded in Middlesex South District Deeds, Plan Book 99, Plan No. 41.

(11) Land, together with the buildings thereon, now or formerly of Charles J. Cronin and Mary E. Cronin, situated on the Easterly side of Capen Street, bounded and described as follows: Being Lot No. 37, as shown on a Plan of House Lots in Stoneham, James A. Bancroft, C. E., dated August 1, 1896, and recorded in Middlesex South District Deeds, Plan Book 99, Plan No. 41; all of said measurements in all of said descriptions, being more or less; and that to meet said appropriation, the sum of $53,668.00 be appropriated by transfer from available funds in the treasury, the sum of $2500.00 be appropriated by transfer from the Sale of Real Estate Fund, and that the Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow the sum of $200,000.00 under the authority of Chapter 44 of the General Laws, and the sum of $1,800,000.00 under the authority of Chapter 645 of the Acts of 1948, as amended by Chapter 447 of the Acts of 1951, and to issue bonds or notes of the town therefor, payable in accordance with the provisions of Chapter 44 of the General Laws, so that the whole loan shall be paid in not more than twenty years from the date of issue of the first bond or note. Yes, 470; No, 58.

Article 7: Voted that the Town authorize the appointment of a committee of seven (7) by the Moderator, to be known as the Stoneham High School Building Committee, which committee shall have all the powers and all the duties necessary to carry out all votes under the warrant of this meeting for acquiring land and improving the same, for school purposes, for constructing and originally equipping a High School building, and to enter into all lawful contracts or agreements on behalf of the Town to accomplish said votes; and if necessary to request the Board of Selectmen to acquire land by taking by right of eminent domain under the provisions of Chapter 79 of the General Laws.

Article 8: Voted that the sum of $49,642.00 be raised and appropriated for the construction of drains, for grading and for other necessary improvements on any land acquired under Article

6 of this warrant and that, to meet said appropriation, the sum of $38,000.00 be raised in the tax levy of the current year, and the sum of $11,642.00 be appropriated by transfer from available funds in the treasury.

Article 9: Voted that the Town abolish Capen Street as a public town way, retaining all rights for use of said street for school and playground purposes, effective September 1, 1952.

Article 10: Voted that the sum of $13,447.00 be raised and appropriated for the purpose of making certain repairs and alterations for safety purposes in the Junior-Senior High School, as required by the Massachusetts Department of Public Safety, and that the School Committee be authorized to do everything necessary to make said repairs and alterations in accordance with plans prepared by William G. Upham, Architect, of Norwood, Mass., and approved by the Massachusetts Department of Public Safety; and that, to meet said appropriation, said sum of $13,447.-00 be appropriated by transfer from available funds in the treasury.

Article 11: Voted that the sum of $14,186.00 be raised and appropriated for the purpose of constructing a fire escape on the North side of the Junior-Senior High School, in accordance with plans, prepared by William G. Upham, Architect, of Norwood, Mass., and approved by the Massachusetts Department of Public Safety, and that the School Committee be authorized to do everything necessary to construct said fire escape; and that, to meet said appropriation, said sum of $14,186.00 be appropriated from available funds in the treasury.

Article 12: Voted that the sum of $2,891.21 be raised and appropriated from the tax levy of the current year to pay unpaid bills incurred during the year of 1951 for the following specific purposes: School Department Expense, $2,891.21. Unanimous.

Voted to adjourn finally at 11:50 o'clock in the evening.

All the foregoing truly entered, attest.

Winthrop A. McCarthy, Town Clerk

Town Warrant

To either of the Constables of the Town of Stoneham in the County of Middlesex, Greeting:

In the name of the Commonwealth of Massachusetts, you are directed to notify and warn the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs to meet in Town Hall on Monday, March 3, 1952, at six o'clock in the morning to act on the following articles of this warrant:

Article 1. To choose the following officers:

One (1) Moderator for one (1) year.

Five (5) Selectmen for one (1) year.

One (1) Assessor for three (3) years.

One (1) member of the Board of Welfare for three (3) years.

Two (2) members of the School Committee for three (3) years.

One (1) member of the Board of Health for three (3) years.

One (1) member of the Park Commissioners for three (3) years.

Two (2) trustees of the Public Library for three (3) years.
One (1) Town Clerk for three (3) years.
One (1) trustee of Lindenwood Cemetery for five (5) years.
Three (3) Constables for one (1) year.
One (1) Town Treasurer for three (3) years.
One (1) Town Collector for three (3) years.
One (1) Tree Warden for one (1) year.
One (1) member of the Planning Board for five (5) years
and to act on the following question:

"Shall an act passed by the General Court in the year nineteen hundred and fifty-one entitled 'An Act Establishing a Town Manager Form of Government for the Town of Stoneham' be accepted". All on one ballot.

The polls will be opened at six o'clock in the forenoon and closed at eight o'clock in the evening.

For consideration of the following articles, the meeting will be adjourned to meet at thirty minutes after seven o'clock on the evening of March 10, 1952.

Article 2. To choose all other necessary town officers for the year ensuing in such manner as the Town shall determine.

Article 3. To hear the reports of town officers and committees, and to act thereon and to choose committees.

Article 4. To see if the Town will vote to fix the salaries of the several elective officers and boards of the Town for the current year, or do anything in relation thereto.

Article 5. To see what action the Town will take for the disposition of all or any part of the unexpended balances of appropriations previously voted for specific purposes as follows:

Police Department Cruiser	$ 491.93
P.W.D. Storage Shed	15.33
P.W.D. Roller	162.50
P.W.D. Equipment	73.81
Recreation Park Bleachers	110.85
Pomeworth Lower Field Lights	1.49
Stoneham Housing Authority	3,000.00
Chapter 90 Construction, Spring Street	221.91

Article 6. To see if the Town will vote to raise and appropriate or transfer from available funds such sums as may be necessary to defray town charges for the ensuing year.

Article 7. To see if the Town will vote to instruct the Board of Assessors to use a sum of money for the reduction of the 1952 tax rate.

Board of Selectmen

Article 8. To see if the Town will vote to raise and appropriate a sum of money to pay unpaid bills incurred in previous years for the following specific purposes:

Moth Suppression	50.00

Town Accountant

Article 9. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money, from time to time, in anticipation of the revenue of the financial year beginning January 1, 1952, and to issue a note or notes therefor, payable within one year and to renew any note or

notes as may be given for a period of less than one year in accordance with provisions of Section 17, Chapter 44 of the General Laws.

Board of Selectmen

Article 10. To see if the Town will vote to authorize the Town Treasure, with the approval of the Selectmen, to borrow money from time to time, in anticipation of the revenue of the financial year beginning January 1, 1953, and to issue a note or notes therefor, payable within one year and to renew any note or notes as may be given for a period of less than one year in accordance with provisions of Section 17, Chapter 44 of the General Laws.

Board of Selectmen

Article 11. To see if the Town will vote to pay the rent of quarters or lease quarters for the use of Leon E. Warren Camp, United Spanish War Veterans; Stoneham Post No. 115, American Legion; Sergeant George J. Hall Post No. 620, Veterans of Foreign Wars; raise and appropriate money therefor, or do anything in relation thereto.

FRANK M. GEREMONTE
EDWIN H. LOMBARD
DONALD J. MORRISON
JOHN E. FINNEGAN
Selectmen of Stoneham

Pursuant to the within warrant I have notified and warned the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs of the within meeting by posting attested copies in at least ten (10) public places in the Town of Stoneham on February 22, 1952, and by publishing duly attested copies of

the said warrant in the Stoneham Press on February 28, 1952 and the Stoneham Independent on February 28, 1952.

STANLEY D. WOOD
Constable of Stoneham

TOWN MEETING, MONDAY, MARCH 3, 1952

Agreeable to the warrant signed by the Selectmen on February 12, 1952, and in accordance with the by-laws of the Town, the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs met in Town Hall in said Town on Monday, March 3, 1952, at six o'clock in the forenoon.

The meeting was called to order by Moderator Charles Gibbons and the warrant read.

The election officers appointed by the Selectmen as required by law were sworn by the Town Clerk and assigned to duty as follows: Ballot clerks, Republican, Richard A. Roberts, James A. Munro, Ralph L. Hobbs; Democrats, Peter P. Meehan, Andrew V. McDonnell, Roy K. Wentworth. Tellers, Republican, Elsie L. deGruchy, Edith M. Cook, Violet LeBrun, Esther M. Dunbar; Democrat, Alice C. Walsh, Arline E. Cogan, Marie M. Burns, Mary I. Roach.

The ballots were given to the ballot clerks, a receipt taken for same, the ballot boxes were opened and examined, the register set at 0, locked, the keys given to the Moderator, after which the polls were declared open.

The Moderator appointed the following as additional tellers to canvass and count the vote, and same were sworn by the Town Clerk: Republican, Roland J. McClellan. Everett B. Merrithew, Albert F. Orne, Charles E. Chesley, John F. Surrette, Ellis H. Roberts, E. Thelma Wood, Emma K. Wanamaker, Grace B. Glynn, Marian I. Bradley, Ruth B. McHale, Lillian R. Gorham, Elsie B. Clark, Ethel L. Piper, Mildred C. Tufts, Aldina A. Shurtleff, Ethel Buck, Thelma L. Coles, Florence R. Ford, Frances L. Arnold, Annie S. Kinsley, Ruth A. Frazier, Aura M. Moore; Democrat, Joseph W. Flynn, George C. MacDonald. John P. Kelly, Charles B. Sheridan, Mary E. Willett, Mary B. Fougere, Veronica E. Donahue, Rose M. Merrill, Rose R. Masse, Marie A. Leonard, Eva M. Maguire, Mary B. Hurley, Annie E. Breagy, Catherine W. Ahern, Gertrude A. Hurley, Elizabeth M. Butler, Catherine H. Salvage, Mary E. Ahern, Helen C. McCarthy.

By unanimous consent of the Moderator and Town Clerk the ballot boxes were opened at three o'clock in the afternoon and ballots were taken therefrom for the purpose of counting. The tellers appointed to canvass and count the ballots were divided in groups of four, two Republicans, and two Democrats in each group.

At eight o'clock in the evening the polls were declared closed at which time ballot box No. 1 registered 1,582, and ballot box No. 2 registered 1,715, as ascertained by the Town Clerk. The check lists at the gates had the names of 3,297 persons as having received ballots. The check lists at the ballot boxes had the names of 3,297 persons as having voted. The number of unused ballots returned to the Town Clerk was 3,903.

Voted that the report of the Finance and Advisory Board on Wage and Classification Study, as printed in the recommendations of the Finance Board beginning on page 3 and ending on page 18 be accepted.

Voted that the Board of Selectmen appoint a committee of five (5) members to prepare a By-Law in reference to the Wage and Job Classification Study, said committee being directed to hold public hearings on said study at such times as within its discretion may be necessary and appropriate for submission at the next annual town meeting.

Voted that the report of the War Memorial Committee be accepted as a report of progress.

Voted that the following report of the Parking Committee be accepted: "In accordance with the vote passed under Article 3 of the warrant of the last annual Town Meeting, the committee

for studying matters pertaining to parking, traffic and transportation was appointed by the Moderator and met for organization on April 26, 1951. As only four of the seven appointed members were present at this time, it was decided to hold another meeting on May 3rd for choosing a chairman and secretary, with written notice of this meeting to be sent to the three absent members. The evening was spent in discussing the problems which we would handle. It was decided to secure copies of the Traffic Regulations as printed for the basis of our studies.

On May 3, 1951, an organization meeting was held with six members present. William Hemeon was elected chairman and Simon Zaltman chosen secretary. The committee then went over the Traffic Regulations with Captain J. Clarence Nelson pointing out those which have been rescinded and those in effect but not contained in the Regulations as printed. It was decided to meet twice a month except during July and August when one meeting each was held. Certain sections of the regulations were taken by different members to check upon as to whether signs were posted to make the regulations enforceable.

As reported at the next meeting, many of the regulations are not properly posted and therefore not enforceable. Traffic Regulations encompass three or more departments of the town in that they are set up by the Board of Selectmen, marked by the Public Works Department and enforced by the Police Department, thereby showing a need for a complete and up-to-date file of all regulations to be printed and thereafter kept current with supplements as changes are made.

The committee undertook a study of parking facilities around the Square and submitted recommendations on July 24th to the Board of Selectmen which, upon approval by the heads of departments concerned and the Board of Selectmen, were turned over to the Town Counsel for drafting of orders and advertising. Some of these changes already have been put into effect and the others are in the final steps at this time. The committee has tried in these regulations to give more live parking spaces in the immediate area around the Square. These regulations put about thirty-five (35) more parking spaces into circulation.

The committee has and still recommends that proper posting of regulations be installed so that the cooperation of the citizens may be obtained for enforcement of the regulations adopted. The bus lines operating within the town should designate their stops in a manner approved by the Board of Selectmen so a stranger or new resident may find the locations easily. We have submitted an article in the warrant for this meeting for the paving of an area in front of the Police Station for parking purposes with the idea that this area may be designated by the Board of Selectmen as a central stand for taxicabs which now have stands in various locations of the Square, thus opening up these present stands to one-hour parking for the shoppers.

At the present time the committee is studying a set of recommendations submitted to the Board of Selectmen who, in turn, referred them to us for investigation and recommendation of adoption of those being suitable. The committee therefore recom-

mends that it be extended for another year with the understanding that any member not wishing to serve notify the Moderator and be replaced by a person chosen by the Moderator. The committee wishes to thank Mr. Zaltman for making his office available to them for committee meetings.

Respectfully submitted,

WILLIAM HEMEON, Chairman,
SIMON ZALTMAN, Secretary,
CARL M. JACOBSON,
CAPT. J. CLARENCE NELSON,
ALBERT D. BARBO,
EARL F. POTTER,
JAMES A. McDONOUGH, JR.,

Committee on Parking, Traffic and Transportation.

Article 4. Voted that the Town fix the salaries of its several elective officers and boards for the year 1952 as follows:

Moderator	$30.00
Selectmen, each	110.00

It was moved and seconded that the meeting be adjourned to Monday, March 17th, at 7.30 o'clock in the evening at Town Hall. This motion was carried.

All the foregoing truly entered, attest.

WINTHROP A. McCARTHY, Town Clerk.

Adjourned Annual Town Meeting, March 17, 1952

Agreeable to the warrant signed by the Selectmen on February 12, 1952, and in accordance with the vote of adjournment passed at the annual Town Meeting held Monday, March 10, 1952, and in accordance with the By-Laws of the Town of Stoneham, the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs met in Town Hall on Monday, March 17, 1952, at 7.30 o'clock in the evening.

Tellers appointed to check the names of voters entering the hall were as follows: Republican, Richard A. Roberts, James A. Munro, Edith M. Cook, Violet LeBrun, Esther Dunbar, Alice Worthen; Democrat, Peter P. Meehan, Roy K. Wentworth, Alice C. Walsh, Arline E. Cogan, Mary I. Roach, Marie M. Burns.

The check lists showed that five hundred and two (502) voters attended the meeting.

The meeting was called to order by the Moderator at 7.30 o'clock in the evening.

Article 7. Voted that action on this article be taken up after Article 57. This motion was carried.

Article 8. Voted: That the sum of $50.00 be raised and appropriated from the revenue of the current year to pay unpaid bills incurred in previous years for the following specific purposes: Moth Suppression Expense, $50.00. Unanimous.

Article 9. Voted: That the Town Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1952, and to issue a note or notes therefor payable within one (1) year, and to renew any note or notes as may be given for the period of less than one (1) year, in accordance with Section 17, Chapter 44 of the General Laws. Unanimous.

Article 10. Voted: That the Town Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1953, and to issue a note or notes therefor payable within one (1) year, and to renew any note or notes as may be given for the period of less than one (1) year, in accordance with Section 17, Chapter 44, of the General Laws. Unanimous.

Article 11. Voted: That the Town pay the rent for quarters of the Veterans' Organizations called for under the article, any expense to come from the appropriation made for said purpose under Article 6 of this warrant.

Article 12. Voted: That the subject matter of this article be indefinitely postponed.

Article 13. Voted: That the Town authorize such maintenance work as is necessary on highways which have been constructed with State and County Aid under provisions of Chapter 90, General Laws, and that the sum of $4,500.00 be raised and appropriated therefor, the said appropriation to be raised as follows: $2,138.04 from the unexpended balance of the appropriation for Chapter 90 Maintenance voted under Article 15 of the warrant for the annual Town Meeting of 1951, and $2,361.96 by transfer from the Excess and Deficiency Account, and any receipts from the State or County, or both, shall be placed in the Excess and Deficiency Account and that the Town Accountant be and hereby is authorized to make such transfers on the books of the Town.

Article 14. Voted: That the Town raise and appropriate the sum of $12,000.00 for the improvement of William Street, under provisions of Chapter 90, General Laws, said sum to be raised by transfer from the Excess and Deficiency Account, and any receipts from the State or County, or both, shall be placed in the Excess and Deficiency Account, and that the Town Accountant be and hereby is authorized to make such transfers on the books of the Town.

Article 15. Voted: That the Town raise and appropriate the sum of $802.82 to provide for an overdraft in the William Street Chapter 90 Project No. 1, and that the said appropriation be raised by transfer from the unexpended balance of the appropriation voted under Article 39, of the warrant for the annual Town Meeting of 1949, namely Chapter 90 Construction, Spring Street, and that the Town Accountant be and hereby is authorized to make such transfer on the books of the Town.

Article 16. Voted: That the sum of $95,000.00 be raised and appropriated for the purpose of defraying the cost of constructing sewer mains within the limits of the Town, that the work to be

performed shall be advertised by public bid and that the Superintendent of Public Works may submit an estimated cost of said work; in the event such estimate is lower than that of private contractors bidding, the Selectmen shall award said work to the Public Works Department; and that the said appropriation be raised as follows: by transfer from the Excess and Deficiency Account the sum of $432.57; by transfer from the following unexpended appropriation balances: Article 1 of the Special Town Meeting of March 22, 1948, Stoneham Housing Authority, $3,000; Article 34, 1949, Sewer Construction, $8.09; Article 39, 1949, Chapter 90 Spring Street, $221.91; Article 74, 1949, Factory Brook Drain, $0.87; Article 30, 1950, Seward Road, $480.65; Article 40, 1951, Public Works Department Storage Shed, $15.33; Article 42, 1951, Public Works Department Motor Equipment, $73.81; Article 43, 1951, Public Works Department Roller, $162.50; Article 47, 1951, Police Department Cruiser, $491.93; Article 75, 1951, Recreation Park Bleachers, $110.85; Article 59, 1951, Pomeworth Field Lights, $1.49; and that the Town Treasurer, with the approval of the Selectmen, be authorized to sell, from time to time, as occasion requires, notes, bonds or other evidences of indebtedness to an amount not to exceed $90,000.00, said notes or bonds to be payable in accordance with provisions of Chapter 44, General Laws, and that the Town Accountant be and hereby is authorized to make such transfers on the books of the Town. Unanimous.

Article 17. Voted: That the Town raise and appropriate the sum of $75,000.00 for the purpose of defraying the cost of extending water mains or relaying water mains of not less than six inches in diameter within the limits of the Town, that the work to be performed shall be advertised by public bid, and the Superintendent of Public Works may submit an estimated cost of said work; in the event such estimate is lower than that of private contractors bidding, the Selectmen shall award said work to the Public Works Department, and that the Town Treasurer, with the approval of the Selectmen, be authorized to issue and sell, from time to time, as occasion requires, town notes, bonds or other evidences of indebtedness to an amount not exceeding $75,000.00, said notes or bonds to be payable in accordance with provisions of Chapter 44, General Laws. Unanimous.

Article 18. Voted: That the Town raise and appropriate the sum of $1,965.00 to repair the Town Hall building as follows: paint interior, repair roof flashing and coping and renew boiler chambers, said appropriation to be raised by transfer from the Excess and Deficiency Account, and that the Town Accountant be and hereby is authorized to make such transfers on the books of the Town.

Article 19. Voted: That the Town raise and appropriate the sum of $3,342.00 to repair the Central Fire and Police Station as follows: paint exterior, repair roof flashing and coping and repair plumbing, raise the said appropriation by transfer from the Excess and Deficiency Account and that the Town Accountant be and hereby is authorized to make such transfers on the books of the Town.

Article 20. Voted: That the Town raise and appropriate the sum of $17,900.00 to purchase one (1) new motor pumping engine, having a minimum pumping capacity of 750 gallons, with necessary equipment, for use of the Fire Department, raise the said appropriation by transfer from the Excess and Deficiency Account, authorize the Moderator to appoint a committee of three to make such purchase, and that the Town Accountant be and hereby is authorized to make such transfers on the books of the Town.

Article 21. Voted: That the subject matter of this article be indefinitely postponed.

Article 22. Voted: That the Town raise and appropriate the sum of $1,500.00 to purchase one (1) new cruising automobile for use of the Police Department, raise the said appropriation by transfer from the Excess and Deficiency Account, and that the Town Accountant be and hereby is authorized to make such transfer on the books of the Town.

Article 23. Voted: That the subject matter of this article be indefinitely postponed.

Article 24. It was moved and seconded that the Town accept provisions of Section 6B, Chapter 40 of the General Laws, said section authorizing the Town to raise and appropriate money to purchase uniforms for members of the Police Department and Fire Department. This motion was not carried. Yes, 155; No, 176.

Article 25. Voted: That the subject matter of this article be indefinitely postponed.

Article 26. Voted: That the subject matter of this article be indefinitely postponed.

Article 27. Voted: That the subject matter of this article be indefinitely postponed.

Article 28. Voted: That the Town raise and appropriate the sum of $2,500.00 to purchase one (1) one and one-half (1½) ton dump truck for use of the Cemetery Department, raise the said appropriation by transfer from the Excess and Deficiency Account and that the Town Accountant be and hereby is authorized to make such transfer on the books of the Town, and authorize the Moderator to appoint a committee of three (3) to make such purchase and dispose of one truck now in service.

Article 29. Voted: That the Town raise and appropriate the sum of $3,000.00 to reconstruct certain existing tar sidewalks within the limits of the Town and raise the said appropriation from the revenue of the current year.

Article 30. Voted: That the Town accept as a public town way Raymond Road, a distance of 222 feet, more or less, easterly from Pine Street, as laid out by the Board of Survey.

Article 31. Voted: That the Town appropriate the sum of $2,263.50 to pave Raymond Road, a distance of 222 feet, more or less, easterly from Pine Street, under the laws relating to the assessments of betterments, and that the Selectmen be authorized to obtain easements for the purpose of enabling the Town to enter on private land where necessary.

Article 32. Voted: That the Town accept as a public town

way Girard Road, from William Street to Forest Street, as laid out by the Board of Survey.

Article 33. Voted: That the Town appropriate the sum of $25,682.70 to pave Girard Road, from William Street to Forest Street, under the law relating to the assessment of betterments, and that the Selectmen be authorized to obtain easements for the purpose of enabling the Town to enter upon private land where necessary.

Article 34. Voted: That the Town accept as a public Town way Hampton Road, from Windsor Road to Avalon Road, as laid out by the Board of Survey.

Article 35. Voted: That the Town appropriate the sum of $7,372.70 to pave Hampton Road, from Windsor Road to Avalon Road, under the law relating to the assessment of betterments, and that the Selectmen be authorized to obtain easements for the purpose of enabling the Town to enter upon private land where necessary.

Article 36. Voted: That the Town accept as a public town way, Windsor Road, from Avalon Road to Hampton Road, as laid out by the Board of Survey.

Article 37. Voted: That the Town appropriate the sum of $12,792.70 to pave Windsor Road, from Avalon Road to Hampton Road, under the law relating to the assessment of betterments, and that the Selectmen be authorized to obtain easements for the purpose of enabling the Town to enter upon private land where necessary.

Article 38. Voted: That the Town accept as a public town way Avalon Road, from Windsor Road to Hampton Road, as laid out by the Board of Survey.

Article 39. Voted: That the Town appropriate the sum of $7,100.70 to pave Avalon Road, from Windsor Road to Hampton Road, under the law relating to the assessment of betterments, and that the Selectmen be authorized to obtain easements for the purpose of enabling the Town to enter upon private land where necessary.

Article 40. Voted: That the Town accept as a public Town way a portion of Gerald Road, a distance of 175 feet, more or less, northerly from the end of the existing public way, as laid out by the Board of Survey.

Article 41. Voted: That the Town appropriate the sum of $4,587.70 to pave a portion of Gerald Road, a distance of 175 feet, more or less, northerly from the end of the existing public way, under the law relating to the assessment of betterments, and that the Selectmen be authorized to obtain easements for the purpose of enabling the Town to enter upon private land where necessary.

Article 42. Voted: That the foregoing appropriations voted under Articles 31-33-35-37-39 and 41 for paving streets in public ways accepted by the Town under Articles 30-32-34-36-38 and 40 of this warrant, amounting to $60,000.00 be raised as follows: by transfer from the Excess and Deficiency Account the sum of $4,017.17; by transfer from the following unexpended appropriation balances: Article 2 of the Special Town Meeting, November 13, 1950, Magnolia Terrace Paving, $20.09; Article 24, 1951, My-

opia Road Paving, $457.91; Article 28, 1951, Sherwood Road Paving, $811.19; Article 30, 1951, Butler Avenue Paving, $404.27; Article 32, 1951, Lexington Street Paving, $1,359.10; Article 34, 1951, Joan Avenue Paving, $1,628.62; Article 38, 1951, Unicorn Avenue Paving, $1,301.65, that the work to be performed shall be advertised by public bid, and the Superintendent of Public Works may submit an estimated cost of said work; in the event such estimate is lower than that of private contractors bidding, the Selectmen shall award said work to the Public Works Department, and that the Town Treasurer, with the approval of the Selectmen be authorized to sell, from time to time, as occasion requires, town notes, bonds or other evidences of indebtedness to an amount not exceeding $50,000.00, said bonds or notes to be payable in accordance with provisions of Chapter 44, General Laws, and that the Town Accountant be and hereby is authorized to make such transfers on the books of the Town. Unanimous.

Article 43. Voted: That the subject matter of this article be indefinitely postponed.

Article 44. Voted: That the subject matter of this article be indefinitely postponed.

Article 45. Voted: That the subject matter of this article be indefinitely postponed.

Article 46. Voted: That the subject matter of this article be indefinitely postponed.

Article 47. Voted: That the subject matter of this article be indefinitely postponed.

Article 48. Voted: That the Town raise and appropriate the sum of $4,500.00 to purchase materials to continue construction of housing for equipment and storage of materials at the Public Works Department yard in Pine Street, raise the said appropriation by transfer from the Excess and Deficiency Account and that the Town Accountant be and hereby is authorized to make such transfer on the books of the Town.

Article 49. Voted: That the Town vote to raise and appropriate the sum of $13,760.00 to purchase the following equipment for use of the Public Works Department: one (1) dump truck and (1) tractor loader, raise the said appropriation by transfer from the Road Machinery Fund, authorize the Moderator to appoint a committee of three to make such purchases and dispose of one (1) 1941 Chevrolet dump truck and one (1) 1928 Caterpillar tractor, now in service, and that the Town Accountant be and hereby is authorized to make such transfers on the books of the Town.

Article 50. Voted: That the Town raise and appropriate the sum of $9,200.00 to purchase for use of the Public Works Department one (1) new truck for the disposal of ashes and rubbish, with necessary equipment, raise the said appropriation by transfer from the Road Machinery Fund, authorize the Moderator to appoint a committee of three to make such purchase, and that the Town Accountant be and hereby is authorized to make such transfers on the books of the Town.

It was moved and seconded that Article 24 be reconsidered. This motion was not carried. Yes, 126; No, 138.

Article 51. Voted: That the subject matter of this article be indefinitely postponed.

Article 52. Voted: That the subject matter of this article be indefinitely postponed.

Article 53. Voted: That the subject matter of this article be indefinitely postponed.

It was moved and seconded that the meeting adjourn to Monday, March 24th, at 7.30 o'clock in the evening. This motion was not carried.

Article 54. Voted: That the Town provide for the control of Dutch Elm Disease in accordance with provisions of Chapter 761, Acts of 1949, and amendments thereto, any expense to come from the appropriation made for said purpose under Article 6 of this warrant.

Article 55. Voted: That the Town raise and appropriate the sum of $750.00 to purchase shade trees, loam, tree guards and other necessary expenses incidental to shade tree planting, and the said appropriation be raised from the revenue of the current year.

Article 56. Voted: That the Town raise and appropriate the sum of $1,500.00 to decorate certain streets within the Town during the Christmas season of 1952, the said appropriation to be raised from the revenue of the current year; and that the said appropriation be expended under the supervision of a committee of five to be appointed by the Moderator.

Article 57. Voted: That the Town raise and appropriate the sum of $1,500 for a survey of municipal off-street parking, the said appropriation to be raised by transfer from the Excess and Deficiency Account, that the said appropriation be expended under the supervision of a committee of five to be appointed by the Moderator, and that the Town Accountant be and hereby is authorized to make such transfer on the books of the Town.

Article 7. Voted: That the subject matter of this article be indefinitely postponed.

Article 58. Voted: That the subject matter of this article be indefinitely postponed.

Article 59. Voted: That the subject matter of this article be indefinitely postponed.

Article 60. Voted: That the Town authorize the Moderator to appoint a committee of three (3) citizens to dispose of any or all obsolete equipment or materials of town departments now on hand.

Article 61. Voted: That the Town accept the provisions of Section 43, Chapter 48, of the General Laws entitled "Fire Chief to Act as Forest Warden".

Article 62. Voted to amend the Zoning By-Laws by adding to the present limits of the present General Business District as heretofore defined and set forth the following described area adjacent thereto and bounded as follows: Beginning at a point at the southeasterly corner of Lot A, now or formerly of Gigante, the easterly bound extends 615 feet, more or less, northerly along a line 100 feet westerly and parallel to Main Street to land now or formerly of Talbot, the same being adjacent to the present General Business District; northerly adjacent to the present General

Business District 313.76 feet, more or less, to land now or formerly of Gibbons; westerly along a line which runs southerly and easterly 560 feet, more or less, to Richardson Lane; southerly along Richardson Lane 153.34 feet, more or less, to the point of beginning. Unanimous.

Article 63. Voted: That the subject matter of this article be indefinitely postponed. Yes, 82; No, 66.

Article 64. Voted: That the subject matter of this article be indefinitely postponed.

Article 65. Voted: That the subject matter of this article be indefinitely postponed.

Article 66. Voted to accept a bequest in the amount of $999.75 under the will of Edwin D. Hawkins for the Stoneham Public Library.

Article 67. Voted: That the subject matter of this article be indefinitely postponed.

Article 68. Voted: That the subject matter of this article be indefinitely postponed.

Voted to adjourn finally at 12.30 o'clock in the morning.

All the foregoing truly entered, attest.

WINTHROP A. McCARTHY, Town Clerk.

Warrant for Special Town Meeting Monday, March 10, 1952

To Ugo M. Rolli or either of the Constables of the Town of Stoneham, in the County of Middlesex, Greeting:

In the name of the Commonwealth of Massachusetts, you are directed to notify and warn the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs to meet in Town Hall on Monday, March 10, 1952, at nine o'clock in the evening to act on the following articles of this warrant.

Article 1. To see if the Town will vote to rescind and revoke all or any action taken under Article 1 to Article 9 of the warrant for the special Town Meeting held on February 4, 1952, or do anything in relation thereto. (James V. Messina and 235 others)

Article 2. To see if the Town will vote to appoint a committee of three to make a survey of the Town's present and future High School and Elementary School housing needs with a view of curtailing future expenditures, said committee to report at a special Town Meeting to be called at the earliest possible date, raise and appropriate any sum or sums for necessary expenses of the committee, or do anything in relation thereto. (James V. Messina)

And you are directed to have two thousand copies of this warrant printed, and so serve the same by posting attested copies in at least ten (10) public places in the Town seven (7) days at least before the time for holding said meeting and by causing an attested copy to be published in some newspaper in the Town, the publication to be not less than three (3) days before said meeting.

The remaining copies you are to have at the place and time of meeting as aforesaid for distribution.

Hereof fail not and make due return of this warrant with

your doings thereon to the Town Clerk at the time and place of meeting as aforesaid.

Given unto our hands this twenty-sixth day of February in the year one thousand nine hundred and fifty-two, A. D.

FRED A. SCHNEIDER,
FRANK M. GEREMONTE,
EDWIN H. LOMBARD,
JOHN E. FINNEGAN,
DONALD J. MORRISON,
Selectmen of Stoneham.

Pursuant to the within warrant I have notified and warned the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs of the within meeting by posting attested copies in at least ten (10) public places in the Town of Stoneham on Wednesday, February 27, 1952, and by publishing duly attested copies of the said warrant in the Stoneham Press on Thursday, February 28, 1952, and the Stoneham Independent on Thursday, February 28, 1952.

UGO M. ROLLI, Constable of Stoneham.

All the foregoing truly entered, attest.

WINTHROP A. McCARTHY, Town Clerk.

Special Town Meeting, Monday, March 10, 1952

Agreeable to the warrant signed by the Selectmen on February 26, 1952, and in accordance with the By-Laws of the Town of Stoneham, the inhabitants of the Town qualified to vote in elections and town affairs met in Town Hall on Monday, March 10, 1952, at nine o'clock in the evening.

Tellers appointed to check the names of voters entering the hall were as follows: Republican, Richard A. Roberts, James A. Munro, Edith M. Cook, Violet LeBrun, Esther Dunbar, Alice Worthen; Democrat, Peter P. Meehan, Roy K. Wentworth, Alice C. Walsh, Arline E. Cogan, Mary I. Roach, Marie M. Burns.

The check lists showed that one thousand six hundred sixty (1660) voters attended the meeting.

The meeting was called to order by the Moderator at 9.00 o'clock in the evening.

The Moderator appointed the following tellers who were sworn by the Town Clerk: George Harrow, Louis Gerrish, Orvis H. Saxby, Stanley D. Wood, John H. Dike, Winston N. Prescott, Edmund F. Dagnino, Valentino Mattogno, John J. Graham, Jean Fullerton, Bennett Blaisdell, Forrest Blanchard, James E. Johnson.

It was moved and seconded that all votes on any motions under Articles 1 or 2 of this warrant be taken by secret ballot. The motion was not carried.

Article 1. Voted: That votes passed under Articles 4-5-6-7-8-9 of the warrant for the special Town Meeting held on February 4, 1952, be and hereby are rescinded and revoked. Yes, 719; No, 644.

Article 2. It was moved and seconded that the Town vote to appoint a committee of three to make a survey of the Town's present and future High School and Elementary School housing

needs with a view of curtailing future expenditures, said committee to report at a special Town Meeting to be called at the earliest possible date, and that the sum of $5,000.00 be raised and appropriated for necessary expenses of the committee. The motion was not carried.

It was moved and seconded that Article 1 of this warrant be reconsidered. This motion, lacking the necessary two-thirds vote required, was not carried. Yes, 399; No, 301.

Voted to adjourn finally at 12.55 o'clock in the morning.

All the foregoing truly entered, attest.

WINTHROP A. McCARTHY, Town Clerk.

Warrant for Special Town Meeting Monday, March 17, 1952

To Stanley D. Wood, or either of the Constables of the Town of Stoneham, in the County of Middlesex, Greeting:

In the name of the Commonwealth of Massachusetts, you are directed to notify and warn the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs to meet in Town Hall on Monday, March 17, 1952, at nine o'clock in the evening to act on the following articles of this warrant:

Article 1. To see if the Town will vote to raise and appropriate a sum of money to provide for the safety of the Town of Stoneham and the Commonwealth during the existence of an emergency resulting from disaster or from hostile action in accordance with provisions of Chapter 639, Acts of 1950, and amendments thereto, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto. (Director of Civilian Defense)

Article 2. To see if the Town will vote to raise and appropriate a sum of money for plans, specifications and other necessary expense for construction of a proposed Memorial Field House to be erected in memory of Stoneham veterans of all wars, at Recreation Park or on land adjacent to Recreation Park which may be acquired by the Town, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, the said appropriation to be expended by the committee appointed under Article 64 of the warrant for the annual Town Meeting of 1952, or do anything in relation thereto. (Town War Memorial Committee)

Article 3. To see if the Town will vote to accept the provisions of Chapter 781, Acts of 1951, entitled "An Act Relative to Increasing the Amounts of Pensions and Retirement Allowances Payable to Certain Former Public Employees", raise and appropriate any sum or sums necessary therefor, or do anything in relation thereto, (Board of Selectmen)

And you are directed to have one thousand copies of this warrant printed, and so serve the same by posting attested copies in at least ten (10) public places in the Town seven (7) days at least before the time for holding said meeting and by causing an attested copy to be published in some newspaper in the Town, the publication to be not less than three (3) days before said meeting.

The remaining copies you are to have at the place and time of meeting as aforesaid for distribution.

Hereof fail not to make due return of this warrant with your doings thereon to the Town Clerk at the time and place of meeting as aforesaid.

Given unto our hands this fourth day of March in the year one thousand nine hundred and fifty-two, A. D.

FRED A. SCHNEIDER,
FRANK M. GEREMONTE,
EDWIN H. LOMBARD,
JOHN E. FINNEGAN,
DONALD J. MORRISON,
Selectmen of Stoneham.

Pursuant to the within warrant I have notified and warned the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs of the within meeting by posting attested copies in at least ten (10) public places in the Town of Stoneham on Friday, March 7, 1952, and by publishing duly attested copies of the said warrant in the Stoneham Press on Thursday, March 13, 1952, and the Stoneham Independent on Thursday, March 13, 1952.

STANLEY D. WOOD, Constable of Stoneham.

All the foregoing truly entered, attest.

WINTHROP A. McCARTHY, Town Clerk.

Special Town Meeting, Monday, March 17, 1952

Agreeable to the warrant signed by the Selectmen on March 4, 1952, and in accordance with the By-Laws of the Town of Stoneham, the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs met in Town Hall on Monday, March 17, 1952, at nine o'clock in the evening.

Tellers appointed to check the names of voters entering the hall were as follows: Republican, Richard A. Roberts, James A. Munro, Edith M. Cook, Violet LeBrun, Esther Dunbar, Alice Worthen; Democrat, Peter P. Meehan, Roy K. Wentworth, Alice C. Walsh, Arline E. Cogan, Mary I. Roach, Marie M. Burns.

The check lists showed that five hundred and two (502) voters attended the meeting.

The meeting was called to order at nine o'clock in the evening by the Moderator.

Article 1. Voted: That the Town raise and appropriate the sum of $5,000.00 to be expended as follows: Salaries, $1,500.00; Administrative Expense, $500.00; Equipment, $3,000.00; to provide for the safety of the Town of Stoneham and the Commonwealth of Massachusetts during the existence of an emergency resulting from disaster or from hostile action, in accordance with provisions of Chapter 639, Acts of 1950, and any amendments thereto, raise the said appropriation by transfer from the Excess and Deficiency Account, the said appropriation to be used in conjunction with funds raised and appropriated under Article 1 of the warrant for a special Town Meeting held on March 19, 1951, and that the Town Accountant be and hereby is authorized to make such transfer on the books of the Town.

Article 2. It was moved and seconded that the Town raise and appropriate the sum of $2,000.00 for plans, specifications and other necessary expense for the purpose of constructing a proposed Memorial Field House, to be erected in memory of Stoneham veterans of all wars, at Recreation Park or on land adjacent to Recreation Park which may be acquired by the Town, raise the said appropriation by transfer from the Excess and Deficiency Account, the said appropriation to be expended by the committee appointed under Article 64 of the warrant for the annual Town Meeting of 1951, and that the Town Accountant be and hereby is authorized to make such transfer on the books of the Town. This motion was not carried.

Article 3. Voted: That the Town accept the provisions of Chapter 781, Acts of 1951, entitled "An Act Relative to Increasing the Amounts of Pensions and Retirement Allowances Payable to Certain Former Public Employees" and that the sum of $450.00 be raised and appropriated therefor from the revenue of the current year.

Voted to adjourn finally at 9.25 o'clock in the evening.

All the foregoing truly entered, attest.

WINTHROP A. McCARTHY, Town Clerk.

Warrant for Presidential Primary

Middlesex, ss. April 15, 1952

To Ugo M. Rolli or either of the Constables of the Town of Stoneham, Greeting:

In the name of the Commonwealth you are hereby required to notify and warn the inhabitants of said town who are qualified to vote in Primaries to meet in Town Hall, Tuesday, the twenty-ninth day of April 1952, at 12.00 o'clock, noon, for the following purposes:

To bring in their votes to the Primary Officers for the Election of Candidates of Political Parties for the following offices:

10 Delegates at large to the National Convention of the Republican Party.

10 Alternate Delegates at Large to the National Convention of the Republican Party.

16 Delegates at large to the National Convention of the Democratic Party.

16 Alternate Delegates at Large to the National Convention of the Democratic Party.

2 District Delegates to the National Convention of the Republican Party.—8th Congressional District.

2 Alternate District Delegates to the National Convention of the Republican Party.—8th Congressional District.

4 District Delegates to the National Convention of the Democratic Party.—8th Congressional District.

4 Alternate District Delegates to the National Convention of the Democratic Party.—8th Congressional District.

District Members of State Committee—(One Man and One Woman) for each political party for the Seventh Middlesex Senatorial District.

35 Members of the Republican Town Committee.
10 Members of the Democratic Town Committee.
Presidential Preference.
The polls will be open from 12:00 noon to 8:00 P.M.

Hereof fail not and make due return of this warrant with your doings thereon at the time and place of said meeting.

Given unto our hands this fifteenth day of April, 1952, A.D.

FRED A. SCHNEIDER
FRANK M. GEREMONTE
EDWIN H. LOMBARD
JOHN E. FINNEGAN
DONALD J. MORRISON
Selectmen of Stoneham

Pursuant to the within warrant I have notified and warned the inhabitants of the Town of Stoneham, qualified to vote in elections and town affairs of the within meeting by posting up attested copies in at least ten public places in the town on April 16, 1952, and by publishing duly attested copies of said warrant in the Stoneham Independent on Thursday, April 24, 1952 and the Stoneham Press on Thursday, April 17, 1952.

UGO M. ROLLI, Constable of Stoneham

Presidential Primary, April 29, 1952

Agreeable to the warrant signed by the Selectmen on April 15, 1952, the inhabitants of the Town of Stoneham qualified to vote in primaries met in Town Hall in said Town, Tuesday, April 29, 1952 at 12 o'clock noon.

The meeting was called to order by Fred A. Schneider, Chairman of the Board of Selectmen, and the warrant read.

Election officers, appointed by the Selectmen, as required by law, who were sworn by the Town Clerk were as follows: Republican, Richard A. Roberts, James A. Munro, Ralph L. Hobbs, Elsie L. deGruchy, Edith M. Cook, Violet LeBrun, Esther M. Dunbar; Democrat, Andrew V. McDonnell, Peter P. Meehan, Roy K. Wentworth, Alice C. Walsh, Arline E. Cogan, Marie M. Burns, Mary I. Roach.

Tellers to canvass and count ballots, appointed by the Selectmen, as required by law, who were sworn by the Town Clerk, were as follows: Republican, Roland J. McClellan, Albert F. Orne, Charles E. Chesley, E. Thelma Wood, Emma K. Wannamaker, Marian I. Bradley, Ethel Buck, Elsie Clark, Lillian Gorham, Ruth McHale, Ethel L. Piper, Aldina A. Shurtleff, Mildred A. Tufts; Democrat, George C. MacDonald, John P. Kelly, Mary E. Willett, Mary B. Fougere, Catherine H. Salvage, Helen C. McCarthy, Rose M. Merrill, Rose R. Masse, Veronica Donahue, Catherine M. Ahern, Alice Greene, Marie Leonard.

Two boxes said to contain 6404 Republican ballots and 3095 Democratic ballots were delivered to the ballot clerks who gave receipt for the same.

The ballot boxes were opened, examined, the dials set at O, locked and the keys given in charge of the Chairman of Selectmen, and the polls were declared open at 12 o'clock noon. At eight

o'clock in the evening the polls were declared closed at which time ballot box No. 1 registered 1113 and ballot box No. 2 registered 1006, as ascertained by the Town Clerk. The check lists at the gate had the names of 2119 voters as having received ballots, 1974 were Republicans and 145 were Democrats. The number of ballots taken from the ballot boxes as counted by the Chairman of Selectmen was 2119 of which 1974 were Republican ballots and 145 were Democratic ballots. The number of unused ballots returned to the Town Clerk was 7380 of which 4430 were Republican ballots and 2950 were Democratic ballots.

Tellers were assigned to count, two Republicans and two Democrats in each group.

All the Republican ballots cast, having been sorted and counted, the tally sheets signed by the tellers, the blocks sealed, the total tally sheet proved and signed in accordance with law, declaration of the same was made as follows:

WINTHROP A. McCARTHY, Town Clerk

Warrant for State Primary

Middlesex, ss. September 2, 1952.

To either of the constables of the town of Stoneham

Greeting:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Stoneham qualified to vote in Primaries to meet in Town Hall Tuesday, the sixteenth day of September, 1952 at 12 o'clock noon for the following purposes:

To bring in their votes to the Primary Officers for the Nomination of Candidates of Political Parties for the following

Governor	for this Commonwealth
Lieutenant Governor	for this Commonwealth
Secretary of the Commonwealth	for this Commonwealth
Treasurer and Receiver-General	for this Commonwealth
Auditor of the Commonwealth	for this Commonwealth
Attorney General	for this Commonwealth
Senator in Congress	for this Commonwealth
Representative in Congress	for the 8th Congressional District
Councillor	for the 6th Councillor District
Senator	for the 7th Senatorial District
Three (3) Representatives in the General Court	for the 22nd Middlesex Rep. District
Clerk of Courts	for Middlesex County
Register of Deeds	for Middlesex Northern District
Two (2) County Commissioners	for Middlesex County

The polls will be open from 12 o'clock noon to eight o'clock in the evening.

And you are directed to have sufficient copies of this warrant printed, and so serve the same by posting attested copies in at least ten (10) public places in the Town seven (7) days at least before the time for holding said meeting, and by causing an attested copy to be published in some newspaper in the Town, the publication to be not less than three (3) days before the said meeting.

Hereof fail not and make due return of this warrant with your doings thereon to the Town Clerk at the time and place of meeting as aforesaid.

Given unto our hands this second day of September in the year one thousand nine hundred and fifty-two.

FRED A. SCHNEIDER JOHN E. FINNEGAN
FRANK M. GEREMONTE DONALD J. MORRISON
EDWIN H. LOMBARD Selectmen of Stoneham

Pursuant to the within warrant I have notified and warned the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs of the within meeting by posting attested copies in at least ten (10) public places in the town on September 5, 1952, and by publishing duly attested copies of said warrant in the Stoneham Independent on Wednesday, September 10, 1952 and the Stoneham Press on Thursday, September 11, 1952.

STANLEY D. WOOD
Constable of Stoneham

State Primary, September 16, 1952

Agreeable to a warrant signed by the Selectmen on September 2, 1952, the inhabitants of the Town of Stoneham qualified to vote in primaries and elections met in Town Hall in said Town, Tuesday, September 16, 1952, at 12 o'clock noon.

The meeting was called to order by Fred A. Schneider, Chairman of the Board of Selectmen, and the warrant read.

Officers appointed by the Selectmen as required by law were sworn by the Town Clerk and assigned to duty as follows:

Ballot Clerks, Republican, Richard A. Roberts, James A. Munro, Ralph L. Hobbs, Elsie L. deGruchy, Edith M. Cook, Violet LeBrun, Esther M. Dunbar; Democrats, Peter P. Meehan, Roy K. Wentworth, George C. MacDonald, Alice C. Walsh, Arline E. Cogan, Marie M. Burns, Mary I. Roach.

Tellers, Republican, Albert F. Orne, Sumner E. Barnstead, Charles E. Chesley, Roland J. McClellan, Elsie B. Clark, Ethel L. Piper, Mildred C. Tufts, Aldina A. Shurtleff, E. Thelma Wood, Emma K. Wannamaker, Lillian R. Gorham, Anne Steele, Annie S. Kinsley, Frances L. Arnold: Democrat, Charles B. Sheridan, Joseph W. Flynn, Andrew V. McDonnell, John P. Kelly, Catherine W. Ahern, Mary E. Willett, Veronica E. Donahue, Mary B. Fougere, Marie A. Leonard, Catherine H. Salvage, Elizabeth M. Butler, Rose M. Merrill, Rose R. Masse.

The ballot box was opened, examined, the dials set at 0, locked, and the keys given in charge of the Chairman of Selectmen, and the polls were declared open at 12 o'clock noon. 40 receive ballots. At eight o'clock in the evening the polls were declared closed.

The check lists at the gate had the names of 2237 voters as having received ballots, of which 1878 were Republican and 359 were Democratic ballots. The number of ballots taken from the ballot box, as counted by the Chairman of Selectmen was 2237, of which 1878 were Republican and 359 were Democratic ballots.

All the Republican ballots cast having been sorted and counted, the tally sheet signed by the tellers, the blocks of ballots sealed, the total tally sheet proved and signed in accordance with law, declaration of the same was made as follows:

Warrant for the Question of Rent Control on Special Ballot — Chap. 620, Acts of 1952 September 16, 1952

Middlesex, ss: September 2, 1952.

To either of the Constables of the Town of Stoneham Greeting:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town qualified to vote in election and town affairs to meet in Town Hall Tuesday, the sixteenth day of September, 1952 at twelve o'clock noon for the following purpose:

To act on the following question—Rent Control

(a) If a voter desires that this Town shall declare by popular referendum that a substantial shortage of housing accommodations exists which requires the continuance of federal rent control in this Town after September 30, 1952, and until the close of April 30, 1953, in accordance with the provisions of the Housing and Rent Act of 1947, as amended, he will vote "Yes" on said question.

(b) If he desires that federal rent control shall cease to be in effect in this Town at the close of September 30, 1952, he will vote "No" on said question.

If a majority of the votes cast in any such city or town in answer to said question is in the affirmative, such city or town shall be deemed to have declared by popular referendum, pursuant to the Housing and Rent Act of 1947, as amended, that a substantial shortage of housing accommodations exists which requires the continuance of federal rent control in such city or town after September 30, 1952, and until the close of April 30, 1953, in accordance with the provisions of said act.

If a majority of the votes cast in any such city or town in answer to said question is not in the affirmative, such city or town shall be deemed not to have declared by popular referendum, pursuant to the Housing and Rent Act of 1947, as amended, that stantial shortage of housing accommodations exists which requires continuance of federal rent control in such city or town after September 30, 1952.

For the purposes of this section a ballot which has neither a valid "YES" vote nor a valid "NO" vote shall not be deemed to be a vote cast.

Shall a declaration be made by popular referendum, pursuant to the Housing and Rent Act of 1947, as amended, that a substantial shortage of housing accommodations exists which requires the continuance of federal rent control in this Town after September 30, 1952, until the close of April 30, 1953, in accordance with provisions of said act? Yes.....No.....

The polls will be open from 12 o'clock noon until eight o'clock in the evening.

And you are directed to have sufficient copies of this warrant printed, and so serve the same by posting attested copies in at least ten (10) public places in the Town seven (7) days at least before the time for holding said meeting, and by causing an attested copy to be published in some newspaper in the Town the publication to be not less than three (3) days before the said meeting.

Hereof fail not and make due return of this warrant with your doings thereon to the Town Clerk at the time and place of meeting as aforesaid.

Given unto our hands this second day of September in the year one thousand nine hundred and fifty-two.

FRED A. SCHNEIDER
FRANK M. GEREMONTE
EDWIN H. LOMBARD
JOHN E. FINNEGAN
DONALD J. MORRISON

Selectmen of Stoneham

Pursuant to the within warrant I have notified and warned the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs of the within meeting by posting attested copies in at least ten (10) public places in the town on September 5, 1952, and by publishing duly attested copies of said warrant in the Stoneham Independent on Thursday, September 11, 1952, and the Stoneham Press on Thursday, September 11, 1952.

Warrant for Special Town Meeting
September 29, 1952

Middlesex, ss. September 2, 1952.

To either of the constables of the Town of Stoneham,

Greeting:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of said town qualified to vote in elections and town affairs to meet in Town Hall Monday, the twenty-ninth day of September, 1952, at eight o'clock in the evening to act on the following articles of this warrant:

Article 1. To see if the Town will vote to raise and appropriate a sum of money for emergency repairs to the Junior High School section of the Junior-Senior High School Building, determine in what manner the said appropriation shall be raised, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto. (School Committee)

Article 2. To see if the Town will vote to amend Section 12A of Article 1 of the Zoning By-Law, Main Street Setback Area, by striking out the following: "On the westerly side of Main Street between Marble Street and Maple Street and between Hersam Street and North Street, and on the easterly side of Main Street between Summer Street and Hancock Street and between Pleasant Street and North Street" and substituting in place thereof the following: "On the westerly side of Main Street between Marble Street and Maple Street and between Montvale Avenue and North Street, and on the easterly side of Main Street between Summer Street and Hancock Street and between Pleasant Street and North Street." (Pellegrino Trodella)

Article 3. To see if the Town will vote to amend the Zoning By-Law by adding to the present limits of the Retail Business District as heretofore defined and set forth the following described area adjacent thereto and bounded as follows: Beginning at a point on Lindenwood Road, on land of Rotondi, one hundred (100) feet west of Main Street, the line runs northerly on land of Rotondi and parallel to Main Street four hundred ten (410) feet, more or less, to William Street, the same being adjacent to the present Retail Business District, thence the line turns and runs northwesterly by William Street to land now or formerly of Jenkins eighty (80) feet, more or less, thence the line turns and runs southwesterly by land of said Jenkins one hundred seventy-one (171) feet, more or less, thence the line turns and runs northwesterly by land of said Jenkins sixty-seven (67) feet, more or less, to Boston and Maine Railroad right of way, thence the line turns and runs southwesterly by Boston and Maine Railroad right of way five hundred ninety-five (595) feet, more or less, to Lindenwood Road, thence the line turns and runs easterly and parallel to Lindenwood Road five hundred fifty-two (552) feet, more or less, to the point of beginning, all on land of Rotondi. (Arthur J. Rotondi)

Article 4. To see if the Town will vote to amend the Zoning By-Law by changing from the present Retail Business District to General Business District the following described area bounded as follows: Southerly by Franklin Street 475 feet, easterly by land of Rotondi 200 feet, northerly by land of Rotondi 485 feet, and westerly by land of Meegan 200 feet. (Johanna Meegan)

Article 5. To see if the Town will vote to raise and appropriate a sum of money to construct sidewalks and install granite curbstone on the easterly and westerly sides of Pond Street, between Wilson Road and South Street, as ordered by the Board of Selectmen under the law relating to the assessment of betterments, determine in what manner the said appropriation shall be raised, by transfer from available funds or otherwise, or do anything in relation thereto. (Residents of Pond Street)

Article 6. To see if the Town will vote to raise and appropriate sums of money for the following purposes: (a) Snow and Ice Removal Wages, (b) Snow and Ice Removal Expense, (c) Sewer Services Wages, (d) Sewer Services Expense, (e) Water Services Wages, (f) Water Services Expense, determine in what manner the said appropriation shall be raised, by transfer from available funds or otherwise, or do anything in relation thereto. (Town Accountant)

Article 7. To see if the Town will vote to raise and appropriate a sum of money to provide for necessary repairs to the limestone coping of the Town Hall together with other necessary granite and brick repairs, determine in what manner the said appropriation shall be raised, by transfer from available funds or otherwise, or do anything in relation thereto. (Board of Selectmen)

And you are directed to have five hundred (500) copies of this warrant printed, and so serve the same by posting attested copies in at least ten (10) public places in the Town seven (7) days at least before the time for holding said meeting and by causing an attested copy to be published in some newspaper in the Town, the publication to be not less than three (3) days before said meeting.

The remaining copies you are to have at the time and place of meeting as aforesaid for distribution.

Hereof fail not and make due return of this warrant with your doings thereon to the Town Clerk at the time and place of meeting as aforesaid.

Given unto our hands this second day of September in the year one thousand nine hundred and fifty-two.

FRED A. SCHNEIDER,
FRANK M. GEREMONTE,
EDWIN H. LOMBARD,
JOHN E. FINNEGAN,
DONALD J. MORRISON,
Selectmen of Stoneham.

Pursuant to the within warrant I have notified and warned the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs of the within meeting by posting attested copies in at least ten (10) public places in the town on September 17, 1952, and by publishing duly attested copies of said warrant in the Stoneham Independent on Thursday, September 18, 1952, and the Stoneham Press on Thursday, September 18, 1952.

UGO M. ROLLI, Constable of Stoneham.

Special Town Meeting, September 29, 1952

Agreeable to the warrant signed by the Board of Selectmen on September 2, 1952, the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs met in Town Hall in said Town on Monday, September 29, 1952, at eight o'clock in the evening.

Tellers appointed to check the names of voters entering the hall were as follows: Republican, Richard A. Roberts, Edith M. Cook, Violet LeBrun; Democrat, Peter P. Meehan, Alice C. Walsh, Mary I. Roach.

The check lists showed that two hundred eighty two (282) voters attended the meeting.

The meeting was called to order at eight o'clock in the evening by Moderator Charles Gibbons.

Article 1. Voted: That the sum of $14,377.50 be raised and appropriated for the purpose of making certain alterations, installations and repairs to the Junior High School section of the Senior-Junior High School building as required by the State Building Inspector, including fireproofing and painting and including architect's fees and travel expense, that the said appropriation be raised by transfer from the following unexpended balances of appropriations voted under Article 6 of the warrant for the annual Town Meeting of the current year: from Certification of Notes of the School Bond Issue the sum of $3,500.00; from Two Platoon System Supplementary Budget Wages the sum of $7,040.00; from Two Platoon System Supplementary Expense the sum of $1,026.00; from Interest on Town Debt the sum of $2,811.50, and that the Town Accountant be and hereby is authorized to make such transfers on the books of the Town.

Article 2. A motion, duly seconded, was not carried. Yes, 51; No, 159.

Voted: That the Town amend Section 12A of Article 1 of the Zoning By-Law, Main Street Setback Area, by striking out the following, "On the westerly side of Main Street between Marble Street and Maple Street and between Hersam Street and North Street, and on the easterly side of Main Street between Summer Street and Hancock Street and between Pleasant Street and North Street" and substituting in place thereof the following: "On the westerly side of Main Street between Marble Street and Maple Street and between Montvale Avenue and North Street, and on the easterly side of Main Street between Summer Street and Hancock Street and between Pleasant Street and North Street." Yes, 166; No, 39.

Article 3. Voted: That the Town amend the Zoning By-Law by adding to the present limits of the Retail Business District as heretofore defined and set forth the following described area adjacent thereto and bounded as follows: "Beginning at a point on Lindenwood Road on land of Rotondi, one hundred (100) feet west of Main Street, the line runs northerly on land of Rotondi and parallel to Main Street four hundred ten (410) feet, more or less, to William Street, the same being adjacent to the present Retail Business District, thence the line turns and runs northwesterly by William Street to land of Jenkins eighty (80) feet, more or less, thence the line turns and runs southwesterly by land of said Jenkins one hundred seventy-one (171) feet, more or less, thence the line turns and runs northwesterly by land of said Jenkins sixty-seven (67) feet, more or less, to Boston and Maine Railroad right of way, thence the line turns and runs southwesterly by Boston and Maine Railroad right of way five hundred ninety-five (595) feet, more or less, to Lindenwood Road, thence the line turns and runs easterly and parallel to Lindenwood Road five hundred fifty-two (552) feet, more or less, to the point of beginning, all on land of Rotondi. Unanimous.

Article 4. Voted to amend the Zoning By-Law by changing from the present Retail Business District to General Business District the following described area bounded as follows: "Southerly by Franklin Street 475 feet, easterly by land of Rotondi 200 feet, northerly by land of Rotondi 485 feet and westerly by land of Meegan 200 feet." Unanimous.

Article 5. Voted: That the sum of $12,230.00 be raised and appropriated for the purpose of constructing sidewalks and installing granite curbstones on the easterly and westerly sides of Pond Street, between Wilson Road and South Street, as ordered by the Board of Selectmen under the laws relating to the assessment of betterments, that the said appropriation be raised by transfer from the Excess and Deficiency Account, and the Town Accountant be and hereby is authorized to make such transfer on the books of the Town.

Article 6. Voted: That the total sum of $7,000.00 be raised and appropriated for the following specific purposes and amounts: Snow and Ice Removal Wages the sum of $1,000.00; Snow and Ice Removal Expense the sum of $2,000.00; Sewer Services Wages the sum of $1,000.00; Water Service Wages the sum of $3,000.00; that the said appropriation totalling $7,000.00 be raised by transfer from the unexpended balance of Interest on Town Debt voted under Article 6 of the warrant for the annual Town Meeting of the current year, and that the Town Accountant be and hereby is authorized to make such transfers on the books of the Town.

Article 7. Voted: That the sum of $15,000.00 be raised and appropriated for the purpose of repairing and/or replacing limestone coping or cornices on the Town Hall, pointing up granite steps and other necessary repairs to brick work and cornices on the Town Hall, together with other necessary expense in connection with the foregoing work, raise the said appropriation by transfer from the Excess and Deficiency Account, and that the Town Accountant be and hereby is authorized to make such transfer on the books of the Town.

All the requirements of law having been complied with, the meeting adjourned at 9.00 o'clock in the evening.

All the foregoing truly entered, attest.

WINTHROP A. McCARTHY, Town Clerk.

Warrant for the State Election November 4, 1952

Commonwealth of Massachusetts

Middlesex, ss.

To J. Clarence Nelson or either of the Constables of the Town of Stoneham, in the County of Middlesex, Greeting:

In the name of the Commonwealth of Massachusetts, you are hereby directed to notify and warn the inhabitants of the Town of Stoneham, qualified to vote in elections and town affairs to meet in the Town Hall, in said Town on Tuesday, the fourth day of November, A. D. 1952, at six o'clock in the forenoon, it being the first Tuesday after the first Monday in said month, to bring in their ballots to the Selectmen for Electors of President and Vice President, Governor, Lieutenant Governor, Secretary, Treasurer,

Auditor, Attorney General, Senator in Congress, Congressman from the Eighth District, Councillor from the Sixth District, Senator from the Seventh Middlesex District, three (3) Representatives from the 22nd Middlesex District, Clerk of Courts for Middlesex County, Register of Deeds for Middlesex Southern District, Two (2) County Commissioners for Middlesex County and the following question:

QUESTION NO. 1

A. Shall licenses be granted in this city (or town) for the sale therein of all alcoholic beverages (whiskey, rum, gin, malt beverages, wines and all other alcoholic beverages)?

B. Shall licenses be granted in this city (or town) for the sale therein of wines and malt beverages (wines and beer, ale and all other malt beverages)?

C. Shall licenses be granted in this city (or town) for the sale therein of all alcoholic beverages in packages, so called, not to be drunk on the premises?

The polls will be opened at six o'clock in the forenoon and closed at eight o'clock in the evening.

And you are directed to serve this warrant by posting up attested copies in at least ten public places in the Town seven days at least before the time for holding said election and by causing an attested copy to be published in some newspaper in the Town, the publication to be not less than three days before said election.

Hereof fail not and make due return of this warrant with your doings thereon to the Town Clerk at the time and place of meeting as aforesaid.

Given unto our hands this 21st day of October in the year One Thousand Nine Hundred and Fifty-Two.

FRED A. SCHNEIDER,
FRANK M. GEREMONTE,
EDWIN H. LOMBARD,
JOHN E. FINNEGAN
DONALD J. MORRISON,
Selectmen of Stoneham.

Pursuant to the within warrant I have notified and warned the inhabitants of the Town of Stoneham, qualified to vote in elections and town affairs of the within election by posting up attested copies in at least ten public places in the Town on Thursday, October 30, 1952, and by publishing duly attested copies of said warrant in the Stoneham Independent on October 30, 1952, and the Stoneham Press on October 30, 1952.

STANLEY D. WOOD, Constable of Stoneham.

State Election, November 4, 1952

Agreeable to a warrant signed by the Selectmen on October 21, 1952, the inhabitants of Stoneham qualified to vote in elections and town affairs met in Town Hall in said Town, Tuesday, the fourth day of November, 1952, at six o'clock in the forenoon.

The meeting was called to order by Fred A. Schneider, Chairman of the Board of Selectmen, and the warrant read.

Election officers appointed by the Selectmen as required by law were sworn by the Town Clerk and assigned to duty as follows:

Ballot clerks: Republican, Richard A. Roberts, James A. Munro, Ralph L. Hobbs, Elsie L. deGruchy, Edith M. Cook, Violet LeBrun, Esther M. Dunbar; Democrat, Peter P. Meehan, Roy K. Wentworth, George C. MacDonald, Alice C. Walsh, Arline E. Cogan, Marie M. Burns, Mary I. Roach.

Tellers: Republican, Sumner E. Barnstead, E. Thelma Wood, Emma K. Wannamaker, M. Ethel Buck, Anne Steele, Grace B. Glynn, Thelma L. Coles, Elsie B. Clark, Ethel L. Piper, Mildred C. Tufts, Aldina A. Shurtleff, Roland J. McClellan, Lorraine R. Young, Frances L. Arnold, Lillian R. Gorham, Hazel M. Moore, Margaret J. Alward, Ruth A. Frazier, Edith M. Hume, Everett B. Merrithew, Aura M. Moore, Dorothy Taylor, Annie S. Kinsley, Louise R. Elliott, Eleanor L. Frazier, Mabel L. Smith, L. Alice Stetson, Charles E. Chesley, Albert F. Orne, Helen Fanjoy, Zelma S. Weeks, Eleanor D. Blanchard, Evelyn W. Chaput, Frank W. Rhindress, Richard L. Emery, Ethel M. Bemis, Dorothy G. Jenkins, Barbara C. Vaughn, Eola I. Pitz, Richard W. Lent, Jennie Richmond, Gordon L. Fanjoy, Edna M. Kemp, Hazel Stewart, Dorothea H. Roberts, Gladys L. Lent, Florence H. Sanborn, Marjorie W. Bradley, Lillian F. Varnum, Moody Newhall, Robert A. Newcomb, Jr.; Democrats, Charles B. Sheridan, Richard W. Hayden, Catherine H. Salvage, Elizabeth M. Butler, Mary B. Fougere, Marie A. Leonard, Rose R. Masse, Rose M. Merrill, Catherine W. Ahern, Elizabeth F. Williams, Mary E. Willett, Veronica E. Donahue, Eva M. Maguire, Gertrude A. Hurley, Mary E. Ahern, Augusta M. LeBlanc, Annie E. Breagy, Alice M. Greene, Annie E. Dolan, Helen C. McCarthy, Carrie A. Dannahy, Louise A. MacDonald, Alice M. Noonan, Eileen A. Barry, Mary E. Gay, Helen A. McLaughlin, Lillian M. Rafferty, Andrew V. McDonnell, John P. Kelly, Bertie D'Entremont, Gertrude Chapman, Clare M. Cullen, Vladimir Dimitroff, Ella T. Kenney, John F. Kelly, Rose Rivers, Mabel G. Butler, Alice M. Meuse, Winifred Russell, Mary E. Smith, Mary Gormley, Mary E. McHale, Laura Rivers, Virginia Cross, Patrick J. Cullen, Dorothy Duffy, Margaret A. Treacy, Mary J. Duff, Patrick F. Kenney, Henry J. D'Entremont, Elodie R. Moore, Veronica A. Bauer.

One case said to contain 8126 ballots was delivered to the ballot clerks, who gave a receipt for the same.

The ballot boxes were opened, examined, the dials set at 0, locked and the keys given in charge of the Chairman of Selectmen, who then declared the polls opened to receive ballots. By unanimous consent of the Selectmen and the Town Clerk the ballot boxes were opened at nine o'clock in the forenoon, and ballots taken therefrom for the purpose of counting.

At eight o'clock in the evening the polls were declared closed at which time ballot box No. 1 registered 3997, and ballot box No. 2 registered 3651, as ascertained by the Town Clerk.

The number of ballots returned to the Town Clerk was 478.

Two hundred ninety-two (292) ballots were cast by absent voters and voters in the armed forces. Fourteen (14) ballots were cast by members of the armed forces who were registered by kindred.

All the ballots cast having been counted, the blocks of ballots sealed, the tally sheets signed by the tellers, tabulated, the total tally sheet signed, declaration of the same was made as follows:

Electors of President and Vice President

Eisenhower and Nixon, Republican	5124
Hallinan and Bass, Peace Progressive	0
Hamblen and Holtwick, Prohibition	6

A. Shall Licenses be granted in this city (or town) for the sale therein of all alcoholic beverages (whiskey, rum, gin, malt beverages, wines and all other alcoholic beverages)?

Yes	1605
No	4975
Blanks	1068

B. Shall licenses be granted in this city (or town) for the sale therein of wines and malt beverages (wines and beer, ale and all other malt beverages)?

Yes	1718
No	4753
Blanks	1177

C. Shall licenses be granted in this city (or town) for the sale therein of all alcoholic beverages in packages, so called, not to be drunk on the premises?

Yes	3495
No	3710
Blanks	443

All requirements of law having been complied with, the election adjourned.

All the foregoing truly entered, attest.

WINTHROP A. McCARTHY, Town Clerk.

REPORT OF CEMETERY TRUSTEES

To the Citizens of the Town of Stoneham:

The Board of Cemetery Trustees herewith submit their annual report for the year 1952. In March the Board organized as follows:

Joseph H. Blinn, Chairman.
Charles A. Owen, Secretary.
George R. Barnstead.
George B. Williams.
Frederick P. Hanford.

The Cemetery work was the same as in previous years, in addition to opening and closing graves, foundations were laid, sunken graves filled, grass cut, shrubs trimmed, leaves raked in the fall, in the winter roads in the Cemetery were plowed, and land dug over in preparation for new graves.

During the first months of the year the men finished digging over the section by the brook where new lots are to be laid out in the future.

The Cemetery wall in back of Almond Path was completed in the Spring and several stones were raised to make them level with the top of the wall. When the grading was finished shrubs were planted as well as Boston Ivy to add grace and beauty to the wall.

Previous to Memorial Day, the Soldiers' Monument was cleaned so that it would look its best for the Memorial Day Exercises. At this time the stone posts at the main entrance gate to the Cemetery on Montvale Avenue were repaired by pointing up the stones where the cement had washed out.

Two new pieces of road were completed; the first was in front of the garage and another place was on Maple Avenue where the new two grave section is located. This means that there are good roads throughout the Cemetery now and only the new sections will need resurfacing.

The trees in both Cemeteries prosent a problem as they need work done on them every year. One dead tree was removed from Lindenwood Cemetery and a lot of tree trimming was done in both Lindenwood and Pleasant Street Cemeteries.

Architect Edward M. Bridge has been employed to draw plans and secure estimated costs for a chapel as specified under the will of the late J. Henry Marcy.

The equipment was improved this year by the addition of a rotary mower which helped considerably to keep the grass cutting under control. The new Studebaker truck purchased by the Special Committee appointed under Article 63 has been a great improvement over the old truck.

In the front of the Cemetery a large amount of filling was done by the Public Works Department, thus improving the appearance of this low section.

The future plans for the Cemetery will be to extend the two grave section about 20 more lots and to enlarge the four grave section on the east side.

The receipts for the year were as follows:

Deposits for Perpetual Care Lots and Graves	$1,690.00
Sale of Lots and Graves	900.00
Opening Graves	1,574.00
Liners	820.00
Care of Veterans' Graves	733.75
Annual Care of Lots	1,105.75
Perpetual Care Flower Fund	100.00
Foundations and Repairs	222.50
Total	$7,146.00

Respectfully submitted,

JOSEPH H. BLINN, Chairman,
CHARLES A. OWEN, Secretary,
GEORGE R. BARNSTEAD,
GEORGE B. WILLIAMS,
FREDERICK P. HANFORD,
Board of Cemetery Trustees.

ANNUAL REPORT

OF THE

PUBLIC SCHOOLS

OF THE

TOWN OF STONEHAM

MASSACHUSETTS

1952

A Democracy Operates Free Public Schools and Passes Compulsory Attendance Laws, not through a sense of charity but because it realizes that Education is the Only Means it has of Perpetuating Itself and Promoting Its Own Interests.

Grade 1 may be dismissed thirty minutes earlier
Junior-Senior High School: 8:10 a.m. to 2:00 p.m.
Make-up Period: 2:00 to 3:00 p.m.

"No School" Signals

22 on FIRE ALARM
All Grades, 7:30 a.m.
Grades 1-6, 7:40 a.m.
Grades 1-4, 7:50 a.m.

Radio broadcasts will be on WEEI, WNAC, WHDH, and WCOP between 7:20 and 7:30 a.m. for all schools.

REPORT OF THE SCHOOL COMMITTEE

To the Citizens of Stoneham:

We are submitting to you the sixty-second annual report of the Superintendent of Public Schools to your School Committee. This report of the Superintendent, Mr. Raymond C. Burdick, gives a most complete and comprehensive picture of conditions in our schools.

Until a new high school is built, we will continue to face the problem of inadequate facilities. Each year also finds our elementary schools overcrowded and this condition will become more and more acute unless steps are taken to meet this problem. An elementary school should be built in the Melrose Highlands section as soon as possible.

This year by providing extra transportation, we have tried to equalize the enrollment load in the several elementary schools by temporarily re-assigning pupils in the most abnormally overcrowded rooms to other districts. We appreciate the cooperation given by parents during the opening days of school this year when we were trying to adjust and equalize such conditions.

The net budget we are submitting for 1953 (after deducting receipts of $79,477.90) is $382,514.56. This gives a net increase of $23,873.63 to be raised by local taxation, or a percentage increase of 6.2 over 1952. This increase could not be avoided because we must meet the cost of the increased enrollment by not only having to hire additional teachers but also by providing more books and supplies. The cost of these items has also been increasing each year.

The school enrollment during the last two years increased 162 in the elementary schools and 127 in the junior-senior high school.

We were able to avoid going on the two-platoon system in 1952-53 because the United Spanish War Veterans' organization allowed us the free use of their building for several overflow classes. We wish to express our sincere gratitude to them for their generosity in helping the cause of education in Stoneham.

The members of the School Committee wish to express their thanks to the Parent-Teacher Association, the elementary school councils, the many public-spirited citizens, and to the Superintendent and his staff for their cooperation, interest, and support during the past year.

Respectfully submitted
HAZEL C. JOHNSON, Chairman
GEORGE E. MacNEIL, SR., Vice Chairman
KATHRYN B. ENGLISH
ELSIE F. MACKAY
JOHN E. O'DOHERTY

Report of Superintendent of Schools

To the School Committee of Stoneham, Massachusetts:

Ladies and Gentlemen:—I herewith submit my third annual report as Superintendent of the Stoneham Public Schools. It is the sixty-second in the series of such reports.

OVERCROWDED CLASSROOMS

Each year the enrollment of the schools is increasing the problem of housing in both the elementary and junior-senior high schools. Three years ago when your superintendent came to Stoneham, there were 1831 pupils in the public schools. On October 1, 1952 there were 2176 pupils. This is the largest enrollment in the history of the Stoneham schools. The increase over this period of three years was 345 pupils. If this is broken down, in 1949 there were 807 in the junior-senior high school and 1024 in the elementary schools. This year there were 1255 pupils in the elementary schools which shows an increase of 231 since 1949. These increases certainly should cause concern to every citizen in Stoneham because at the present time there is developing an overcrowded condition both in the elementary schools and in the junior-senior high school. At the rate of the present increase, in ten years' time there will be a need of over twenty-four additional classrooms in the junior-senior high school for 800 pupils and fourteen additional classrooms in the elementary schools for 520 pupils. Furthermore, this does not take into consideration the increase due to building new homes in Stoneham during this period of ten years. If more housing is not furnished for the junior-senior high school, it will be necessary to go on the two-platoon system. In other words, it will mean the junior high school will have to start at 12:30 o'clock and close at 5.00 o'clock in the afternoon, and the senior high school in the morning from 8:00 to 12:30. This problem was overcome to a certain degree this year due to the fact that we were able to get the use of the Spanish American War Veterans' building and to add more desks to some of the classrooms. Classes are running as high as forty in the junior high school. Next year we feel certain that it will be necessary to go on a partial two-platoon system if the enrollment continues to increase. In the elementary schools the thirty-eight classrooms are filled to capacity. The average teacher load is thirty-four. In the grades there are forty children in some classes which is considered entirely too high for one teacher. In view of the fact that all the classrooms are filled in the elementary schools, it will be necessary for the elementary schools to go on a partial two-platoon system next year or to find added space in the basements or elsewhere of the various school buildings. The School Committee and Superintendent are working on this problem and are formulating a definite program.

BUILDING REPAIRS

It has been the policy of the School Committee and Superintendent of Schools to work out a program for improving the present physical plant. During last summer repairs were made on the boilers at the North, South, and East Schools. The roofs at the North, East, Emerson, and High Schools were repaired. Several rooms including the assembly hall in the Junior-Senior High School and all rooms at the Emerson School were repainted. In the Senior High School improvements were made to make the building safe by erecting a fire escape from the third floor and stair wells in each corridor. The cost of this project was $27,633. During the Christmas holidays plans have been set up to repair

the walls and ventilating system in the Junior High School in order that the School Committee may receive a building safety certificate from the Building Inspector of the Commonwealth of Massachusetts. The estimated cost of this will be $14,377.50. Every effort is being made to see that the buildings are kept in good condition. While the repairs do not in any way increase the number of classrooms, nevertheless they will make the Junior-Senior High School building safer and improve its maintenance. This program has been planned so that it keeps an even keel on the budget from year to year.

TEACHER PERSONNEL

The Superintendent of Schools has always recognized that the success of the school system is entirely dependent upon the teaching force. During the present administration in Stoneham there has been an increase in the number of teachers in the elementary schools who received bachelor degrees. At the same time, many of our teachers have taken extension courses and in many cases have earned their bachelor's and master's degrees. In the high school it is true that professional training is very important for all teachers. There are many teachers in our schools today who are doing exceptional work even though many do not have a degree. The following is a record of the training of Stoneham teachers:

Number of non-degree teachers—20
Number of teachers who have a bachelor's degree—52
Number of teachers who have a master's degree—9
Number of teachers who have taken courses during the past year—43

Over seventy-five per cent of our teachers now have degrees.

Your Superintendent is delighted with the enthusiastic professional interest that many of the teachers have shown since he came to Stoneham. Eventually, Stoneham will rate among the top schools in well-trained teachers.

The Stoneham Teachers' Club has been sponsoring extension courses in Stoneham. Included in this report is a list of courses taken by teachers.

Teachers' salaries in Stoneham have been established on the basis of improved training and experience. At the same time, teachers of equal training are placed on the same salary schedule in both the elementary and junior-senior high schools. The School Committee and the Superintendent also try to pay adequate salaries to the other employees comparable to the other communities similar to Stoneham.

NEW AND REVISED CURRICULUM

Under the leadership of Miss Alice Fernow, supervisor of elementary education, there has been a continuous revision of the elementary curriculum. In 1951 the elementary teachers made a study of the arithmetic course in Stoneham and under the instruction of Mrs. Elizabeth Berglund of Lesley College developed a revised curriculum in arithmetic. Since this time new textbooks and materials have been acquired for the program.

In September, 1951 a writing committee was formed which developed a program of manuscript writing in the first and second

grades and cursive writing in grades three to six. The work of the committee has produced excellent results and your Superintendent is very glad to report that the teachers and parents have reported that they like this change.

During the past three years a program of driver training has been installed in the high school and senior students have been trained so that each pupil is able to get his or her driver's license. Also, a similar course in driver training, exclusive of the road test, is given to all the eleventh grade students in the high school by the social studies department. Safety patrols have been set up in each elementary school so that the children carry on a regular program of safety in co-operation with the Police Department. In other words, the curriculum in Safety Education has been expanded during this time.

The school system cannot properly function without adequate library facilities. This is true in the elementary and junior-senior high schools. Therefore, it has been the policy of the Superintendent to increase the amount of money spent for library books in the high school and at the same time provide library books in the elementary schools. In this modern day, research has been one of the reasons our country has been so successful. By the use of library materials, children are able to carry out this same type of research.

In order to improve the curriculum, in 1951 a remedial teacher was placed in charge of the class at the South School. The results were so salutary that it is hoped that more consideration can be given to remedial work in the other elementary schools as soon as more space is made available.

This year a committee in the high school has been working on social studies and materials for citizenship. This committee is working on civic education in connection with the study program and will undoubtedly make a real contribution to the Stoneham public schools in this field.

ACHIEVEMENTS

In the elementary schools a committee of teachers last year planned a revision of the report cards under the direction of Miss Alice Fernow, supervisor of elementary education. This committee has done an outstanding job because it has taken into consideration the following two important factors of education:

(1) That there is a difference in the ability of children and the achievement of those children should not be compared with other children but compared with the efforts they place in their work.

(2) That there should be a closer co-operation between the parents and teachers in working for the best interests of the children.

Miss Fernow has carried out both of these factors and at the same time has met with various parent-teacher councils and discussed the new plan of reporting. These report cards will give adequate information about the child and at the same time will not set him up in a contest with other children.

In 1952 the following outstanding speakers were invited to the monthly faculty meetings:

Speaker: Dr. Henry W. Holmes, Co-Director, Civic Education Project; Subject: "Civic Education"; Speaker: Miss Olive Niles, Director, Reading Clinic at Boston University; Subject: "A Remedial Program"; Speaker: Miss Libby Bowers, Director, Mass. Mental Hygiene Association; Subject: "Mental Health"; Speaker: Dr. Robert Brunn of the Christian Science Monitor; Subject: "World Affairs"; Speaker: Dr. Wendell Yeo, Dean, Boston University School of Education; Subject: "Guidance".

During the last two years the health program has improved through the fine co-operation of Dr. Henry Leavitt and Miss Dorothy Hopkins. Children have been taken to dental, eye, ear, and speech clinics. This year Stoneham is co-operating with Reading in developing a program in mental health. Dr. Er Chang Ping of Reading examines problem children and makes definite recommendations for the proper care and treatment of pupils who need it. This work can be made of vital importance to the school system because many children fail in school because of a mental block. Dr. Ping collaborates with the school doctor, nurse, and teachers, and makes recommendations in handling these special cases. Some children, as a result of the program, have already been placed in the special class at the Emerson School. In furthering our health program, a definite policy has been set up because of children's absences. This has been found to be one of the serious factors inasmuch as some children are unable to keep up with their school work.

In the field of music, an extra full-time person was engaged to carry out an instrumental music program and direct the bands. This makes it possible for children to be given instructions in instrumental music in the elementary schools as well as in the junior-senior high school. It is hoped that this program will increase interest in music education.

During the past three years every effort has been made to furnish up-to-date text books to all the children. Many students have taken special trips to historical Boston or to the Museum of Natural Science and by giving children these first-hand experiences, more interest has been stimulated in the class work. More and more, teachers are recognizing the importance of the interrelationship of different subjects in the high school and the importance of such curricular material.

ADULT EDUCATION PROGRAM

The adult education program has been outstanding during 1952. There were thirty registered in the Americanization class, eighty in the sewing class, and fifty-nine in the business classes. Mrs. Elizabeth McDonald taught the Americanization classes; Mrs. M. Dorothy Driscoll and Miss Gracey Magrath, the sewing classes; and Miss Lydia Bagdikian and Miss Anna Regish, the business classes. It is recommended that consideration be given to art and music in the evening school in the near future. Many adult education schools have been very successful in carrying out a program in these fields.

RECOMMENDATIONS

Your Superintendent recommends that the School Committee and the citizens of Stoneham give very serious consideration to

the needs for new school buildings. Definite recommendations were sent to the Finance and Advisory Board. The three most urgent steps are as follows:

I Select and purchase the following sites as soon as possible as follows:

1. Site for a high school.
2. Site for an elementary school building in the Melrose Highlands district.
3. Site for a junior high school.
4. Additional grounds for the North and South Schools.

II Propose the building, by 1954, of a senior high school of twenty-four classrooms to house eight hundred pupils.

III Propose the building, by 1956, of an eight-room elementary school in the Melrose Highlands section.

The following recommendations should be given consideration within the next ten years.

I Propose a junior high school, by 1962, for eight hundred pupils. Use present junior-senior high school for overflow of fifth and sixth grades from all overcrowded elementary schools and repair necessary portion for occupancy.

II Provide additions to the North, South, and East Schools whenever needed. There is no room for kindergartens in any of the schools. Nearly all other school systems have kindergartens.

The above is a tentative program. The longer we wait, the more acute this problem will become.

In planning a budget the School Committee and Superintendent recommend that there be continuous planning for financing education. It should aim to keep the taxes on an even keel from year to year. In other words, in planning maintenance work, it should be gradually done from year to year so that it does not all come at one time. It is suggested that a policy be recommended to plan the budget on a scientific basis over a period of years so that it will be forward-looking and at no time will there be an unusual increase in capital expenditures. By carrying out a planned program, it is possible to keep a fairly stable budget in normal times. However, at the present the problems of inflation and increased costs make it more difficult to carry this out.

In order to carry out a building program and a scientific budget, it is necessary to consider improved methods of raising school taxes. The Superintendent recommends that the School Committee and citizens of Stoneham give very careful consideration to an increased allowance for public education by improving the present formula of state aid. Increased state aid will furnish relief from the over-burdened property tax. On the other hand, many communities are finding it to their advantage to make a study and equalize the assessments on a basis of true valuation. If this problem is approached from a non-partisan basis, the tax burden in Stoneham would be more favorably equalized and a better educational program could be developed.

In these days there should be a continuous revision of the curriculum to meet the needs of the times. One of the pressing problems which is confronting America is the need for a stronger

citizenry. This can be accomplished only by a strong civic education program in the elementary, junior, and senior high schools. The program cannot be solved without giving experiences to children of all ages in the qualities of good citizenship. It is true that the Stoneham schools today are doing much to teach moral and civic education but it is the Superintendent's recommendation that a more unified effort be made to develop curriculum which will better meet this problem in order to combat communism or any other kind of "ism." The American way of life is superior to any other and there is need for a re-emphasis of democracy in action in all phases in our schools. The social studies program is being revised by integrating history and geography with other work throughout the schools to meet this civic education.

There is need for a full-time guidance director for the entire school system in order to discover the ability of children to properly test, place, and help them to better fit their vocational and educational future. Practically every school system the size of Stoneham already has the services of such a person. We do have two part-time guidance workers in the junior-senior high school.

During the past two years a bulletin issued by the School Committee which gives factual information about the achievements of the schools has been printed and sent out to parents. This has aimed to give a better interpretation of the schools to the public. Every effort should be made by supervisors, principals, and teachers to contact parents and to see that they get the proper information about the aims and objectives of our schools. If the parents honestly understand our schools, it will make for better education for our children.

Respectfully submitted
RAYMOND C. BURDICK
Superintendent of Schools

Annual Report of the Supervisor of Elementary Education

The major undertaking of the elementary teachers during the past school year has been to improve the reports to parents of pupils' progress.

A letter was sent to parents in the fall of 1951 asking for their opinions in regard to the report cards currently in use and ways in which they might give a clearer picture of the pupils' progress. The replies to this letter were helpful to the teachers in planning the revision of the elementary report cards.

Two committees representing the five elementary schools in Stoneham were organized. The Primary Committee consisted of two teachers from each of the first three grades and the Intermediate Committee was made up of representatives from grades four, five, and six. Both committees studied many sample report cards from towns and cities in the Greater Boston area as well as from several towns and cities in other parts of the United States. The members of the committees also read widely on recent trends in reporting pupil progress from professional books and magazines, before actually starting the revision of the report cards for the primary and intermediate grades. The new cards rep-

resent the best thinking and planning of the elementary teachers in the light of their study and the ideas gleaned from the letters of parents in regard to the need for change.

On both the primary and intermediate levels, it was decided to discontinue the five-point marking system of A, B, C, D, and E, since the teachers felt our aim should be to bring out the best in each pupil, rather than to compare a child's work with the average performance of the class, or force him to compete with an "ideal" standard of performance set up for each grade.

The teachers were convinced they should help each child to develop and progress at his own rate and that parents really want to know whether their child is progressing as well as he should rather than how he compares at a given moment with other children.

In order that parents might have a more complete report with reference to their child's achievement of specific goals in all branches of the school work, descriptive phrases under subject headings were formulated to point out the phases of work in which the child is strong or needs to improve.

The new cards will be used for a trial period of two years during which time both parents and teachers will have an opportunity to present any constructive suggestions for improvement.

ALICE FERNOW
Supervisor of Elementary Education

Annual Report of the Junior-Senior High School Principal

The Stoneham Junior-Senior High School has had the largest enrollment in the history of the schools. As of October 1, 1952 it was 921.

I wish to submit a supplementary report on Placement, New Teachers, Mathematics and Science, and Visual Aids along with the individual reports from the heads of the departments.

PLACEMENT

Placement in the high school is done by Mrs. Margaret Garvin, who is giving most valuable assistance to our young people as they leave school. Placement, in itself, is one of the important phases of our guidance program. It aids students in securing positions, but goes much further than that. Most of the young students for which positions are secured come from our Business Department and their progress in the position is followed closely to determine the type of job best suited to our young people and any changes that should be made in the Business Curriculum to meet the needs of business and industry. Outside the Business Curriculum Mrs. Garvin serves as placement officer for any who are seeking part-time positions of any kind. Many of our pupils who have been out of school for some time return to the high school when they are ready to make changes in their position and are counselled and assisted. The personal contacts which Mrs. Garvin has been able to make with personnel directors in business have been most valuable in assisting us to place young people and to modify our position to suit present day needs. As time permits, one of the important phases of this department is the

follow-up of pupils who leave or graduate in a study to adjust the whole school curriculum to best meet the needs of Stoneham's young people. Statistical information on placement is given elsewhere in this report.

NEW TEACHERS

The following persons have been added to the high school staff this year:

Mr. Robert Millett is teaching biology in the senior high school. Mr. Millett is the head coach in ice hockey. He will also be the faculty sponsor for the organization of a chapter of the honor society at Stoneham High School.

Mr. Sardella, who came to us last year, was called to military service on November 1, 1952 and has been replaced by a permanent substitute, Mrs. Rita VanDerveer.

Mrs. VanDerveer is an experienced teacher and is very ably filling the situation in junior high school science.

Miss Bettina Dalton has been added to the staff in the junior high school and is teaching English and social studies.

Upon the resignation of Miss Parisha Piligian, for the past several years guidance counsellor in the junior high school, Mr. Frederick Burnaby was engaged to teach guidance and social studies.

Miss Alice Garabedian was added to the junior high school staff to teach English.

Mr. Austin Ledwith is a part-time teacher in the high school and is director of the high school band. He will assist Mrs. Wipperman with other musical organizations in the high school.

MATHEMATICS AND SCIENCE

Our program of mathematics and science, considered together as a subject matter field, undergoes very little change from time to time as far as offerings are considered but is frequently revised as to the details of subject matter units. There is one exception, however. It did recently come to our attention that the program of general mathematics could sometimes become so repetitious to be of doubtful value and very uninteresting to the pupil. For that reason a program of consumer education was made a required subject in the General Curriculum on the eleventh grade level instead of mathematics and mathematics was continued as an elective program to these 11G pupils. With a six-year school and close to one thousand pupils, we should consider the appointment of a department head for mathematics and science. If a school is to meet the needs of its pupils, it must constantly study the changing needs of the community into which these pupils will be moving when they leave high school. The school program must be constantly studied and appropriate changes made as the need arises. This involves regular meetings of the teachers in various subjects to evaluate their progress and to suggest changes to the administration.

Someone in each major field in the high school should be available to assist the principal in the conduct of these studies. With the naming of a head of department in mathematics and science there will then remain the business subject field and the foreign language field which will not have a department head.

Perhaps we should also mention industrial arts but there are only two teachers involved in that program. It is hoped that a time will come when that program will be greatly expanded to meet the needs of our young people. Now we are offering only woodshop and mechanical drawing, and that only to a limited number. To this could be added home economics, which department is much better equipped and adequately staffed.

VISUAL AIDS

Stoneham High School has been fortunate to have been a pioneer in the use of audio-visual materials in the classroom. Before any funds were available for this purpose through the public school budget, teachers and pupils secured moving picture projectors and other materials. Some funds have been made available to continue the program but the audio-visual materials which have been purchased by funds raised by teachers and pupils during the several years when the program began has been followed and we now have two sound motion picture projectors, one silent motion picture projector, one film strip projector, one opague projector, one micro-film projector, two record players with amplifiers, one combination radio-record player, one Philco radio, one brush tape recorder, and a beginning of a library in motion picture and film strips. We shall need to replace at least one of our motion picture projectors in the very near future and we shall need to add material to the film strip library as soon as possible. Our motion picture projectors are leased to organizations in the community at a nominal fee and these funds are held in reserve for the replacement of visual equipment.

WILLIAM M. NADEAU
Principal

Annual Report of Senior High Guidance Department

The following report will include a summary of the work done in the guidance field in senior high school and the achievement testing conducted under the supervision of the senior high guidance director.

(1) Testing of new pupils the day before school opened.

(2) A thorough check-up during the first few days of school of all pupils who were not promoted and all who were conditioned. It is necessary to examine the schedules of such pupils to make sure they are repeating required subjects. This also involves a check on those pupils who may have been tutored during the summer.

(3) Recording of all eighth and eleventh grade scores obtained from the B. U. test batteries.

(4) Early in October the seniors filled out questionnaires which enabled us to get an early picture of their probable plans.

(5) Following the returns of these questionnaires conferences were held, individually, with 137 seniors—not once—but in many cases, several times.

(6) Conferences were held four times a year with pupils who received warning cards.

(7) After report cards were made cut lists of failures were prepared for the administration after which each pupil was followed up to determine the best course for that pupil to pursue.

(8) Conferences were held with teachers who wished to consult folders in order to find all possible reasons for failure.

(9) In October a very fine program of speakers for guidance purposes was launched by Mr. Darling of Northeastern University. The following meetings were held:

October	"Preparing for education beyond high school"
November	"Planning for the future"
December	"Where high school graduates work"
	"Paying your way through college"
January	"Nursing"
	"Engineering"
	"Retailing"
	"Office Work"
February	"The Learned Professions"
	"Medical Professions for girls"
	"Fine Arts and Language Arts"
March	"What high school seniors should know about unions"
	"Working for the Government"
April	"The current employment market and jobs for the summer"

The individual conferences that the speakers held with many of the pupils afterwards, I'm sure must have proved very valuable.

(10) In November the B. U. battery of tests was administered to 141 pupils.

(11) When the results of these tests were obtained in December there followed series of conferences with these pupils which lasted until June.

(12) By the end of November it was necessary to have afternoon sessions to provide help for those pupils preparing for the NROTC exam in December, for all who might be going to take college board exams early and for those girls who were preparing to take tests to enter the nursing field.

(13) A brochure of scholarship information was prepared for each senior who might be interested.

(14) Early in January various teachers started afternoon sessions to prepare pupils who planned to take college board exams in their subjects.

(15) In April the Turse Shorthand Aptitude Test was administered to all ninth grade pupils planning to continue in the business course. Conferences were held after these were scored.

(16) The following achievement tests were administered under the supervision of the senior high guidance director:

(a) Social Studies test to all eighth grade pupils
(b) Mathematics test to all seventh grade pupils
(c) Geography test to all seventh grade pupils

The following achievement tests were administered by individual teachers:

(a) World History
(b) American History

(c) Biology
(d) Elementary Algebra
(e) Algebra II
(f) Geometry
(g) Physics
(h) Chemistry
(i) Solid Geometry
(j) Trigonometry

(17) In June each teacher submitted anecdotal records for the pupils in her homeroom—these were filed in the separate folders.

(18) After final report cards were made out conferences were held with each pupil who received failing marks. In many cases recommendations were made for summer tutoring. In some cases the pupils decided to repeat the subject the next year.

(19) On May 3rd the senior high guidance director administered the nursing examination for the Middlesex Doctors' Wives who offer a scholarship to some girl in this county.

(20) Our placement officer, Mrs. Garvin, was very busy, in the spring particularly, placing all senior girls in the business course in jobs that they were to start during April vacation.

The guidance department again wishes to thank all teachers and the administration for their cooperation. There is a very fine spirit of helpfulness all along the way which is very essential in rendering services to pupils.

Respectfully submitted
GERTRUDE M. CARIELLO
Senior High Guidance

REPORT OF THE PLACEMENT DEPARTMENT

September, 1951 to September, 1952

12 Girls in afternoon positions
5 Girls in full-time positions—Class of 1951
Baby Sitters too numerous to tabulate
Boys for store work, gardening, and miscellaneous work
50 Graduates of class of 1952 in full-time positions
Periodic check-up on class of 1951
6 Girls—change of positions in August (Class of 1951)

September, 1952 to October, 1952

7 Girls in afternoon positions
4 Baby sitters
2 Boys in afternoon positions
3 Odd jobs for boys

Salaries

Starting salary—$31.00 to $40.00 per week.

Periodic Follow-up Work

1. Salaries increased since April
2. Vacations with pay
3. Quality of work by girls, excellent
4. Very little absenteeism

MARGARET M. GARVIN
Director

ANNUAL REPORT OF ART SUPERVISOR

In submitting a report of the art work taught in the Stoneham public schools, I want to call attention to the fact that educators all over the nation recognize the great importance of art experiences, for all children in a well-rounded educational program. It furnishes a way to know each child better as an individual and insures a personal approach to teaching.

The elementary children are quick in their responses to an understanding recognition of their work and feel a greater responsibility for their actions. It is very evident that they enjoy and take pride in their work as testified by their ready smiles and friendly greetings. We find children's art work being used throughout the buildings for everyone to enjoy. Integration takes place with such things as social studies, music, health, and safety. The seasons and holidays inspire original ideas in sketching and the making of classroom decorations. Creative use is made of the knowledge gained and new discoveries are made in forms of expression.

Little children, when encouraged to do so, will keep a spontaneous reaction to their experiences and will continue to portray them in varied art mediums willingly and beautifully. This desire for creative expression lies within us all (children most especially) and should always be encouraged, never crushed. If guided properly they learn to improve their individual talents, develop discriminating taste, gain an appreciation for the works of others, and have a richer, happier, and more satisfying school experience. In the junior-senior high school, art helps to vitalize the students' experiences in school, home, and community. The teacher assumes the responsibility there, of a leader, councilor, and friend, bringing out the creative ideas of each pupil, never dictating, but giving advice when needed, suggesting certain laws of good design helping each to form a certain standard of excellence.

Miss Ruth Harrington has very successfully taught many of the art classes in the junior-senior high school. On certain days each week we are both in the high school building, often teaching two different classes in the same room at the same time, a very difficult assignment, due to crowded conditions. May I state, at this time, that we are very much in need of another art room, in the high school, in which to carry on our work where there could be more storage space for supplies and an ample place in which to teach crafts.

Ceramics, leather and silver work, block printing, and textile painting were taught. Students made their own original designs and applied them to useful objects for their own use or for gifts.

Posters for all games, plays, and school activities were made; a poster contest was held in co-operation with the American Legion Auxiliary. This work was integrated with many other fields such as music, sewing, and social studies and many forms of visual aids were employed. Field trips were taken for sketching and visiting art gallaries and schools.

In March we held an Art Exhibition in connection with the P-T-A which was very largely attended by towns people. There,

students representing each class from the fifth grade through the high school actually demonstrated some form of art work of their choice. As far as possible, work from every child in all of the art classes of the Stoneham public schools was displayed. The program for the exhibition consisted of colored slides taken during the past year in all of the classrooms while the pupils were engaged in various art activities.

The Winter Carnival Ball with its extensive lighting, decorations, and ceremonies each year, is a very good example of how the work of the Art Department is integrated with that of all other departments in the high school in carrying out a happy, spectacular, and financially successful school event.

The following extra-curricular activities were carried out during the year:

Flowers for the first day of school—Superintendent's Meeting	
Arrangements of flowers for P-T-A	October
Posters for Open House, P-T-A	November
Posters and make-up for Senior Play	November
Decorations and Stage setting for Senior Tea	December
Decorations for Teachers' Club Christmas Party	December
Stage setting and lighting for the Winter Carnival Ball at the Town Hall	February
Blood donor posters for the Red Cross	February
Health Posters	March
Art Exhibition	March
Lettering for Jimmy Fund Boxes	March
Poppy Day Posters for the American Legion Auxiliary	April
National Art Association Convention, Atlantic City	April
Notices for the Teachers' Club Banquet	May
Field trips to Art Exhibitions and Sketching trips	May
Memorial Day Service Decorations, Town Hall	May
Favors and arrangements for Senior Banquet	May and June
Decorations for the Town Hall Stage for graduation	June

Art may be likened to a golden thread woven inseparably into every part of the pupils' education, an experience leading to happier living.

May I take this opportunity to sincerely thank the School Committee, Superintendent, teachers, office force, and maintenance employees for their advice, thoughtfulness, and constructive help on so many occasions this year.

Respectfully submitted

ELEANOR M. BAKER
Art Supervisor

REPORT OF THE MUSIC SUPERVISOR
VOCAL MUSIC

The Music Supervisor visits each classroom in the elementary schools twice a month. The American Singer Series, which is the latest book in music education, is the basic music

text used. This is an approach to the teaching of music which combines singing, playing, creating, dancing, and listening in such a way as to lead to the enjoyment of music as a living art.

Grade six from each elementary school presented a concert at the May meeting of the Parent-Teacher Association.

Twice a year singing assemblies are held at each school.

The seventh grade music class meets once a week and is primarily a general music class. These classes are set up to reach all the children in the school and to provide many musical experiences. A wide variety of activities make up general music such as singing, listening, rhythmic activities, introductory study of instruments, use of films, and participation of children who play instruments.

The junior high school chorus meets once a week and is elective for pupils in grades eight and nine. Due to the large enrollment this year, it was necessary to form two separate groups with one group meeting the first half of the school year and the other group the second half.

The junior high girls' choir is open to girls in grades eight and nine. This group is called upon to perform for various civic organizations and to participate in the Northeastern Massachusetts music festival. A new club, the boys' chorus, has been added to the junior high club outline. This is directed by Mr. Austin Ledwith.

The senior high girls' and boys' glee clubs combine for such activities as the Carnival Ball, Spring Concert, and graduation.

In April ninety pupils from the glee club and orchestra participated in an exchange concert with Cony High School at Augusta, Maine.

A group from the senior high glee clubs took part in the all-state music festival which was held in Framingham, Massachusetts.

INSTRUMENTAL MUSIC

Instrumental lessons are offered to pupils in grades three through high school. For the past few years we have had part-time instructors in our system including Mr. Harold Sawyer, Mr. Victor Ferri, and Mr. Chester Jordan. Much credit and appreciation goes to these men for their contribution to the development of the instrumental program. This program has expanded so much that it was necessary to secure a full-time instrumental instructor. We are happy to welcome Mr. Austin Ledwith as the new instrumental instructor. He is organizing a band in each school and plans to form a large elementary school band which will take part in the Memorial Day Parade. He will also direct the high school band.

The high school orchestra continues under the fine leadership of Mr. Rolland Tapley.

GILDA WIPPERMAN

Music Supervisor

PHYSICAL EDUCATION REPORT

Physical Education today is concerned with the building of health and good citizenship in every young American. It is not

our objective in physical education to develop a few outstanding athletes but to teach every girl and boy sufficient body control and skill so that participation in activities may be enjoyed by all.

For the attainment of these ideals the elementary school physical education program is of major importance. Here the instructional period becomes valuable. This is the physical education teaching time and should not be confused with recess. It is the period that activities are taught and practised—emphasis placed on the developing of game techniques and skills. Competition should not be the primary factor during this period, or the timid and poor performer will quickly lose courage. This period of instruction is conducted by the classroom teacher who knows the individual differences among her pupils. She is well schooled in educational methods and is able to apply to physical education the methods used in all education. She will see that every child in her room has an equal opportunity to enjoy activity as a participant and not as an envious onlooker.

As a result of sowing these seeds of interest and skill in our younger children, the junior and senior high schools have reaped a generous harvest of students well equipped for participation in after-school activities, and well versed in the attributes of fair play, courage, self-control, initiative, courtesy, and obedience—qualities which can be carried on into adult life with profit.

Grateful thanks is extended to all those classroom teachers who have so assiduously followed the spirit of this program. The great number of boys and girls actively participating in after-school sports is a splendid tribute to their earnest endeavors.

Respectfully submitted

VERA C. LAWSON
Supervisor of Physical Education

DRIVER EDUCATION REPORT

The Driver Training program is being continued in 1952-53. A new 1952 Pontiac has been turned over to the School Department through the courtesy of the A. F. Lane Pontiac Company of Franklin Street in accordance with the plan sponsored by the American Automobile Association.

This program provides both classroom instruction and behind the wheel training to those students who are enrolled. The program is approved by the Registrar of Motor Vehicles and is at present being conducted by over two hundred high schools in the state. Pupils who complete the course successfully receive diploma credit for the work. If recommended, they are also permitted to take the regular examination for their licenses. This examination is given at the school in the Driver Training car by authorized registry inspectors. Most of the road training is given during the afternoons.

The course is limited to twenty pupils per half year. Any student who is sixteen years of age and has never had a license is eligible to take the course, but preference is given to senior and junior class members in that order. Those taking the course receive one period of classroom instruction and approximately forty

minutes of road driving instruction per week.

During the school year 1951-52 a total of forty pupils were enrolled in the course.

Number receiving licenses	26
Number completing course but failing road test	2
Number not taking road exam but completing course	8
Number not completing course because of illness or other causes	4
Total	40

Statistics show that in studies made of accident and violation records of drivers with no Driver Training instruction as compared with those who have received course instruction, the latter have much better records in both instances. This seems to indicate that since one person in every three now drives an automobile that these courses in Driver Education should prove of great value in terms of future highway safety in the various communities where they are being taught.

Respectfully submitted

ROGER W. LAMSON
Instructor of Driver Education

SCHOOL LIBRARIAN REPORT

During 1952 there were added to the collection 275 new books as against 237 subtracted as discarded, lost, or missing. The total number of volumes on the shelves in June was 3030. The year's circulation was 7163 of which 2817 were subject books and 4346 were fiction.

The year started as usual with library orientation classes for the seventh grade. The catalog, classification, and reference books were explained with active use of the same during the four periods allowed. The pupils are enjoying the two fine encyclopedias we have added this year to replace earlier editions the 1950 World Book and the 1951 Compton's Pictured Encyclopedia.

Parallel with its reference function the library constantly encourages good reading habits with a tempting array of new books for all reading levels. The first order of the year is timed to arrive on Book Week and to contain books on the always popular themes of sports, animals, space travel, and the American frontier. Fine books are being written that weave into these themes basic standards for human living. Such books as "The American Heritage Series" give a knowledge of our country's history and awaken patriotism. Stories of present day life have an especial appeal for the girls and these are selected on the basis of the human values they present—courageous reaction to hardship or handicap, family solidarity, and racial understanding. Medical career books both fiction and non-fiction have a strong appeal.

Librarian

ENGLISH DEPARTMENT REPORT

It is a pleasure to commend the teachers of the Stoneham Junior-Senior High School for their esprit de corps, their interest in their work and their students, and their professional

standards. It is particularly gratifying to report that, judged by an informal study of other high schools in this state and elsewhere in the country, the work done by these teachers represents a high standard of achievement.

Aware of the general aims of American education, (1. cultivation of a satisfying and wholesome personal life; 2. the development of social and effective participation in the life of the community, nation, and world; and 3. preparation for vocation competence), the teachers of English contribute to these with a vital program in the language arts. Their general goals are 1. to develop in students the ability to think clearly and to communicate effectively, 2. to understand the humanizing ideals of literature, and 3. to be conscious of the values of life which are necessary to a really mature person.

Recognition of the fact that pupils develop at their own rate, some slowly and some rapidly, is important in planning a program in reading, writing, listening, and speaking. Skill comes through active association with others, exchanging opinions, and acquiring by intellectual stimulus a sense of values.

In keeping with this desire to help pupils develop fully, the department has as its aims those outlined by the Curriculum Commission of the National Council of Teachers of English:

1. Mental and emotional stability
2. Dynamic and worthwhile allegiances through heightened moral perceptions and a personal sense of values
3. Growing intellectual capacities and curiosity
4. Increasingly effective use of language for daily communication
5. Habitual and intelligent use of mass modes of communications
6. Growing personal interests and enjoyment
7. Effective habits of work
8. Social sensitivity and effective participation in group life
9. Faith in the allegiance to the basic values of democratic society
10. Vocational efficiency

Professional interest and stimulation were provided by various meetings, conferences, and lectures during the year. Department meetings were held in the fall, and conferences and visitations whenever needed throughout the year. Members of the department attended the Language Arts Study in Concord, Massachusetts, in October; a lecture at Boston College by Mr. G. B. Harrison of the University of Michigan on "The Study of English Literature" in February; a conference on "Education of General Classes" at Boston University in March; and the Fifth Annual Language Arts Study in Boston in May. Moreover the head of the department attended monthly meetings of a group of heads of departments from about twenty surrounding towns. In September of this year, the department held a demonstration lesson in reading presented by Miss Amy Mayo, a reading consultant.

Among interesting activities in long-range plans for the year were student broadcasts of "I Speak for Democracy" at the P-T-A Open House; correspondence with foreign pen pals; purchase of

hundreds of Teen Age Books; participation in national contests; a literary trip to Concord, Massachusetts; theatre party to see "Macbeth"; and correlation of work with other departments. Of note, too, is the fact that Stoneham students scored very high on the national English Cooperative Test. In all these ways, and by other means outlined in the long-range plans, teachers have helped their students to express ideas clearly, to find creative outlet for feelings, to be aware of beauty, and to understand the ideals of the past and the present.

To the administrators and the Stoneham School Committee we wish to express our gratitude for their part in making our program possible by their generous provision of necessary books and materials, by their encouragement, and by their faith in our ideals and our hopes for the youth of Stoneham.

Respectfully submitted

RUTH G. FINN
Head of the English Department

REPORT OF THE JUNIOR-SENIOR HIGH SCHOOL SOCIAL STUDIES DEPARTMENT

I herewith submit my annual report as Head of the Social Studies Department of Stoneham High School for the school year 1952-53.

Education faces a challenge it has hardly faced before in terms so sharp, direct, and unmistakable. Educators must come to grips with the task of producing generations of citizenry that have both the ability and the will to translate the implications of democracy into their behavior in every life relationship. That task, always important, now assumes an almost fatal urgency. The very survival of America now depends on what its people know, think, feel, and are willing to do.

We are faced with the challenge to make more people think more clearly and feel more deeply about what democracy is and why it is worthy of loyalty and sacrifice. The Social Studies Department is making every effort to meet this challenge by bringing civic issues home to the hearts and minds of the youth of our democratic civilization.

The high school class is a place to use the talents of all the students and to keep the development of skills. Students get the chance in the following ways: enter into discussions; make charts, maps, graphs, and pictures to show changed times and to compare different periods; report on historical fiction and documents, radio and T. V. programs; visit the polls to see democracy in action; evaluate class work; and make projects on some particular phase of work being studied.

During the school year three outstanding things have been set up; namely:

I. Curriculum Organization in Stoneham High School — General Purpose:

1. Stoneham shall attempt to provide a program of social studies to meet the needs of all normal individuals.

2. Emphasis shall not only be placed on preparation for future participation and study but the program will consider the responsibility for mapping a program of living together in our

present society.

3. In all courses the content shall not stress informations of skills alone but the development of attitudes and appreciations will receive adequate attention.

4. The various subjects within the framework of the social studies field shall be offered at different grade levels as hereafter listed, but care shall be exercised through overlapping committees to articulate the work of the various levels and to integrate the social studies with related fields of study.

5. Consideration shall be given to the work of the elementary grades so that there will be vertical articulation and integration from grades one through twelve.

6. Articulation with higher institutions will be a part of these considerations.

7. The process shall include a study and application of the needs of society as a whole, as well as the individual. In this it shall be our purpose to examine the needs of our community as it relates to participation of the individual, now and in his future social and civic associations.

8. The organization of our program will seek to set up experiences which relate directly to situations in fields of sociology, economics, geography, history, civics, vocations, leisure and health, personal and public.

9. The experiences and exercises of the program shall be constructed to project the thinking of our youth into the significance of world organizations and world movements, civic and economic.

10. The program will provide study of similarities and differences between peoples of all origins, their contributions to the world order, and the struggle for freedom, security and peace.

11. Backgrounds of social progress, with an understanding of the significant movements which have contributed to that progress, shall be interpreted on the various levels of pupil growth. (Religion, education, political organizations, etc.)

12. At various levels and in the several categories of training in social science, the committee shall arrange together units of specific study or desirable outcomes to be achieved, and shall set up evaluation techniques for all such activities.

13. In the field of human relations our program shall present activities to help foster the ideal of mutual respect for, and acceptance of, all the various groups that compose our society.

II. A committee composed of Miss Roberts, chairman, Miss Piligian, Miss Pickering, Mr. Thibodeau, and Mr. Nadeau has drawn up a plan of Social Studies for grade VII.

III. The same committee with Miss Pickering, chairman, has drawn up a Plan of Social Studies for grade VIII.

The new units of study include General Objectives, Desirable Outcomes (Attitudes, Knowledge, Skills), and Units of Work.

The Seventh Grade Plan of Study emphasizes World Geography—particularly The Western Hemisphere, Asia, and the Pacific Islands. It continues emphasis on History, and Current Events are to be brought into the work frequently. The program is flexible enough to permit emphasizing a portion of the world

where events of current interest are taking place and at the time these events are most in the news.

The Eighth Grade Plan is designed to develop an understanding and appreciation of the American heritage of freedom. It stresses the History of the United States from the Period of Discovery and Exploration through the Civil War.

Plans are in operation for a revision of the Plan of Study for Grade IX. A report of progress is about all that can be given at this time. May I take this opportunity to thank you for your co-operation.

Respectfully submitted

EARLE T. THIBODEAU

Head of the Social Studies Department

REPORT OF THE ATTENDANCE SUPERVISOR

I submit the following report of attendance for the school year September 1951 to June 1952.

I have made 79 calls on report of the principals of all schools and 27 follow-up calls, making a total of 106 for the year.

Of all these cases there have been no criminal cases. Also none of these have been of a too serious nature. I find the attendance record of our Stoneham Schools very good compared to neighboring towns.

Respectfully submitted

KENNETH MacKENZIE

Attendance Supervisor

ANNUAL REPORT OF THE SCHOOL DOCTOR

The following is a report of the activities of the School Physician for the year 1952:

(1) Pupils of the various grades as required by law were given a complete physical examination.

(2) Inspection of the school buildings was made at the beginning of the school year.

(3) A cross section of the work could be judged from the months of May and June, which was as follows:

	May	June
Physical Examinations	218	21
Defects found	75	7
Defects corrected	5	6

(4) The usual amount of first aid was given to the Athletic Teams and to the pupils who were injured during school hours.

(5) A total of forty-five pupils were examined for working certificates.

May I at this time, through this medium, thank Mr. Burdick, the School Committee, teachers, and parents for their invaluable co-operation.

Respectfully submitted

HENRY E. LEAVITT

School Doctor

ANNUAL REPORT OF SCHOOL NURSE

The long-range objective of the School Health Program is two-fold:

1. To provide that each child can take full advantage of

school opportunities, not deterred for physical, emotional, or social reasons.

2. To produce young people who will make up a healthy adult population.

There have been changing concepts of health during the past decade which affect the planning of the School Health Program.

There is a broader concept of the meaning of health. The World Health Organization has recently agreed upon a definition of health which includes not only physical well-being, but mental, emotional, and social well-being of the individual.

Changes in the concept of the handicapped child are now being directed toward the child as a potentially normal individual. Efforts are being made to have these children take part in all aspects of the school curriculum, with only such modifications made as indicated by their abilities and needs.

Practices in management of communicable disease have changed with the use of chemotherapy. Isolation and quarantine periods have been modified or abolished. Periods of acute illness are short and complications have been greatly reduced. The immunization of children has ceased to be an important school program. It is now concentrated in the pre-school years. Supplementary preventive treatment may, however, be given during school years.

Problems in psychosomatic medicine are not limited to the adult, but are also problems of children. Physical causes of illness appear to be influenced by the emotional climate of the child.

With these concepts in mind, the School Health Program during the year 1952 has been conducted thus:

Educational

Twenty-five children with speech defects were observed by the Speech Therapist of the Massachusetts Department of Public Health. Corrective measures were advised for the cooperative effort of the child, teacher, parent, and nurse.

Any first aid treatment presents an excellent opportunity to acquaint the individual pupil with the reasons for proper care of the body and the implications for cleanliness in the treatment of wounds.

Four classrooms participated in Rat Feeding Demonstrations supplied by the New England Food and Dairy Council. By offering an adequate diet to one white rat and a diet deficient in essential nutrients for normal growth and development to the other rat, the children absorbed a vital insight into the effects of foods upon the body. Concomitantly, they experienced the proper methods of handling and caring for animals.

Copies of "My Reflections" for girls and "Who Me?" for boys, distributed by the New England Food and Dairy Council were given to all pupils of the Junior and Senior High Schools, accompanied by documentation by the physical education instructors. This health guidance was supplemented by a discussion by all junior and senior high school girls and the nurse regarding personal hygiene and nutrition.

"Home Care of the Sick," a Red Cross Course, is taught to all twelfth grade girls. Here is a fine opportunity for positive health

instruction along with teaching the manner in which to administer adequate care to the sick in the home.

Talks to the Elementary School Councils by the nurse regarding "The Responsibility of the School Nurse to your child and the Community" has served to broaden parental understanding of the purposes and functions of the School Health Program, and thereby has led to a more enlightened parent cooperation.

Class discussions concerning nutrition with special emphasis on the need for a substantial breakfast and a well-balanced lunch have helped to develop an understanding of the whys' and whats' of the diet we eat. Rewards of this approach have shown themselves in improvement of lunches carried by the children and an increase in the amount of milk consumed in the elementary schools. There is a long way to travel, however, before the improvement reaches a desired level. Some children continue to bring soft drinks. Amongst the junior and senior high school age group, many pupils drink no beverage with their lunches. It is reasonable to suppose that adequate lunchroom facilities with a comfortable area to place their lunches and relax while eating would do much to foster better habits.

Preventative

Nine first grade children were given complete Diphtheria, Whooping Cough, and Tetanus immunization and forty-three were given "booster" injections through cooperation with the Board of Health. Each year these figures decrease because family physicians encourage and educate parents to the need for this disease prevention during the first year of life.

All students in grades nine through twelve were given the opportunity for a free chest x-ray offered by the Middlesex Health Association. We were fortunate to have reported no diseases of or defects of the heart or lungs within this group.

Nine hundred and fifty-three pupils were examined by the school doctor for defects of eyes, ears, nose, throat, lungs, heart, skin, spine, and feet. Two hundred eighty parents were present at this examination by invitation. Of this number examined three hundred seventeen were found to have defects of a major or minor nature. Only one third of these defects were reported by parents to have received treatment or supervision by professional medical personnel. Here lies unmistakeable evidence of the great need for establishing an understanding amongst parents and children that all physical defects warrant attention and correction when possible in order to insure health and happiness for school children as well as for a productive and well-adjusted adult population.

Pre-School Clinic was held in May in order to detect any fects which retard school work and normal growth and development and to encourage prompt correction of any abnormalities by the family physician. Only nine pre-school children were examined by the school doctor. The other prospective first graders were evaluated by their family doctor who maintains a more comprehensive knowledge of the health status of the child. At the time of registration for school, the nurse had opportunity to interview parents and thereby acquire a better understanding of the social, emotional, and physical history of each child, facts which are

added to the accumulative health records.

When School Health Programs first came into existence, all pupils were weighed and measured monthly. We now realize that there are several other avenues of approach to sound health practices which better warrant the time and efforts of health personnel. Children are now weighed and measured yearly. Any who are gaining too slowly or too rapidly are observed and checked throughout the year. In addition, there is a parent, nurse, teacher, and pupil conference for the purpose of adjusting dietary practices. Formerly, attention was directed only to the under-weight youngster. We now appreciate the social and physical handicap of the over-weight individual as well. During this year, three children were placed under medical care for the correction of obesity.

The vision of six hundred three pupils was examined by means of the Massachusetts Vision Test. One hundred fifty-one were discovered to have less than normal vision. Only fifty per cent of notices sent to parents were returned to denote that responsibility had been assumed for supervision of these children's eyes. Cooperation was lowest amongst ninth and twelfth grade pupils. Here again we are faced with the need for better educational devices necessary to interpret the great importance of accurate vision to the school child. Wherever financial barriers to corrective measures were revealed, funds from the Salvation Army Fund were available for care and equipment.

Classroom inspections by each teacher are a vital preventive measure. The teacher whose close contact with pupils enables him or her to best observe untoward symptoms or behavior, is an invaluable aid in selecting those who require supervision, exclusion from school, or medical attention.

Dental services were provided by the Board of Health through its excellent working relationship with the School Department. It operates on the theory that all first teeth must be kept in good condition as long as they remain in the mouth; that the health of the child is related to the health of the teeth and gums. Children in grades one, two, and three, and emergencies amongst other elementary school pupils upon written request of parents, were given corrective treatment by Dr. Paul Fitzgerald, Board of Health dentist. The facilities of Forsyth Dental School were also available for cleanings and fillings of pupils up to twelve years of age. Each week thirty-five to forty-five children made this trip to Boston under the direction of Mrs. Edith Hersam, Board of Health nurse. No provision for dental supervision or treatment for junior and senior high school pupils has been made other than observations and recommendations by the school doctor at the time of physical examination.

Sanitary inspection was the joint responsibility of the School Nurse and School Doctor. Conditions were found to be satisfactory in all schools other than the Junior-Senior High School. Several of the drinking fountains have outmoded vertical streams. At certain periods of the day water pressure is too low to produce more than a half inch ejection of water which means pupils put their lips in direct contact with the mouthpiece.

There are only twelve toilets for four hundred forty-six girls. The recommended number according to sanitary standards is three toilets for each fifty female occupants of the building. There are only four wash basins for the same number of girls.

Dishes used for serving food in the cafeteria are washed by hand.

Two hundred eighty-three home visits were made in homes of school children. These were conducted for any or all of these three reasons:

1. To obtain information regarding the child and their families and the interaction of each
2. To render health service
3. To offer health education to the family

These are some of the situations which challenge the nurse:

1. Frequent absences
2. Nutritional problems
3. Need for correction of defects
4. Communicable diseases
5. Behavior difficulties
6. Emotional maladjustments
7. Chronic organ diseases
8. Personal hygiene

Home visits are of special importance to the community as well as to the welfare of the school children, as they are the media through which the school nurse becomes the connecting link between the home and the school.

The accomplishments of the School Health Program have come about through the co-operation of the total school personnel and parents. Only by such joint function and interest may the road be paved toward optimal physical, social, emotional, and mental health.

Respectfully submitted

DOROTHY I. HOPKINS, R.N.

Report of High School Athletic Association

The year 1952 has seen the Stoneham High School Athletic Association achieve a high record of accomplishment. Our athletic teams are reasonably well-equipped for efficient participation and personal safety. The deeds of our basketball, baseball, field hockey, and football teams reflect good coaching and achievement in good sportsmanship, and the number of students taking part speaks well for the pupils' appreciation of the valuable program offered.

Our hockey team of 1952 deserves special mention here since, in Coach Gordon's last year of many spent in Stoneham, it rose to heights of well-earned glory. The team reached the finals of the Massachusetts State Tourney at Boston Garden, and went on to finish third in the New England Tournament at Providence, Rhode Island in March. These events, as do all our athletic ap-

pearances, brought credit and prominence to our town and its high school.

The financial report for the year follows:

Explanation of Budget for 1953

I. GENERAL CONTROL AND INSTRUCTION

Summary of Instructional Salaries:		
North School	$28,988.00	
South School	31,710.00	
East School	22,955.00	
Emerson School	26,484.00	
Robin Hood School	28,190.00	
Additional teachers needed for elementary schools for 1953-54	2,400.00	
Junior High School	68,140.00	
Senior High School	94,170.00	
Assistant Coaches	1,350.00	
Supervisors and Special Teachers	25,279.00	
Administration	15,220.00	
Evening School	1,600.00	
Substitutes	3,850.00	
		$350,336.00

The difference between this total of $350,336.00 and the figure of $322,128.00 for instructional salaries submitted to you last year is $28,208.00. The break down of this difference is as follows:

$342,640.00	Salary account for the school year 1952-53.
322,128.00	Amount in 1952 budget for calendar year.
$ 20,512.00	Difference between the above figures. It should be noted that when we submit our budget in December of each year for the following year, it is for the calendar year. It is also based on the salaries of the staff at the time the budget is made out. Every year, therefore, there will be such a difference.
$ 7,696.00	Step increments and additional services based on salary schedule for the calendar year 1953, although increments take effect in the school year 1953-54.
$ 20,512.00	Continuation of increments and extra teachers from 1952 affecting calendar year 1953.
$ 28,208.00	Difference between salary item in this year's budget and the budget submitted to you last year under instructional salaries.

The increases given to employees this year are based on regular increments. The salary schedule sent to the Finance and

Advisory Board with the 1952 budget is still in effect. No increases have been made in maximum salaries on the salary schedule but increases have been given to a few who are not on any salary schedule.

Books:		
Elementary Schools: 1280 pupils @ $3.25	$4,160.00	
Junior High School: 500 pupils @ 4.00	2,000.00	
Senior High School: 450 pupils @ 4.00	1,800.00	
Evening School	50.00	
		$8,010.00
Supplies and Other Expenses:		
Elementary Schools: 1280 pupils @ $3.75	$4,800.00

High School Graduation Exercises — Class of 1952

PROGRAM

Entrance of Graduates—War March of the Priests
(from Athalia) ..... *Mendelssohn*
High School Orchestra
Mr. Rolland Tapley, Conductor
(The audience will remain seated as the graduates enter the hall)
Class Marshals
Eleanor A. Ewing, Class of 1953
Robert W. Morse, Class of 1953
Graduation Hymn (the audience uniting) ..... *Hemy-Walton*

FAITH OF OUR FATHERS

1

Faith of our fathers, living still
In spite of dungeon, fire and sword,
O how our hearts beat high with joy
Whene'er we hear that glorious word!

2

Faith of our fathers, we will strive
To win all nations unto thee;
And through the truth that comes from God
Mankind shall then indeed be free.

3

Faith of our fathers, we will love
Both friend and foe in all our strife,
And preach thee, too, as love knows how
By kindly words and virtuous life.

Refrain

Faith of our fathers, holy faith
We will be true to thee till death.

Prayer
Rev. Zaferis A. Jeffery
Speech of Welcome
Frank A. Odlum, President
Address—This I Believe
Paul Berry
Fugue in D Minor (originally in E minor) ..... *Bach*
Orchestra and Organ
Presentation of MacDonald Medals to
Gail Anderson and Lawrence W. Scammon, Jr.
Miss Lydia Bagdikian
The MacDonald Medals, in memory of James Wallace MacDonald, Principal of Stoneham High School from 1876-1892, are presented for scholarship, character and good influence in the school.

PARK COMMISSIONERS REPORT

To the Citizens of Stoneham:

We herewith submit our report for the year 1952. The Board of Park Commissioners were organized in March as follows:

Edwin H. Frazier, Chairman.
Donald A. Lawson, Secretary.
William F. Wilson, Issuer of Permits.

The work for the year was carried on as in former years and included the care and maintenance of the Memorial Triangles, Town Hall lawn and flower beds, Parks and Playgrounds. These play areas were constantly in use and in addition to practice sessions the following special events were scheduled:

High School Ice Carnival at the Rink.
Rotary Carnival at Pomeworth Field.
Peace Mass at Recreation Park.
Bugle and Drum Corps Exhibition at Recreation Park.

Eight football games at Recreation Park.
Forty-two baseball games at Recreation Park.
Ten baseball games at Pomeworth Field.
Two softball games at Pomeworth Field.
Two (Girls) softball games at Pomeworth Field.
One hundred Little League ball games.
One hundred and fifty softball games.

Little League opened April 19 and played Monday through Friday until September 1. The department installed portable fencing of chain link which was a big improvement over the snow fence that was used last year. This fence was put up for every Little League game and taken down for the softball games which followed.

The Softball League commenced on May 12 and played two games each evening Monday through Thursday until September 12. The first game was played on Pomeworth Upper Field and the second under the lights on Little League Field each night.

Two new leagues of baseball were started this year. The Pony League sponsored by V. F. W. which was for youngsters just over the age for Little Leaguers and the other was the American Legion Juniors, who were of High School age.

The playground season was an eight week period commencing June 30 and ending August 22, 1952. In spite of a very hot summer the playgrounds were very well attended and the enrollment was well over 550 children. Swimming instructions were held at the MDC pool twice a week and were very well received during the heat. A large number of children learned to swim and others improved their strokes by attending these classes. Handicraft also was taught and the boys and girls enjoyed many happy hours while learning to make various useful articles. These articles included beadwork, leather work, weaving and painting. The articles were exhibited in the window of the Knotty Pine Store, the last week of the program.

Sports were played by both girls and boys and in competition with other playgrounds of Reading and Winchester, our teams showed themselves capable of defending the honor of the Stoneham Playgrounds. Each week there was a special event, usually on Thursday, and this was of great interest to the spectators as well as the participants: Talent Show at Steele, Play Day at Winchester, Pet Show, Play Day at Reading, Winchester has Play Day at Stoneham, Field Day at Pomeworth Park.

Field Day was the final day and started with a doll carriage parade, next there were field events such as 50 and 100 yard dashes, ball throwing, sack races, etc. The winners received prizes and then ice cream was passed out to each child. There were two bus trips, the first was to Fenway Park to see the Red Sox play the Chicago White Sox and the last week the boys and girls and some mothers enjoyed an all day outing to Wingarsheek Beach at Gloucester.

At Christmas, the Park Department had their reindeers, sleigh and Santa Claus on the lawn of the Town Hall. The evergreen trees were painted white and were a perfect background for the various colored lights.

Our recommendations for the coming year are:

The resurfacing of the Tennis Courts.

The purchase of a pick-up truck.

Seed and loam for Little League Park.

We have special articles in the Warrant to take care of these recommendations and hope that the Townspeople will vote in favor of them.

The Board of Park Commissioners wish to thank all the various Town Departments who have been so cooperative during the past year.

Respectfully submitted,
EDWIN H. FRAZIER, Chairman
DONALD A. LAWSON, Secretary
WILLIAM F. WILSON, Issuer of Permits
Board of Park Commissioners

REPORT OF PLANNING BOARD

To the Citizens of Stoneham:

The Planning Board organized for 1952 with Mr. Charles A. Owen as Chairman and Mr. Charles W. Farrow, Secretary. Mr. Russell C. Chase moved from Stoneham during the year, and the vacancy on the Board was filled by the election of Marcus V. Brewster at a joint meeting of the Planning Board and the Board of Selectmen. Mrs. Gertrude B. Mortensen continued to serve as the Board's efficient and capable office clerk.

Plans for development together with the required petitions were submitted and public hearings held thereon in accordance with the law as follows:

Cherry Avenue—Approved.

Christine Avenue—Approved.

Bear Hill Road—Approved.

Avalon Road Extension—Approved.

Public hearings were held on seven articles requesting changes in the Zoning By-Law, and the recommendations of the Board were made to the town under the provisions of the Statute.

A number of preliminary plans or sketches were submitted relating to new developments and the interested parties were advised as to the Planning Board's procedures and requirements.

Several meetings were held with the representative of the firm of Adams, Howard & Greeley, which prepared the planning survey known as "The Master Plan for the Town of Stoneham."

At the regular Town Meeting in March 1951, the Planning Board was authorized and directed to make a practical planning survey of the Town. That survey has now been completed and the report has been distributed to our citizens. It will be noted that a careful analysis of the existing facilities and potentialities of the Town has been made.

The Town of Stoneham has grown tremendously in the last decade. That growth, while welcome, has created problems in every phase of public service. How best they may be handled for the benefit of all the people will tax the wisdom and ingenuity of each citizen.

The report indicates the problems and at least one solution to each. As the problems arise, the Planning Board will present the solution which in its opinion, will be to the best interest of the Town. This report should not be considered a hard and fast set of rules which must be rigidly adhered to. Rather, it is a framework, sensibly devised, upon which we can, within the limits of our financial ability, build the Stoneham of the future.

It is to be particularly noted that the report deals in detail with the use of land, our population and economy, community facilities, Town finances, and finally the Master Plan proposals.

The proper answers to the problems presented and analyzed in the survey, will have a good effect upon the tax structure of the community and it is vital that every person interested in sound and orderly growth of the Town, read and re-read this report and keep it for future reference.

Presentation of a complete revision of the Zoning By-Law as advocated in the survey, at the Annual Meeting in 1953 was precluded by lack of time and funds. However, plans have now been made to hold public hearings as required by law in the near future and it is anticipated that the Town will be called upon to act on this important matter at a special Town meeting in the early fall of 1953.

In this connection, the Board would like to call public attention to the dangerous practice of "chipping away" at the Zoning By-Law at regular and special town meetings. This Board is of the unanimous opinion that no change should be made in the Zoning By-Law at any time, unless such change is initiated for the benefit of the Town as a whole. All too often in the past, the recommendations of the Planning Board, arrived at after serious study, are overturned at Town Meeting, and the people, too late find that the change was not in accord with logical development of the area.

The Planning Board believes that with the completion of the Survey Report and Revised Zoning By-Law, a respectable start has been made in the direction of good long range planning. It is our earnest hope that the citizens and town officers will continue to give us their active cooperation and support in this common effort which means so much to the present and future of our community.

CHARLES A. OWEN, Chairman
CHARLES W. FARROW, Secretary
CHESTER A. ROGERS
FOREST A. GONYER
MARCUS V. BREWSTER
Stoneham Planning Board

REPORT OF BOARD OF PUBLIC WELFARE

To the Citizens of the Town of Stoneham:

The Board of Public Welfare herewith submits its annual report for the year 1952.

The Board organized on March 1 as follows:

Chairman, Alton W. Estes
Clerk, Donald J. Morrison

Secretary, Thomas M. Hurley

At this meeting the Board voted to act as the Bureau of Old Age Assistance and organized as follows:

Chairman, Thomas M. Hurley
Clerk, Alton W. Estes
Secretary, Donald J. Morrison

The Board made the following appointments:

Agent Welfare Board, Daniel Cullinane
Supervisor Old Age Assistance, Daniel Cullinance
Superintendent of Infirmary, Klaus Dykstra
Matron Infirmary, Mary Dykstra

Meetings of the Board of Public Welfare and Bureau of Old Age Assistance are held in Room 16 on the first and third Thursdays of each month.

The activities of the Department are discussed and the policies of the Department are determined at these meetings.

The present personnel of the Department consists of an Agent, two Social Workers, and two Clerks. The Federal Government reimburses the Town for about 38 per cent of the Administration Expense including Salaries of the employees and the Board members.

The Town is also reimbursed for about 45 per cent of Old Age Assistance Relief and about 45 per cent of Aid to Dependent Children Relief by the Federal Government. These receipts are placed in a special fund to be used only by the Welfare Department. The State also reimburses for the same expenditures. Our Annual Budget request is reduced by the amount of Federal Funds anticipated to be received during the year.

Our applications for General Assistance declined during the year and unless employment conditions radically change during the next year, we do not see any change in our General Assistance program.

On November 1, 1951, a law creating a new category of Relief, "Aid to Disabled Persons," was passed and we were able to transfer three of our Welfare cases to this form of relief. We received three applications from other sources so that we have been carrying six cases in this category during the year 1952.

This form of relief is new and is not well known to the public up to the present time. The eligibility requirements are quite severe and therefore we do not see any great change during the next year in this form of Assistance.

The reimbursement formula for this form of Assistance is 75 per cent from the State and Federal government combined and the Town must assume 25 per cent. Settlement law does not apply in these cases.

Our Aid to Dependent Children program remained practically the same in 1952 as it did in the previous year. The load decreased slightly during the year and therefore expenditures were reduced.

The Board assumes responsibility for the operation of our Infirmary and has given this matter its close supervision during the year. The Superintendent and Matron are doing a good job and continue to keep the Infirmary operating on a businesslike basis.

A more detailed report will be found in the Superintendent's report.

The following schedules show the activity of the Outside Relief Department during the year:

Comparison of Welfare Relief Cases Aided 1951 - 1952

	1951		1952	
	Cases	Persons	Cases	Persons
January	28	76	20	54

Other	0	0	0
TOTAL	29	23	20

Aid to Dependent Children

We had a net loss of three cases during the year. We had 6 applications for aid and all were granted assistance. We closed 9 cases for various reasons. At the end of the year we only had 16 active cases.

In view of this decrease we were able to turn back to the Town about $4600.00 in unused Town Funds.

The Commonwealth and Federal Government reimburse the Town on about 79 per cent of the expenditures for relief and about 7 per cent on administration expense.

Eligibility regulations must be closely adhered to in order to get reimbursement from State and Federal Government.

The following Schedules show the activity and financial picture of this category of Assistance:

Analysis of Case Load

	Cases	Children
Cases pending and receiving Aid, Jan. 1, 1952	19	49
Cases received during year 1952	6	11
Total cases for the year	25	60

Less:

State Funds received 1952	9,280.02	
	$26,051.72	
Less Balance Federal Dec. 31, 1952	2,619.58	$23,432.14
Net Cost to Town		$ 4,908.88

Assistance for Persons Permanently and Totally Disabled

This category of Relief came into being through Chapter 741, Acts of 1951, and was in force as of November 1, 1951.

This act gives a special form of assistance to persons 18 years and up, citizens and non-citizens. It is administered in a manner similar to Old Age Assistance except that we get 75 per cent reimbursement from State and Federal Government. The Town assumes 25 per cent of expenditures as there is no settlement law in the act.

We have not had much activity in this category during the year. We received 3 applications and approved 2 and closed 1 case. Our case load remains the same as on January 1, 1952, 6 cases. The average cost per case is around $800.00 per year.

The following Schedules show the activity and the financial picture of this category of Relief:

Analysis of Case Load

Cases receiving aid January 1, 1952		6
Cases received during year 1952		3

		2,625.77
Net Cost to Town		$ 2,455.54

Helen Stockwell Fund

This fund was created by the late Helen Cowdrey Stockwell many years ago. The income from this fund can be used for hospitalization of any needy resident of the Town of Stoneham who is not receiving aid from the Welfare Department.

The Trust Fund is held and administered by the Boston Safe Deposit and Trust Co. The Welfare Department designates who is eligible for its benefits and approves the bills for payment by the Trustee.

Hospitalization must be in Stoneham Hospital by direction of her will. This means the New England Sanitarium and Hospital at present.

About two years ago the Trustees informed us that on May 19 of each year the balance left unused is to revert back to the principal. Therefore we are unable to say how much money was placed in the fund for our disposal.

This year the calls for use of this fund have exceeded the income and some cases have been unable to use it.

During the year we have hospitalized 11 cases with the benefit of the Stockwell Fund.

Cases Aided by Fund

Cases	Cause of Hospitalization	Hospital Days	Cost
2	Maternity	15	$ 253.60
2	Pneumonia	21	232.00
1	Ulcers	11	132.00

DONALD J. MORRISON, Clerk
THOMAS M. HURLEY, Secretary
Board of Public Welfare

Bureau of Old Age Assistance

To The Board of Public Welfare
Stoneham, Massachusetts
Gentlemen:

We herewith submit the twenty-second annual report of the Bureau of Old Age Assistance. This report is for the year 1952.

The Bureau met on March 1, and organized as follows:

Chairman, Thomas M. Hurley
Secretary, Donald J. Morrison
Clerk, Alton W. Estes

The Welfare Agent, Daniel Cullinane, was appointed Supervisor of the Bureau.

The Bureau has met the first and third Thursdays of each month during the year at which time applications and revisits were considered and acted upon and any other business necessary for the carrying out of this program was transacted.

Our visitors called at the homes of the recipients at least every six months and oftener if necessary. At that time cases are reviewed and grants are changed to meet changes in living conditions and legal status.

During the year we handled fifty-seven applications. This was about the same as in previous years but our closings and denials were somewhat higher so that eventually during the year our case load was decreased by fifteen cases. This decrease is accounted for by the fact that on January 1, 1952, the Lien law was put into effect whereby all recipients receiving aid on that date and any recipient applying thereafter must give the Town a Lien on their property and aid as of January 1, 1952 must be reimbursed to the Town from the property at the time of the closing of the case.

Also in October, the Social Security Bureau granted a substantial increase to all recipients of record. This is deducted from the Old Age Assistance grant and in some cases the amount received was large enough to close the case.

The 1951 Legislature passed a bill increasing the minimum grant so that now persons living alone must receive at least $79.00 monthly and persons living in groups must receive at least $59.00 monthly. This law has tended to keep our expenditures up although our case load is below that of January 1, 1952.

The cost of Nursing Home care and medical attention in the home is a big problem in Old Age Assistance at this time and is giving us serious concern.

The following Schedules show the activity and financial picture of the Bureau for the year 1952.

Analysis of Case Load

Infirmary Report

To The Board of Public Welfare
Stoneham, Massachusetts
Gentlemen:

We herewith submit the annual report for the Town Infirmary for the year 1952:

Number of patients cared for to Dec. 31, 1952	22
Number of patients at present	18
Number of patient days	6555
Number of patients receiving medication	10

At the present time we have five bed-bound patients.

Upon authorization of admittance, each patient is given a routine physical examination by a physician of his choice. During the year all patients who were able to go to the Town Hall, were given a chest X-ray. The management at all times, tries to maintain a homelike and pleasant atmosphere for the patients.

The stock at this time consists of two cows, two 2-year-old heifers (which were raised on the farm), two hogs, and fifty laying hens. During the year we also raised seventy-five roosters and three hogs, which were slaughtered and consumed at the Infirmary. We also raised enough vegetables for our own use and to can 1250 quarts.

With the help of some of our patients we laid several new concrete sidewalks, a new entrance to the basement washroom, concrete floors in three garages, and a new concrete floor in a part of the barn. All this work was done for only the cost of the cement.

The interior of the building is badly in need of painting and a request is to be made for the necessary funds to do this work.

In behalf of the patients we wish to thank all the individuals

and organizations for contributing so much during the year. The gift of a television set at Easter time was greatly appreciated. The gifts of candy, ice cream, tobacco, etc., at Christmas time were very much appreciated.

We also wish to thank the Board of Public Welfare for their interest and co-operation and also our staff for their kindly interest and excellent performance of their duties in helping us to accomplish our task.

KLAUS DYKSTRA, Superintendent
MARY DYKSTRA, Matron

TRUSTEES OF PUBLIC LIBRARY REPORT

To The Citizens of Stoneham:

The Trustees of the Stoneham Public Library held a meeting in the Trustees' room at the Library, March 4, 1952 and elected the following officers for the year 1952-53: Chairman, Mr. Fred A. Lawson; Secretary, Mrs. Marjorie A. Patch; Financial Chairman, Mr. George E. MacNeil, Jr.; Building and Grounds Committee, Mr. Elbert R. Boyd and Mr. George E. MacNeil, Jr.; Music Committee, Mr. Alfred R. Johnson; Book Committee, Mrs. Nance B. Barnstead and Mr. Elbert R. Boyd.

In April, a Little League Trophy glass case ordered by the Trustees was delivered to the Children's Room of the Library. The Little League Baseball Trophy is now on permanent display there.

In May, the trustees interviewed and offered the position of cataloguer to Miss Solglad Burtch of Lexington. She accepted the position and started working shortly after the interview. Also, during the month, the trustees obtained an estimate from Mr. Howard Clinch of Reading and his recommendations for redecorating the library. After due deliberation it was decided in October to table the recommendation until the Spring of 1953.

During the year of 1952 the usual practice of allowing various organizations in Town to use Library Hall was continued and a number of local groups availed themselves of the opportunity.

Throughout the summer and fall the grounds around the library were colorful with varied flowers and shrubs and many complimentary remarks were given the trustees in regard to them. The trustees in turn expressed their appreciation to Mr. Fred Porter of the Park Department, who supervised the landscaping under the chairmanship of Mr. Boyd and Mr. MacNeil.

In September the trustees met at an adjourned meeting to discuss the resignation of Miss Susan Demery, librarian. It was with regret that the trustees accepted it, and on behalf of the board Chairman Fred A. Lawson thanked Miss Demery for her conscientious efforts at all times and for the very efficient manner in which she handled the affairs of the library during her term as librarian.

At a second adjourned meeting in September it was voted unanimously by the trustees that a member of the board, Mrs. Marjorie A. Patch, be appointed acting librarian to serve in an administrative capacity in this emergency and to represent the trustees in the conduct of the affairs of the library upon termination of Miss Demery's services.

Mr. Johnson was authorized to contact the Division of Public Libraries regarding the availability of a librarian as a replacement for Miss Demery.

At the board meeting the same month, Mr. Lawson read a letter from Miss Demery stating that she had received the resignation of Mrs. Lauretta A. Wade from the library staff to take effect November 1. It was voted unanimously to accept Mrs. Wade's resignation, and Chairman Lawson stated in a letter to Mrs. Wade that her services had been satisfactory in every way and expressed appreciation of her work on the staff and regret at her resignation.

Mrs. Patch resigned as a library trustee as of October 31. Mrs. Nance B. Barnstead was named secretary of the board to replace her. Mr. Johnson reported progress on the matter of obtaining a new librarian and several applicants and their credentials were thoroughly discussed at great length.

In December, after discussion at previous board meetings regarding a major repair job on the roof of the library, it was voted to proceed with the work according to specifications approved by the Finance Board.

At the request of Mr. Johnson, an interview was arranged with Miss Frances Sanford for the position of librarian. On Sunday, December 7, at a special meeting of the entire board, the interview was held with Miss Sanford of Meriden, Connecticut. At the conclusion of the meeting she was offered the position of librarian. After a delay of approximately three weeks Miss Sanford decided that personal conditions prevented her from accepting the position.

At a joint meeting of the Public Library trustees and the Board of Selectmen it was unanimously voted to appoint Mrs. Kathryn A. English to fill the unexpired term as Public Library trustee.

The latter part of December, Mr. Donald Nims, assistant librarian of the Rochester, New York, Public Library, applied for the position of librarian. After conferring with the trustees, Mr. Nims was engaged as librarian to start his duties as of March 1, 1953. The library trustees are looking forward to working with Mr. Nims and are confident that he will be received favorably by the citizens whom he will serve.

The library trustees express their appreciation at this time to former librarian, Miss Susan Demery, and to acting librarian, Mrs. Marjorie Patch. The trustees are especially grateful to Mrs. Patch for all of her help and loyalty and for taking charge of the affairs of the library so efficiently at a difficult time and until the services of a new, trained librarian could be obtained. The library staff is also to be highly commended for their loyalty and cooperation during the year.

FRED A. LAWSON, Chairman
NANCE B. BARNSTEAD, Secretary
ELBERT R. BOYD
ALFRED R. JOHNSON
GEORGE E. MacNEIL, JR.
KATHRYN A. ENGLISH

Report of Librarian

To the Trustees of the Stoneham Public Library:

I present the 93rd annual report of the Stoneham Public Library for the year ending December 31, 1952.

During the past year a total of 1505 new books have been added to the Library, 927 in the Adult Department and 578 in the Junior Room; 852 of these being fiction and 653 non-fiction. At the close of the year we had a total registration of 5377 people holding borrower's cards to whom 84,571 books, pamphlets, magazines and pictures were loaned plus a total of 238 record albums from the Music Library. The Library was open to the public 296 days in 1952. We have collected and paid to the Town Treasurer $716.45 in book fines.

In the Junior Room the attendance at Story Hours held twice weekly by Miss Margaret Golding, Children's Librarian, was 1355 with parties held for the children attending regularly in June and at Christmas. Miss Golding also conducted classes for 395 pupils from the lower grades instructing them in the use of the Library facilities. Special displays and programs were held in the Junior Department for the "Spring Book Festival" and "Book Week."

As has been done in the past assortments of books have been kept at the Home for Aged People and the Inter-Library Loan has been carried on, borrowing books from out-of-town Libraries for our patrons and Stoneham lending in turn to these other Libraries.

The work of recataloging the Library has gone on in the past year with the work now completed with the exception of a few books in the Reference Room and the non-fiction in the upstairs stacks.

Miss Solglad Burtch, our cataloguer, is proceeding with this work that was originally started by Miss Susan Demery and then carried on by Miss Agnes Rennie who resigned late in 1951 to go to Harvard.

The Library has had many gifts of books and periodicals during the year, some presented by private citizens and others by organizations. These add considerably to the stock and are always greatly appreciated.

In September Miss Susan Demery who had served as Librarian for the past several years resigned to take a position in Rhode Island near her home and family. Miss Demery's work during her stay in Stoneham had been most efficient and she has been missed by her many friends.

The present Staff is as follows: Mrs. Marjorie A. Patch, Acting Librarian; Miss Margaret Golding, Children's Librarian; Miss Solglad Burtch, Cataloguer; Miss Jean Nuzzo, Miss Suzanne Steele and Mrs. Ethel Gramstorff, part-time assistants; and Mr. Henry J. Wetzler, Custodian.

The Staff wishes to express their thanks to the Board of Trustees for their cooperation, assistance and advice during the past year of 1952.

Respectfully submitted
MARJORIE A. PATCH, Acting Librarian

REPORT OF BOARD OF SELECTMEN

To the Citizens of Stoneham:

At the annual election held on Monday, March 3, 1952, Fred A. Schneider, Frank M. Geremonte, Edwin H. Lombard, Donald J. Morrison and John E. Finnegan were elected Selectmen for the ensuing year.

On the following night the Board met and organized as follows: Mr. Schneider, chairman; Mr. Lombard, vice-chairman, Mr. Geremonte, secretary; Mr. Finnegan, disburser of veterans' benefits.

Robert D. Callahan, Esquire, was re-appointed Town Counsel, and Winthrop A. McCarthy was re-appointed clerk of the Board. Daniel Cullinane was re-appointed as a member of the Registrars of Voters for a term of three years. Board of Appeal members appointed for three year terms each were Charles M. Kenney and Paul E. Houghton. Paul A. Eade and Leonard F. Marr were re-appointed as associate members of the Board of Appeal for a term of one year each. Other appointments for one year follow: Clarence E. Lent, inspector of veterans' graves; Percival H. Wardwell, superintendent of moth work; Henry T. Meegan, inspector of animals; Thomas H. Graham, inspector of leather; J. Algernon Forbes, sealer of weights and measures; John M. Roach, town weigher; Bernard H. Corbett, building and wire inspector; William Curran, director of veterans services; John C. Nelson, field driver and lockup keeper; William E. Crosby, forest warden. Albert J. Duff resigned as dog officer and the Board unanimously appointed Garvis C. Young.

During the past year the Selectmen retired Deputy Fire Chief William J. Plummer and Police Sergeant Dennis L. McKinnon for disability reasons in accordance with provisions of Chapter 32 of the General Laws. Deputy Chief Plummer had served the Town for 42 years, having been appointed to the Fire Department in 1910. Sergeant McKinnon had 41 years service in the Police Department having been appointed a special officer in 1911.

Your Board was advised by the New England Fire Insurance Rating Association that the Town of Stoneham had been elevated from Class "C" to Class "B" rating for fire insurance purposes on both buildings and contents. Deliberations to accomplish this change began several years ago and finally became fact during the past year. It is estimated that savings to home owners will approximate $11,000.00 per year.

Six new firemen were added to the Fire Department in 1952 bringing the permanent fire fighting force up to the complement of 21 men. The new firemen appointed were: James Bowman, Albert J. Duff, George Grafton, William Hannaford, Clarence Malonson and John Marshall. In the Police Department Robert W. Burns and William McNulty, Jr., were promoted from the reserve list to the permanent ranks, and Patrolman Robert D. O'Melia returned from the armed forces and was immediately restored to active duty.

Early in the year your Selectmen were advised that a bill had been introduced into the Great and General Court proposing to assess a portion of the Metropolitan Transit Authority deficit on

fourteen so-called "fringe" towns and cities of Greater Boston, including Stoneham. At a special meeting of the Selectmen, it was voted to strongly oppose this proposed legislation. Requests were forwarded to our representatives and senator for them to be recorded in opposition to the bill. The proposed legislation was not enacted.

On August 12, 1952, the Board adopted a resolution extending rent control in Stoneham until June 30, 1953, which control was due to expire on September 30, 1952. Subsequently the Great and General Court enacted a law providing for a special referendum on the question to be held on the day of the State Primary, September 2, 1952. The action of the Board was upheld by the citizens of Stoneham who voted to extend rent control in this town by a vote of 1248 in favor against 754 opposed.

During the past year the Selectmen made a survey of available sites for the disposal of ashes and rubbish. It was found that suitable sites are either non-existent, inadequate or undesirable for dump sites due to location or other reasons. With this problem in mind your Board contacted officials of surrounding cities and towns to ascertain their views on the matter of incinerator disposal either maintained by the Metropolitan District Commission or by the communities jointly. The Mayor of Woburn, the Selectmen of Reading and your Board met and held a lengthy conference on this matter. The problem of surrounding communities does not seem as acute as ours, but it will not be too long before Stoneham must make different arrangements for disposal of rubbish and probably of garbage as well.

The financial report of the Town shows record surplus accounts of more than $440,000.00. Largest is the Excess and Deficiency Account of $345,799.85, of which the Commissioner of Corporations and Taxation has certified the amount of $287,728.60 as available free cash. The available water surplus as of December 31, 1952 amounted to $85,003.65. The Town's cash balance as of December 31, 1952 was $682,833.19, largest in the history of the town. The town's debt of $992,000.00 also is largest in the town's annals. Present indications are that it will increase in the near future rather than decrease. The debt limit, as fixed by law, is $1,044,598.00. Eliminating all debt outside the debt limit, so-called, the town's borrowing capacity on January 1, 1953 was $400,000.00 or $30,000.00 less than last year.

In conclusion the Selectmen wish to take this opportunity to express thanks to all town officers, boards and committees for their assistance and cooperation in the administration of town affairs during the past year.

Respectfully submitted

FRED A. SCHNEIDER
FRANK M. GEREMONTE
EDWIN H. LOMBARD
DONALD J. MORRISON
JOHN E. FINNEGAN
Selectmen of Stoneham

Report of Police Department

To the Honorable Board of Selectmen
Town Hall
Stoneham, Massachusetts
Gentlemen:

I hereby submit, as Captain of Police for the Town of Stoneham, the following report for the year ending December 31, 1952.

The regular members of the Police Department are: Captain J. Clarence Nelson, Lieutenant William H. O'Toole, Sergeants, Dennis L. McKinnon, Andrew J. Tuney and Robert H. Bradley; Patrolmen George J. McDonough, George N. Savard, Walter R. Burns, Bernard C. Vacon, Andrew J. Tuney, Jr., Edward F. Geary, George R. O'Brien, Fabian S. Koprek, Paul C. Ewing, Robert D. O'Melia, George C. MacDonald, Robert W. Burns and William F. McNulty, Jr.

Reserve Officers

Dominic A. Lucci, Andrew J. Keane and John F. Matthews.

Temporary Officers

George E. Allin and John T. Jordan.

Traffic Directors

Dana Batchelder, Alfred H. Murphy and Roy K. Wentworth.

On December 17, 1952, Sergeant Dennis L. McKinnon was retired and on December 19, 1952, was reappointed to July 1, 1953.

The demands upon the department for special services in the interests of the citizens are constantly increasing. The Stoneham Police Department is a community service as well as a law enforcement agency. It is the guardian of your property and welfare.

When law breakers infringe upon your security, it is the department's main function to provide protection of life and property and to apprehend the criminal. Equally important too, is the obligation and desire of the Police Department to continue its work in the prevention of crime.

The Captain of Police desires at this time to express his appreciation for the cooperation extended to him by the various Town Departments and the citizens of the Town.

Respectfully submitted,

J. CLARENCE NELSON
Captain of Police

Report of Fire Department

To the Honorable Board of Selectmen:

Gentlemen:—The following report of the Fire Department for the year 1952 is respectfully submitted.

The department answered 512 alarms in the past year of which 103 were bell alarms (14 of which were false alarms) and 409 still alarms, including 26 Inhalator cases.

There were used at fires during the year 12,950 feet of 2½ inch hose 5,775 feet of 1½ inch hose, 37,825 feet of booster line hose, 2,057 feet of ladders, 13 soda and acid extinguishers, 300 pounds of Carbon Dioxide Gas and 2700 feet of Oxygen.

The amount of property endangered by fire was $321,505.00.
The amount of property lost by fire was $21,681.20.
The amount of insurance paid was $19,606.20.
The net loss for the year was $2,075.00.

During the year there were 61 complaints received which were investigated by the department, some of these with the cooperation of the State Fire Marshal's office and our local Building and Wire Inspector.

There have been 294 oil burner inspections, 9 Liquified Petroleum Gas inspections, 118 store inspections and 28 inspections of our local industries, made during the past year.

Regular inspections have been made of all Schools, Nursing Homes, Homes for the Aged and the New England Sanitarium and Hospital.

Fire drills were conducted by the department at regular intervals in all the public and private schools during the year.

During the past year all the members of the department have had to attend classes and drills, so that they will be informed of the most progressive methods of fire-fighting. These drills were held under the supervision of Captains William F. McCall, Jr. and Henry J. Crosby, both members of our department, who have been approved by the State Board of Education as Drillmasters.

The motor equipment consists of a new 750 gallon Seagrave pumping engine with an auxiliary pump capable of delivering up to a thousand pound pressure for use as a fog pump, a 750 gallon Seagrave pumping engine, a 600 gallon Seagrave pumping engine, a 200 gallon pumping engine equipped with a 200 gallon booster tank, two 300 foot booster line reels and 1800 feet of 1½ inch hose, a 65 foot Seagrave Junior Aerial ladder truck, a Nash chief's car and a Ford service truck for fire alarm use.

I recommend the purchase of a new Chief's car and that serious consideration be given in regard to the purchase of a service and rescue truck, so that the department may operate more efficiently.

I recommend that five more fire alarm boxes be added to the fire alarm system which is in very good condition at the present time.

I again want to call to the attention of your Board and to the citizens of the town, the rapid growth and development of the north section of the Town and if you feel it necessary, to acquire land for the future erection of a station in this section.

I have met with your representative of the Board of Selectmen, Mr. Edwin H. Lombard, Supervisor of the Fire Department, at least once a week during the past year. All problems and expenditures of the department have been thoroughly discussed with him during these meetings and again I wish to take this opportunity to express to him my sincere thanks and appreciation for his cooperation and interest in dealing with the problems of the department in a satisfactory manner for the best interest of the Town and the Department.

In concluding this report, I wish to express my thanks and appreciation to all of the town officials, departments heads, the officers and members of the Fire Department, and the citizens of the town, for their cooperation and assistance during the past year.

Respectfully submitted,

WILLIAM E. CROSBY

Chief of Fire Department

Report of Superintendent of Public Works

To the Honorable Board of Selectmen:

I submit herewith my annual report for the year 1952 as Superintendent of Public Works:

I believe that the Board as well as the citizens of the Town will be amazed at the amount of work accomplished by my Department in 1952, as shown in the body of this report. While there was no large concentration of house building in any one locality, the number of houses built throughout the Town was greater than in the previous year, as shown by the increase in the number of sewer and water services installed. I call your attention in particular to the work accomplished in new sidewalk, new edgestone, and street construction. I am happy to state when bids were taken on sewer, water, and street construction, as voted at our Annual Town Meeting, that in every case our prices were considerably lower than the prices bid by contractors. I think that it is significant that the builders and developers for whom we have been doing work have not questioned our costs.

Sewer Maintenance

The sewer pumping station at Upland Road was given a complete cleaning and painting job. Floors, walls and ceilings were repainted on the inside, and window sash and trim repainted on the outside of the station. The sewer pumping station on Elm Street was also repainted. Extensive repairs were necessary on one of the large electric motors at the Upland Road Station, as well as some electrical work of a minor nature.

The sewer mains in the old portion of our system were rodded and cleaned during the course of the year.

House sewer services are also maintained with the funds raised under this appropriation. Nine sewer main stoppages occurred during the year. These are usually caused by roots getting into the pipes along the older sections of our system.

Sewer Services

One hundred and twenty two (122) new sewer services were installed in 1952. This brings the number of active sewer services in our system to 2634. In the past five year period we have installed a total of 542 new sewer services.

Sewer Construction

The following sewer main extensions were constructed during 1952 under the Sewer Betterment Act:

Campbell Road—766 ft. of 10" V. C. Pipe.

Campbell Road (Easement)—162 ft. of 6" V. C. Pipe.

Franklin Street—113 ft. of 8" V. C. Pipe.

Girard Road—132 ft. of 8" V. C. Pipe.
Lucy Street (Easement)—184 ft. of 6" Transite Pipe.
North Street—432 ft. of 8" V. C. Pipe.
Oak Ridge Road—186 ft. of 8" V. C. Pipe.
Sunrise Avenue—650 ft. of 8" V. C. Pipe.
Washington Ct.—233 ft. of 8" V. C. Pipe.
Windsor Road—54 ft. of 8" V. C. Pipe.
A total of 2912 feet, or .552 miles of sewer mains were laid.

Engineering

This branch of the Department prepares preliminary plans and estimates for construction and maintenance projects, establishes lines and grades for the construction of the same, and finally makes a record survey of the project as built. Plans showing the location of the sewer service and water service to each house in Town were kept up to date. Street numbering plans were made for the Board of Selectmen. Several plans and advice of an engineering nature were given to other Town Departments. Considerable time was spent on the street construction jobs as well as the sewer construction projects.

Snow and Ice

There were 17 snow storms during the 1951-1952 snow season. The fall varied from a light dusting to an 8" fall, the latter occurring on February 18, 1952. There was one 7" fall, three 5" falls, and two 4" falls. The total snowfall for the season was 49.5 inches. 91 tons of rock salt were used as well as 1169 tons of sand.

Sand boxes were placed in 23 different locations. Snow fences were erected to prevent drifting of snow across the highways in various locations. We have not purchased any snow fence for many years, so that which we do have is in very poor condition, and we will have to purchase some next year. All plows and equipment damaged while plowing snow were repaired in our own shop.

Street Signs and Beacons

A contract was let in the late fall for the purpose of installing new duct and cables, and reconditioning of the traffic control equipment at the intersection of Main and Elm Streets in the amount of $1990.00. This will correct a condition that has plagued the Police Department after every heavy rain storm for several years. The duct and cables were in such poor condition that the excess moisture would cause the lights to function erratically. A contractor was hired to paint the traffic lines on Main Street and Green Street. School crosswalks, stop lines, and warning signs elsewhere in the Town were painted by men of the Department. 72 street signs were taken down, repainted, and then put up again by men of the Department. 19 new parking signs and posts were erected. 12 new street signs and posts were erected, as well as a number of "Go Slow—Children" signs.

Highways

Surface treatment of our roads with asphalt and pea stone was carried on again this past year. The pea stone is rolled into the asphalt while it is still hot. This type of surface treatment, called armor coating, is far superior to the old method of sand and

tar. 64,270 square yards of road surface were treated in this manner. Short lengths of hot top were laid on three different streets for a total of 3,977 square yards. 338 tons of cold patch were used to keep our roads as free as possible from pot holes. A power street broom was hired to help us in our annual spring clean-up.

Drains

An 18" Plain Concrete Pipe drain was laid from Washington Street through Washington Court to Prospect Street to connect to the drainage installed around the Veteran's Housing Project on Prospect Street and Washington Avenue last season.

An 18" Plain Concrete Pipe drain was laid from a point 85 feet south of Governor Road, across Governor Road and private land, to Westwood Road. Catch basins and manholes, together with connecting lengths of 12" pipe, were constructed on both Governor and Westwood Roads to tie into the main pipe. This drain will relieve a bad drainage condition in this vicinity that has been a constant source of trouble to the houses in the neighborhood.

A contractor was hired to clean out a drain on Hill Court and one on Park Street that was completely filled with sand and debris. Both of these stoppages were caused by roots getting into the pipes. It was necessary to use power winches to clean out the pipes.

The following drains were constructed:

100 ft. of 12" Plain Concrete on Franklin St. opposite Perkins Street.
20 ft. of 8" V. C. Pipe and 1 Catch Basin on Collincote St. at the North School.
72 ft. of 10" V. C. Pipe on Governor Road and 1 Catch Basin.
175 ft. of 12" Plain Concrete Pipe and 2 Catch Basins on Governor Road.
21 ft. of 12" R. C. Pipe on Governor Road and 1 Catch Basin.
368 ft. of 18" Plain Concrete—Governor Road to Westwood Road, 3 manholes and 2 catch basins.
407 ft. of 18" Plain Concrete on Washington Court to Prospect St., 2 Manholes.
39 ft. of 18" Plain Concrete on Westwood Road, 1 Catch Basin.
53 ft. of 12" Plain Concrete on Park St., 1 Catch Basin.

Drains were cleaned on Stevens Street, Summerhill Street, and Pine Street (under the RR tracks to Recreation Park). The culvert under Hersam Street was cleaned and also repaired in the rear of #20 Hersam Street.

Street Construction

Myopia Road, accepted at the March, 1951, Town Meeting, from Sherwood Road to Governor Road, was completed with the installation of drain pipe and catch basins at the Governor Road end of the job, and by the laying down of a strip of hot top about 100 feet long, also at the Governor Road end of the job.

Merrow Lane, accepted at the March, 1951, Town Meeting, was completed. Some grading, loaming, and seeding was necessary in order to complete the work started in 1951.

Cherry Avenue, accepted at the March, 1951, Town Meeting, was completed by the installation of granite curbstone, and the laying of the 2½" hot top road surface. The necessary drainage work was completed during the 1951 construction season.

Avalon Road, accepted at the March, 1952 Meeting was completed with the installation of granite curbstone and a 2½" hot top surface on a rolled gravel base. Some drainage construction was necessary at Windsor Road. Only one abutter wanted a new sidewalk and this was constructed.

Hampton Road, accepted at the March, 1952 Meeting, was completed with the installation of granite curbstone and a 2½" hot top surface, on a rolled gravel base. Three abutters wanted new granolithic sidewalks, and these were constructed.

Windsor Road, accepted at the March, 1952, Meeting was not completed. Several sidewalks will be constructed in 1953, and the grass plots graded and seeded. Granite curbstone was installed, all necessary drain pipes laid, necessary catch basins were built, and a 2½" hot top surface laid on a rolled gravel base.

Gerald Road, accepted at the March, 1952, Meeting was not completed. Granite curbstone was installed, and a 2½" hot top surface was laid on a rolled gravel base. Granolithic sidewalks were constructed on both sides of the street. Loaming, fine grading, and seeding will complete the job in 1953 as a part of our Spring work program.

Girard Road, accepted at the March, 1952, Meeting, was not completed. Granite curbstone was installed, and a 2½" hot top surface was laid on a rolled gravel base. Some sidewalks were constructed. A number of sidewalks must be completed, and the grass plots loamed, graded, and seeded in 1953.

Raymond Road, accepted at the March, 1952, Meeting was completed. Considerable ledge was encountered in the construction of the road. This ledge, while very hard, was full of seams from previous blasting, and did not break up cleanly. It was necessary to reblast two and three times. A 2½" hot top surface was laid on a rolled gravel base. A hot top burm was constructed on both sides of the street to keep the water from washing away the shoulders of the road on the steep grade.

Road Machinery

All costs for operating and maintaining motor vehicles and machinery is charged to this account. All major repair jobs as well as minor service jobs were made in our own shop. The greasing and changing of oil in equipment of all kinds is also done in our shop. We also inspect and issue equipment inspection certificates for our vehicles, as our shop has been approved by the Registry of Motor Vehicles.

The Purchasing Committee authorized under Article 49 of the annual Town Meeting selected an Allis-Chalmers crawler tractor-shovel dozer, which was delivered in May of 1952. This same Committee also selected an International 2½ ton dump truck which was delivered on August 4, 1952.

The Purchasing Committee authorized under Article 50 of the annual Town Meeting selected a 3½ ton Mack Chassis and a

15 cubic yard Gar Wood load packer body for the collection of ashes and rubbish. This unit was delivered on June 23, 1952.

Chapter 90 Maintenance

We had $3000.00 to work with in 1952 for the maintenance of our Chapter 90 Roads. The State gave $1000.00, the County $1000.00 and the Town raised $1000.00. Pond Street was surface treated with asphalt and pea stone from Summer Street to Wilson Road. Franklin Street was surface treated from the Melrose Line to the vicinity of Plaza Avenue by a "mixed in place" job, so called.

Chapter 90 Construction

The reconstruction of William Street was continued. We asked the Mass. Dept. of Public Works to let this job out to bids, but in the late fall we were told that the Town would have to start the job with its own forces or forfeit the money allotted to Stoneham for 1952. We excavated the old roadway, put in new gravel, and rolled and oiled this gravel within the limits of the project. Next Spring, crushed stone covered with a hot top surface will complete the job. We would like to complete the street to the Woburn Line in 1953.

Sidewalk and Edgestone Construction

The money raised under this appropriation is used entirely for new construction. Ten projects called for the construction of new hot top sidewalks, a total of 583 square yards. Twelve projects called for the installation of granite curbstone for a total of 970 lineal feet. There were 14 granolithic sidewalk projects for a total of 874 square yards. We have a list of 23 projects for the 1953 construction season and it is our hope that sufficient money will be appropriated at the Annual Town Meeting to complete them.

Tar Sidewalk Reconstruction

This special article enables us to repair old tar sidewalks in various parts of the Town. Three sections of walk were repaired on Gould Street, three sections on Winter Street, a short section on Pine Street, a short section on Cowdrey Street, several patches on Union Street, a section on Hancock Street from Main Street to Spencer Street, and sections on Linden Street, Warren Street, and Gerry Street. A number of patches were made on Main Street, and in various other places.

Guard Rails and Barriers

Several sections of wooden guard rail were replaced with new posts and planks. All of the fences were inspected, repaired, and repainted where necessary. It was necessary to repair guard rails in four locations damaged by motor vehicles running off the traveled ways.

Disposal of Ashes and Rubbish

The amount of money spent on the collection of ashes and rubbish increased again this year. Relatively few people are now burning their papers and cartons. This has added a considerable amount of work to the Department. In addition to that, 157 new houses were added to the collection system. The new Mack

truck with the Gar Wood Loadpacker body was delivered on June 23 and has been of great help, as it is necessary to send out two ash trucks three days each week. There were 3172 truck hours and 10,101 man hours spent making these collections. The trucks traveled a total of 7790 miles.

My Department has charge of the Town Dump on Spring Lane. A man is employed full time to take care of the dumping area and to keep fires under control. It is necessary to send a bulldozer to the dump each week in order to keep the surface level and push the excess over the edge of the dumping area.

Sidewalk Maintenance

Sidewalk repairs were made on Main Street in the Square and in front of the Savings Bank and the Post Office. A small portion of the funds in this account must be saved to take care of pot holes and washouts that develop in our dirt and gravel sidewalks. The remaining portion is spent repairing old tar concrete sidewalks. We have so many walks in poor condition that it is always a problem to know which ones to repair first, as our limited funds could be spent very quickly.

Water Services

The Water Department was busy from early Spring to late in December installing new, and relaying old water services. 166 new services were installed and 77 services to old houses were dug up and relaid with copper tubing. We now have a total of 3523 meters in service and a total of 3496 active services. To indicate how our Town is growing, we have installed 699 new services during the past five year period.

Water Maintenance

Six water main breaks and miscellaneous service leaks within the limits of the highway were repaired during the year. We had a water main break on High Street at Waverly Street; on Elm Street opposite Norval Avenue; two breaks on the Columbus Avenue main at Isabella Street; and two breaks on the Elm Street main near Main Street. We checked the number of hydrants and find that we now have a total of 326 fire hydrants in service. All fire hydrants were inspected twice during the year. Meter testing and repairing were carried on throughout the year. All meters in service were read twice during the year. Service pipes were relaid from the main to the sidewalk line at old houses on streets that were rebuilt in 1952. We also ran the service pipes into all vacant lots along these streets in order to avoid tearing up the new surfaces.

Water Construction

Twenty-one projects were constructed in 1952 under this appropriation. Our water main system was strengthened by the constuction of two projects recommended by the Fire Underwriters. A connection was made on Pond Street from Campbell Road to the M. D. C. 24" pipe in South Street. There is a gate in this line that can be opened in case of emergency and provides the Town with another source of supply if our two metered lines should fail or be disabled in some manner by enemy action. The

second project was the construction of a 12" line of pipe on William Street from opposite #358 to Girard Road. The existing 12" line on Girard Road was extended to Forest Street. A new 12" line was constructed on Forest Street from Girard Road to Elizabeth Road. This area of the Town is now fortified by a 12" line of pipe from Main Street to the Woburn Line.

The following projects were constructed in 1952:

Campbell Road—727 ft. of 8" CI Pipe, 1 hydrant, 1 6" Gate.
Campbell Road (Easement) 150 ft. 2" Cement Lined Pipe.
Cherry Ave. Extension—368 ft. of 6" CI Pipe, 1 hydrant, 1 6" Gate.
DeWitt Road—59 ft. of 6" CI Pipe, 1 6" Gate.
Elizabeth Road—368 ft. of 8" CI Pipe, 1 8" Gate.
Fairview Road—187 ft. of 8" CI Pipe.
Forest Street—(Part 1) 272 ft. of 12" CI Pipe.
Forest Street (Part 2)—283 ft. of 12" CI Pipe, 2 12" Gates, 1 hydrant, 1 6" Gate.
Forest Street (Part 3)—389 ft. of 12" CI Pipe, 1 12" Gate.
Forest Street (Part 4)—304 ft. of 8" CI Pipe, 1 hydrant, 1 6" Gate.
Girard Road—(Part 1) 160 ft. of 12" CI Pipe.
Girard Road—(Part 2) 225 ft. of 12" CI Pipe, 1 12" Gate.
Gerald Road—45.6 ft. of 2" Cement Lined Pipe.
High St.—452 feet of 6" CI Pipe.
Lucy Street—584 ft. of 8" CI Pipe.
Lucy St. (Easement)—177 ft. of 2" Cement Lined Pipe.
North St.—98 ft. of 8" CI Pipe.
Oak Ridge Road—213 ft. of 6" CI Pipe.
Oak Ridge Road—213 ft. of 6" Pipe.
Pond Street—152 ft. of 12" CI Pipe, 1 hydrant, 1 6" Gate.
Sunrise Avenue—644 ft. of 8" CI Pipe, 2 8" Gates, 1 hydrant, 1 6" Gate.
William Street—943 ft. of 12" CI Pipe, 1 12" Gate, 1 hydrant, 1 6" Gate.
Windsor Road—48 ft. of 6" CI Pipe, 1 6" Gate.

During the year the Department lost two valuable employees and fine gentlemen with the passing of James Donovan and John Gillespie.

In concluding this report I wish to thank the Honorable Board of Selectmen for the fine spirit of co-operation they have manifested to me and to matters concerning my Department during the past year.

I also wish to thank the heads of the various Town Departments, and each and every member of the Public Works Department.

Respectfully submitted
ROBERT B. MacKENNA
Superintendent of Public Works

Report of Stoneham Housing Authority

Honorable Board of Selectmen,
Stoneham, Massachusetts

Herewith is submitted the (1952) fourth annual report of the Stoneham Housing Authority, hereafter called the Authority, as

required by Section 26-U of the Housing Authority Law. (Chapter 121 of the General Laws).

The Authority was created by a unanimous vote at the Town Meeting on March 22, 1948 whereupon the Secretary of the Commonwealth certified the Authority as a body politic and a corporate entity.

It is a fact unknown to many that the Stoneham Housing Authority is not responsible to either the Town of Stoneham or the Commonwealth of Massachusetts and the Authority cannot act in such a manner as to make the Town of Stoneham liable for debts, contracts or any other actions of the Authority. The Authority is a complete and entire entity in itself.

The annual organization meeting of the Authority was held in Room 2, Town Hall, Stoneham on Wednesday, April 9, 1952 at 8:00 P.M.

The Authority organized as follows:

J. Herbert Blinn, Chairman
Edward McNevin, Vice Chairman
Arthur P. Combs, Jr., Treasurer
Donald A. Lawson, Assistant Treasurer
Robert V. Brooks
Attorney John E. Finnegan, Executive Director and Counsel.

Governor Dever re-appointed Donald A. Lawson for a term of five years in 1952 keeping intact the membership of the Authority which has been the same since the origin of the Authority in 1948. The members of the Authority are grateful for this act.

The Authority now have two projects 200-1 on Calthea Street, consisting of 48 units and 200-2 on Washington Avenue, consisting of 24 units, making a total of 72 units. Both projects are completed and occupied.

The houses at the Calthea Street Project are in the process of being newly painted on the outside for purposes of preservation as well as appearance. This work is being done by a Stoneham painter.

Periodically vacancies occur and are filled with the veteran deemed to be in greatest need by the members of the Authority.

The Authority were fortunate in financing the Calthea Street project at favorable rates and also have kept maintenance costs at a minimum enabling the Authority to lower one class of rents during the year.

The Authority also were successful in getting the State Housing Board to approve a higher salary limit for the projects as the original limits had become impractical due to rising costs and salaries.

The salary limits as to eligibility for entrance, set by the State Housing Board, are now $3650.00 annually for persons with one minor, $3775.00 for persons with 2 minor children and $3900.00 for families having three or more minor children. After admission tenants are allowed to make $250.00 over the admission limit set out above.

There are still many applications on hand and the Authority feels that the local housing problem, although still very acute, has been relieved from the very critical stage that existed in 1948

to a situation where there is still need but desperation has disappeared.

Management and supervision of the Projects has been under the direction of John E. Finnegan, for whose conscientious and able administration the Authority is most grateful. The Authority is also grateful to the State Housing Board, Town of Stoneham officials, and the local newspapers who have been very cooperative and helpful to the Authority in its work.

The Authority has been most fortunate in acquiring (72) seventy-two apartments which provided local veterans with living conditions that befit their dignity. This represents progress, however, the progress made represents an appreciable amount of labor and time, given by every member comprising the Authority. Each has served and is serving without compensation and at a considerable sacrifice of his individual business activities. The abilities of each member are well suited to the varied phases of the Authority's program.

The Authority is also grateful for the co-operation received from the tenants and takes pride, along with the tenants in the fact that the rental account has been closed out monthly without a single delinquent.

We shall need and be thankful for the co-operation of the legislative and administrative bodies of town and state. We also hope for the continuing confidence of Stoneham's citizens and their understanding of our many problems.

Respectfully submitted

J. HERBERT BLINN, Chairman
Stoneham Housing Authority

Report of Civil Defense Department

To the Board of Selectmen:

All of us know the nation has established a Federal Civil Defense Agency in Washington. Then comes the Commonwealth of Massachusetts Civil Defense Agency under Director John F. Stokes. Massachusetts is divided into Regions and Stoneham is in Region 5. This Region 5 is sub-divided into Sectors and Stoneham is in Sector 2 along with Somerville, Everett, Malden Medford, Melrose, Reading and Wakefield.

It is still too early to know the final form our total program

of Civil Defense will take, but we do know that much of the responsibility for successful planning rests on all local Civil Defense Agencies. Here we must establish trained units able to cope with disasters in split second speed.

As Director of Stoneham Civil Defense Department I submit the following report on Civil Defense activities.

The Civil Defense Office is located in the Wills Building, 19 Central Square, and is open from 9:00 A.M. to 4:00 P.M. Monday through Friday. We have had many evening appointments—on the average of two or three a week also Saturday and Sunday appointments with State Civil Defense personnel regarding detailed organization reports. We have received and completed many of these reports.

Stoneham has an Auxiliary Police force of twenty-eight men, who are under the supervision of Captain J. Clarence Nelson, who has appointed Sergeant Robert H. Bradley, of the Stoneham Police to instruct these men. Under Sergeant Bradley's capable supervision these Auxiliary Police have received thoroughly detailed instructions in police routine. Sergeant Bradley has attended several lectures at the Gardner Auditorium, State House, Boston, on Auxiliary Police training, given by the Massachusetts Civil Defense Agency Training Program. Stoneham Auxiliary Police have been equipped with Police Hats, badges, hat shields, white traffic belts, flashlights, Police Manuals, whistle and chain and Air Raid Helmets, all of standard police equipment. They have also been furnished with a K-22 S & W Target Pistol for target practice. These Auxiliary Police were out on duty Halloween night and again during our recent terrorized week-end burglaries. These men have volunteered many hours of study and patroling along with our regular force. They have had first-aid training under the direction of John Graham of the Stoneham Fire Department. All these Auxiliary Police have shown a desire to help in protecting our community in case of any emergency.

Stoneham Civil Defense also has an Auxiliary Fire Department under the supervision of Chief William E. Crosby, who has appointed Captain William McCall, Jr., and Captain Henry Crosby, Jr., of the Stoneham Fire Department as instructors. Under their capable supervision these Auxiliary Firefighters have received the same training and drilling as our regular Fire Department. Both Captain McCall and Captain Crosby have attended several lectures at the Gardner Auditorium, State House, Boston, on Auxiliary Firefighters training, given by the Massachusetts Civil Defense Agency Training Program. Many of you may have seen these Auxiliary Firefighters drilling on Sunday mornings through the months of September and October. These men have also given many volunteer hours of drilling and training. They also have assisted in recent brush fires. The equipment these men have consists of rubber coats, rubber boots, black leather helmets and badges of regular fire equipment. These Auxiliary Firefighters will be able to help protect our community in case of any emergency. The regular Fire Department has been very cooperative and I wish to thank them for the use of their rubber coats that they loaned to

the Auxiliary Police when they were out on volunteer patrol one week-end.

Stoneham Civil Defense Communications consists at the present time of one General Electric Civil Defender Receiver, on a 4474 MC—installed at the Police Station. Through this receiver Civil Defense receives all Air Raid Alerting signals. This was installed in the Police Station so it could be manned twenty-four hours a day. The Police also have the use of this receiver for State Police information as all major crimes are broadcast over this network by State Police. The regular Police Department have been very cooperative during the many communication tests we have had and assisting in training the Auxiliary Police. I wish to thank them at this time.

Stoneham has been directed by the State Civil Defense Agency that nine (9) Traffic Control Stations must be manned by Police and Communication personnel. There are several Ham operators here in Stoneham who will be contacted to volunteer for Communication Division as their assistance is very valuable to Civil Defense. Two two-way radios have been purchased for Communications and have been installed in two pieces of Fire apparatus. This equipment is also serving a dual purpose. Civil Defense has the two two-way radios for Communication and Auxiliary Police training and the Fire Department has the use of them twenty-four hours a day. It is also keeping this equipment in constant use and constant maintenance. During recent fires both these two-way radios have been of great assistance to the Fire Department. To date with the Civil Defense two two-way radios and all Fire and Police vehicles that have radios we are able to cover all but one of our traffic control stations. During a recent Air-Raid test—Civil Defense had the use of Bruce's Taxi two-way radio service. Eventually these nine Traffic Controlled Stations should be manned by Civil Defense Communication equipment. There is Inter-office communication between the Civil Defense Office and both the Fire Station and Police Station.

Stoneham also has a Civilian War Aid Division in Civil Defense. This comes under the capable supervision of Mr. Daniel Cullinane, our Welfare Agent. This division takes care of emergency feeding, housing, clothing, financing and rehabilitation. It is a tremoundous program and also will call for many volunteers. Mr. Cullinane is in the process of organizing this division. He recently attended a five day course, day and night lectures and drills, held at Wayside Inn, Sudbury, under the direction of the State Civilian War Aid Division of Civil Defense. He acquired a great deal of information as to what these various sub-divisions of Civilian War Aid are required to do under State direction.

Shelter signs have been purchased and will be erected as soon as the survey requested by the State Planning Board has been completed. Mr. Bernard Corbett, Building and Wire Inspector heads this shelter program. Mr. Corbett, Mr. Cullinane, Director of Civilian War Aid Division, and Mr. Stanley Woods, Health Officer, have spent many volunteered hours making this survey. Checking on buildings for bed capacity, heating and lighting

facilities, construction—wood or otherwise, etc. After we receive the O.K. on certain locations as approved by the State Planning Board, shelter signs will be erected and the townspeople will be notified of the shelter locations.

Stoneham Civil Defense has at the present time for Alerting Alarms—the Fire Whistle and one Siren installed in the Fire Station Tower. Also Fire and Police radio controlled vehicles, equipped with sirens, that can be sent to all parts of the Town. This is just a temporary system as the New England Telephone Company has developed for civil defense a new alerting device. This would cost a large sum of money to install. This Telephone system is being compared with the tie-in Civil Defense could have with our Mutual Aid Alarm on the Fire Department system. Both these system are being considered as for practicability and economy values and also for maintenance costs. Both these systems would give us twenty-four hour protection.

Stoneham Civil Defense will have to man Transportation and Rescue Divisions and Air Raid Warden Services which will require many volunteers.

Medical and Health Division is another large division which which will require many volunteers. This Division is under the supervision of Dr. Thomas P. Devlin. There will be twelve subdivisions under this program.

We still have on file many names that were submitted through our first post-card request for volunteers. These people will be called upon in the near future as we will need more volunteers as time goes on, but due to the limited budget of Civil Defense we can only accomplish the most important functions. In the month of September Civil Defense had a registration of Doctors—Nurses—Allied Services. This registration is still on for any person included in the following category: Physician, Osteopathic Physician, Dentist, Veterinarian, Chiropodist, Physical Therapist, Pharmacist, Medical Corpsman, X-Ray Technician, Dietitian, Home Economist, Registered Nurse, Graduate Nurse, Licensed Attendant, Attendant Nurse, Practical Nurse, Nurses Aid, Home Nursing Volunteer, Sanitarian, Dental Hygienist, Dental Assistant, Chemists—Bacteriologist—Biologist. All local Drug stores helped in this registration and I want to thank them for their cooperation. This registration was under the direct supervision of the State Medical and Health Division of Civil Defense. We had a hundred per-cent registration from the New England Sanitarium and Hospital and many of the residents of Stoneham registered.

Stoneham Civil Defense has still another Enrollment program. This is known as "Pledge for Home Defense" and was a nationwide campaign. The Federal Civil Defense Administration designated Armistice Day, November 11th, through to Thanksgiving Day, November 27th, as Civil Defense Volunteer Registration. This registration has also been extended. All organizations in the Town of Stoneham—civic—fraternal or social were contacted and asked to appoint an Enrollment Officer. This received a splendid response and shows that the people are willing to help protect our community. All names are placed on file and as new divisions and sub-divisions are organized these volunteers will be called upon.

That is why Civil Defense is asking you as residents of Stoneham to make your abilities known so you may be properly placed in our Civil Defense Department. Civil Defense is not only protection in case of an Atomic attack but in any emergency—Fire—Floods—Hurricanes, etc. In this atomic age we need a modern, sound, and well-planned Civil Defense program geared to function in any emergency.

Stoneham first organized Police and Fire and Communications because the Federal Civil Defense Agency in Washington has indicated the possibility of Stoneham getting reimbursed for half the appropriation expended for Communication, Police and Fire equipment. The appropriation of $3,000.00 for Equipment voted Civil Defense at last Town Meeting was expended as follows: $600.00 for Police—$600.00 for Fire and around $1,700.00 for Communications. Stoneham Civil Defense Department is applying for this reimbursement. As Civil Defense expands the Federal Government advises us that other divisions will also be considered for reimbursement of funds appropriated.

In conclusion, I can only say that Civil Defense demands our honest effort and support from all the townspeople.

At this time I would like to thank our Town Officials, all Department Heads and the Residents of Stoneham for their cooperation in Civil Defense.

Respectfully submitted

ALBERT M. PHINNEY

Director of Stoneham Civil Defense

Report of Board of Retirement (Contributory Retirement System)

To the Honorable Board of Selectmen:

Following is the sixteenth Annual Report of this Board:

To the membership as of December 31, 1951, totaling			252
have been added new members numbering			60
reinstated members			6
			318
Deductions from Membership:			
By withdrawal		42	
By transfer to other systems		3	
Deceased		2	
			47
making the present membership			271

This total membership of 271 is classified as follows:

Group A:			
Active	186		
Inactive	20		
		206	
Group B:			
Active	40		
Inactive	2		
		42	
Pensioners		23	
			271

One more employee enterd the Armed Service of the U.S.A. during 1952; one member who entered Armed Service in 1950 has returned to regular employment by the Town. At this time we have seven of our employees in Armed Service; and a total of seventeen accounts now being credited with Military Service, three having been withdrawn during 1952.

Two members of Group A were pensioned in 1952 and one pensioner died.

The accounts of three members were transferred to other Systems within the Commonwealth, and two of our new employees became members by transfer from other such Systems.

The provisions of Chapter 428 of the Acts of 1952, amending Chapter 32, G.L., (under which this Retirement System functions) enabled certain employees who had not been included in membership at all to become members; and Chapter 524 of the Acts of 1952 permitted others, who for various reasons were excluded from membership during some period of employment, to receive serviceable credit for such time; all serviceable credit given under the above legislation being contingent upon "make-up" payment of deductions and interest due in such amount as would have been made at that time.

At Town Meeting on March 17, 1952, Chapter 781 of the Acts of 1951 was accepted. This Chapter granted an increase to certain Pensioners of this System.

On June 5, 1952, at an election held in accordance with provisions of Chapter 32, G.L., Mrs. Hazel Y. Simpson was re-elected as members' representative to this Board for a three year term, effective July 1, 1952. As Mrs. Simpson resigned in August, another election was held September 18, 1952, and Mr. John H. Driscoll was elected Employees' Representative to this Board for the unexpired term ending June 30, 1955.

Particular attention is called in our Balance Sheet, which follows, to the increase of over twenty percent during the year 1952 in the total of the Annuity Savings Fund compared to the Fund total on December 31, 1951. This fund represents the accounts of the members.

Statement Of Accounts
January 1, 1952 to December 31, 1952
Income

Balance, December 31, 1951		$172,081.88
Members' Contributions, 1952	$26,221.11	
Appropriation by Town:		
Pension Fund	16,026.00	
Special Fund for Mil. Ser. Credit	669.03	
Expense Fund	3,575.00

Report of Building and Wire Inspector

To the Honorable Board of Selectmen:—

Following is the annual report of the Building and Wire Inspector for 1952:

Number Permits

Issued	Kind	Fees received
242	Building	$1,489.35
540	Wiring	500.00
16	Elevator Licenses	11.00
1	Moving	2.00
2	Demolition	4.00
	Total turned into Town Treasurer	$2,006.35

Below is a break-down of the 242 Building Permits issued, giving the estimated value of the work to be done, as shown on the permits:

124	New Homes	$1,047,200.00
75	Alterations and Repairs	46,810.00
29	Private Garages	18,840.00
14	Miscellaneous	159,120.00*
		$1,271,970.00

* Under the above figure of $159,120.00 under Miscellaneous, is included alterations to the High School, $24,164.00, the new Seventh Day Adventist Church on Maple Street, $80,000.00 and the new First National Store on Main Street, $75,000.00.

Respectfully submitted
BERNARD H. CORBETT
Building and Wire Inspector

Report of Sealer of Weights and Measures

To the Honorable Board of Selectmen:
Gentlemen:

I hereby submit the Annual Report of the Sealer of Weights & Measures Dept. for the year ending Dec. 31, 1952.

The usual routine work has been performed and all weighing

and measuring devices in the town are in good working order as far as I know.

It speaks well for our merchants and dealers that not a single complaint has been received by my Dept. during the year.

Comparatively little new equipment has been installed in town the past year. Present equipment is pretty modern at most places of business.

Fees to the amount of $150.35 have been collected and turned over to the Town Treasurer whose receipts I hold.

A summary of the work performed is attached.

Respectfully submitted,

J. A. FORBES
Sealer of Weights and Measures

Work Performed

Device	Adjust.	Sealed	Non Sealed	Cond.
Scales over 10,000 lbs.		4		
Scales 100 to 5,000 lbs.	2	10		
Scales under 100 lbs.	23	70		
Weights		76		1
Yard Sticks		3		
Liquid Measures—1 gal. or under		27		
Meters—1 inch inlet or less	12	56	1	
Grease Measures		17		
Meters—more than 1 inch inlet		6		
Totals	37	269	1	1

J. A. FORBES, Sealer

Report of Shade Tree and Moth Department

To the Board of Selectmen
and the Citizens of the Town of Stoneham:—

I herewith submit a brief resume of the work of the Tree and Moth Departments for the year 1952.

The department planted 146 new street trees. There are in the nursery at the present time 738 small trees which will be ready for planting within a few years and 157 trees which we expect to plant this spring.

We carried on our usual programs in elm and road side spraying and poison ivy spraying. The following are the total gallons of spray used for each operation:

Elm Spray	36,200 gallons
Road side Spray	9,200 gallons
Poison Ivy Spray	1,650 gallons

We removed 73 street trees, 17 of which were confirmed Dutch Elm Disease cases.

The balance of our time was spent in trying to catch up on trimming in locations most urgent. We spent 339 man hours working for other departments throughout the year. We were not compensated for this work by these departments.

Respectfully submitted,

PERCIVAL H. WARDWELL
Shade Tree Warden and Moth Superintendent

REPORT OF BOARD OF HEALTH

To the Citizens of Stoneham:

Your Board of Health herewith submits its annual report to you.

The Board organized as follows at its first meeting in March, 1952: Chairman, Harold C. Hurd, Jr.; Secretary, Robert B. Cassidy, and Frank H. Chase, M.D., as its third member, who later resigned on December 31, 1952 on account of ill health.

The following appointments were made:

Mrs. Gertrude B. Mortensen, Clerk (part time).

Stanley D. Wood, Health Officer, Milk Inspector and Slaughtering Inspector, (all part time).

Lawrence E. Doucett, Collector of Milk Samples and Milk Analyst.

Edith N. Hersam, R.N., Board of Health Nurse.

Henry E. Leavitt, M.D., Board of Health Physician.

Paul Fitzgerald, D.M.D., Board of Health Dentist, until June 21, 1952.

The board replaced the services of the dentist with a Dental Hygienist, Mrs. Phyllis D. Lovering, acting under the supervision of Edward F. Breagy, D.M.D. The board is very pleased to announce that the results have been most gratifying. The school children are going one day each school week to Forsyth Dental Infirmary, Boston, for dental care and oral prophylaxis. We are endeavoring to secure appointments for two days a week instead of one, and arrangements are now being made to include the Junior and Senior High in this program. Dental care in these grades is shown to be greatly needed.

We feel that much work has been accomplished in the Board of Health Office although it has been open to the public from nine to twelve only. This matter of the office being open only half a day is beyond our control, as the Finance Committee has refused to grant us sufficient money to keep the office open all day. Some of the services will have to be curtailed in the future, due to pressure of extra work recently.

The board regrets that you were inconvenienced by the poor garbage collection of Mr. Dec last year. A new contract was made with Mr. Bror Y. Berg of Woburn, who has been doing an excellent job.

We would like to take this opportunity to thank our very capable staff for a job well done. For a detailed report, please consult the following pages.

Respectfully submitted,
HAROLD C. HURD, JR., Chairman
ROBERT B. CASSIDY, Secretary

Communicable Disease Report

The following cases have been reported:

	1948	1949	1950	1951	1952
Chicken Pox	82	214	22	29	251
Diphtheria	0	0	0	0	0
Dog Bites	63	56	63	65	67
German Measles	6	2	2	13	199

Malaria	2	0	0	0	0
Measles	213	132	7	226	216
Meningitis	0	0	0	0	4
Mumps	204	13	17	130	103
Poliomyelitis	1	2	2	1	3
Scarlet Fever	5	9	57	9	15
Tuberculosis	3	7	7	2	7
Whooping Cough	17	13	3	5	31
Total	596	448	180	480	896

All cases of Communicable Diseases should be reported to the Board of Health, either by the family doctor or by some member of the family.

At our clinic last May, 395 dogs were inoculated against rabies. These inoculations will be good for two years; therefore any dog inoculated at our clinics in May, 1952 need not be done again until 1954. We plan to hold two clinics again this year dates to be announced later.

In 1952 the following licenses were issued:

Milk	
Wholesale	25
Retail	44
Pasteurization	3
Oleomargarine	27
Bottling	2
Methyl Alcohol	28
Frozen Desserts	4
Cesspools and Septic tanks	62
Kindergartens	4
Miscellaneous	4

There were 209 Burial Permits issued to local and out-of-town undertakers during 1952.

GERTRUDE B. MORTENSEN
Clerk-Agent

Report of Board of Health Nurse

Public health nursing includes assisting the public in using all the medical resources available. Services may be rendered by arranging clinics for school and pre-school children, adjusting social conditions which affect health, and home visits to bring information about contagious diseases to families. Assistance in making and keeping appointments at the clinics for crippled children, speech clinics, rheumatic fever, heart clinic, dental clinic and chest x-ray clinics is available.

The following functions have been carried out this past year:

CONTAGIOUS DISEASE CONTROL

1. Diphtheria Clinics held: Arranged for and held clinics in the Spring and Fall.
2. Checking on one year old babies to encourage inoculations. Pamphlets given out in the homes, pertaining to inoculations.
3. Home visits to children with serious contagious diseases.

4. Arranged for and placed health displays in all schools for School Council meetings.
5. Arranged for and transported children and adults to clinics.
6. Home visits to Crippled Children to discuss care.
7. Office work on contagious disease control, making appointments, keeping records and reports.
8. Trips to North Reading Sanatorium, Middlesex County Sanatorium and Rutland Sanatorium, taking people for admittance or for treatment.
9. Home visits to persuade people to have chest x-rays.
10. Home visits to inactive tuberculosis patients to check present health.
11. Home visits to new tuberculosis patients to arrange care and obtain family history.
12. Office work on records and reports of persons with tuberculosis. Calling or visiting doctors to discuss tuberculosis patients.
13. Reading tuberculin tests, which must be seen forty-eight hours after given, even if on a Saturday, Sunday or holiday.
14. Transporting child with polio to Children's Hospital for treatments.

DENTAL PROGRAM

1. Assisted Edward F. Breagy, D.M.D. and Raymond F. Bresnahan, D.M.D. in examining the teeth of all Parochial School pupils. Sent home reports of results of dental examinations.
2. Assisted Dental Hygienist with dental examinations in Public Schools.
3. Arranged for and assisted dentist with Dental Clinic.
4. Arranged for and took pupils to Forsyth Dental Infirmary, Boston by bus, for cleanings, fillings and extractions. Usually 30-40 in bus.
5. Records and reports of dental work done at Forsyth and monies paid.
6. Visits to the Public Schools to collect money due dental clinic and give out lists of names of pupils to return for dental work.

CHILD HEALTH SUPERVISION

1. Arranged for and assisted with physical examinations at Parochial School. Notices sent to parents of all defects.
2. Weighing and measuring all Parochial School pupils.
3. Examining eyes and ears of Parochial School pupils with State Vision Kit and State Audiometer.
4. Home visits to children absent from Parochial School three days or more, without known cause.
5. Records and reports of work done at Parochial School.
6. Visits to Seventh Day Adventist School to arrange for clinics.

TUBERCULOSIS REPORT

1.	Number of cases on register January 1, 1952	33	
2.	Number who moved in from other towns	0	
3.	New cases reported during the year 1952	5	
	Total of items 1, 2, 3.		38
4.	Deaths during the year	1	
5.	Number placed on inactive list	1	
6.	Number of patients moved away	2	
	Total of items 4, 5, 6.		4
	Number remaining on Register Dec. 31, 1952		34
	Number of these cases in Sanatoria at present	3	

CONFERENCES AND MEETINGS ATTENDED

1. Conferences with Dr. Roonan, State Public Health Dentist.
2. Attended demonstrations of State Audiometer and Mass. Vision Kit.
3. Attended Middlesex County Tuberculosis meetings.
4. Attended Health Meetings at Northeastern District Health Office.
5. Conferences with New England Food and Dairy Council Nutritionist, to obtain free literature and and health pamphlets.
6. Conferences with District Health Supervisor.
7. Attended a six weeks' Public Health Course, after obtaining a nurse to substitute for me for the six weeks and receive my pay checks.

Respectfully submitted,

EDITH N. HERSAM, R.N.

Dental Clinic

January—June, 1952

Total number of appointments	253
Total number of fillings	342
Total number of Novocains	106
Total number of Extractions	95
Total patients completed	55

Respectfully submitted,

PAUL FITZGERALD, D.M.D.

Board of Health Dentist through June, 1952

Report of Dental Hygienist

In September 1952, Mrs. Phyllis D. Lovering was appointed Dental Hygienist by the Stoneham Board of Health under the supervision of Edward Breagy, D.M.D.

The following report is submitted from September through December, 1952:

Total number of examinations	834
Total number without defects	368
Total number under treatment	680
Total number of defects	466
Total number of notices sent home	154
Total number taken to Forsyth for cleanings	368

The Dental Hygienist participates in carrying out the following functions:

1. Examining each school child.
2. Charting each month, noting all fillings, cavities and deformities.
3. Filing all charts in Dental Clinic.
4. Acquainting each child with their own particular dental needs.
5. Sending home notices when excessive cavities are noted.
6. Conferring with parents in the home relative to dental care or work.
7. Interpreting to parents, teachers and pupils, findings of dental examination and assisting in arranging for corrections when possible.
8. Taking children to Forsyth Dental Infirmary for fillings, extractions and prophylactic treatments.
9. Showing movies on Oral Hygiene to pupils, teachers and parents in the classroom and councils.
10. Helping to promote good health, appearance and social acceptability through regular dental visits.
11. Giving prophylactic treatments in the Dental Clinic.
12. Keeping an accurate record of daily work, financial transactions and appointments.

Respectfully submitted,

PHYLLIS D. LOVERING
Dental Hygienist

Report of Health Officer

During this past year I have received and investigated 832 complaints of cesspools, keeping pigs, rabbits and turkeys in restricted areas; odors from factories, brooks, drains, oil, etc. and have placarded homes for cases of scarlet fever.

The following routine inspections have been made:

Restaurants, Bakeries, Ice Cream Manufacturers, Drug Stores, Grocery and Variety Stores, Bottling Concerns, Nursery Schools, Scout Camps, Rest Homes, Home for Aged and Hospital, Gas Stations and Hardware Stores for Methyl Alcohol Licenses.

I have also made several inspections with state officials on other Board of Health matters.

Respectfully submitted

STANLEY D. WOOD
Board of Health Officer

Report of Milk Inspector

I have inspected our local dairies every month and have found them to be neat and clean. From time to time I have been accompanied by the State Milk Inspector and District Supervisor.

Respectfully submitted

STANLEY D. WOOD
Milk Inspector

Wood, Stanley D., superintendent, 27 Warren Street
Yancey, Robert N., gelatin worker, 81 Hancock Street

REPORT OF TOWN ACCOUNTANT

February 20, 1953.

Honorable Board of Selectmen
Stoneham, Mass.

Gentlemen: — Herewith is presented the report of the Town Accountant for the calendar year 1951 as set forth in the following schedules:

Balance sheet showing the financial condition of the Town of Stoneham on December 31, 1952.

Receipts for the calendar year 1952.

Expenditures summarized for the calendar year 1952.

Schedule of appropriations, other credits, transfers and unexpended balances.

Analysis of Water Surplus, Road Machinery Fund, Sale of Lots and Graves Fund, Sale of Real Estate Fund, Reserve Fund transfers, Overlay Surplus Account and Excess and Deficiency Account.

Schedule of Debt showing payments due each year, and including the borrowing capacity of the Town of Stoneham on January 1, 1953.

Balance Sheet of Deferred Revenue Accounts.

Analysis of Trust Fund Accounts and the Contributory Retirement System, including balance sheet as of December 31, 1952.

In conclusion may I take this opportunity to thank all department heads and officers for the assistance and cooperation rendered during the past year.

Respectfully yours,
WINTHROP A. McCARTHY, Town Accountant.

Balance Sheet December 31, 1952

WARRANT FOR THE ANNUAL TOWN MEETING

To either of the Constables of the Town of Stoneham in the County of Middlesex, Greeting:

In the name of the Commonwealth of Massachusetts, you are directed to notify and warn the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs to meet in Town Hall on

MONDAY, MARCH 2, 1953

at six o'clock in the morning to act on the following articles of this warrant:

Article 1. To choose the following officers:
One(1) Moderator for one (1) year.
Five (5) Selectmen for one (1) year.
One (1) Assessor for three (3) years.
One (1) member of the Board of Public Welfare for three (3) years.
One (1) member of the School Committee for three (3) years.
One (1) member of the Board of Health for three (3) years.
One (1) member of the Board of Health for one (1) year.
One (1) Park Commissioner for three (3) years.
Two (2) Trustees of the Public Library for three (3) years.
One (1) Trustee of Lindenwood Cemetery for five (5) years.
Three (3) Constables for one (1) year.
One (1) Tree Warden for one (1) year.
One (1) member of the Planning Board for five (5) years.
One (1) member of the Planning Board for two (2) years.
One (1) member of the Stoneham Housing Authority for five (5) years.

and to act on the following question:

"Shall an act passed by the General Court in the year nineteen hundred and fifty-one entitled 'An Act Establishing a Town Manager Form of Government for the Town of Stoneham' be accepted?"

All on one ballot.

The polls will be opened at six o'clock in the morning and closed at eight o'clock in the evening.

For consideration of the following articles, the meeting will be adjourned to meet at thirty minutes after seven o'clock in the evening on March 9, 1953.

Article 2. To choose all other necessary town officers for the year ensuing in such manner as the Town shall determine.

Article 3. To hear the reports of town officers and committees, and to act thereon and to choose committees.

Article 4. To see if the Town will vote to fix the salaries of the several elective officers and boards of the Town for the current year, or do anything in relation thereto.

Article 5. To see what action the Town will take for the disposition of all or any part of the unexpended balances of appropriations previously voted for specific purposes as follows:

Police Department Cruiser	$288.98
P. W. D. Truck and Tractor	466.70
P. W. D. Ash Truck	615.00
High School Fire Escape	182.66
Elementary School Site and Plans Committee	106.50

High School Site and Plans Committee	606.60
Junior-Senior High School Survey Committee	115.00
Emerson School Playground Equipment	11.36
Lindenwood Cemetery Wall	6.50
Cemetery Department Truck	274.10

Article 6. To see if the Town will vote to raise and appropriate or transfer from available funds such sums as may be necessary to defray town charges for the ensuing year.

Article 7. To see if the Town will vote to instruct the Board of Assessors to use the sum of $50,000.00 for the reduction of the 1953 tax rate. (Board of Selectmen)

Article 8. To see if the Town will vote to raise and appropriate a sum of money to pay unpaid bills incurred in previous years as follows: Vital Statistics, $37.50. (Town Accountant)

Article 9. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time, in anticipation of the revenue of the financial year beginning January 1, 1953, and to issue a note or notes therefor, payable within one year and to renew any note or notes as may be given for a period of less than one year in accordance with provisions of Section 17, Chapter 44 of the General Laws. (Board of Selectmen)

Article 10. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time, in anticipation of the revenue of the financial year beginning January 1, 1954, and to issue a note or notes therefor, payable within one year and to renew any note or notes as may be given for a period of less than one year in accordance with provisions of Section 17, Chapter 44 of the General Laws. (Board of Selectmen)

Article 11. To see if the Town will vote to pay the rent of quarters or lease quarters for use of Leon E. Warren Camp, United Spanish War Veterans; Stoneham Post No. 115, American Legion; Sergeant George J. Hall Post No. 620, Veterans of Foreign Wars; Stoneham Chapter No. 107, Disabled American Veterans, raise and appropriate money therefor, or do anything in relation thereto. (Board of Selectmen)

Article 12. To see if the Town will vote to raise and appropriate a sum of money to pay the salaries of a Town Manager and other office personnel and for necessary expense in connection with the administration of said office, or do anything in relation thereto. (Board of Selectmen)

Article 13. To see if the Town will vote to authorize the Board of Health to enter into a contract for a term of not more than three years for the removal and disposal of garbage, or do anything in relation thereto. (Board of Health)

Article 14. To see if the Town will vote to change the term of office of the Board of Selectmen by electing at the annual Town Meeting in 1954 two members for a term of three years, two members for a term of two years and one member for the term of one year, and annually thereafter for a term of three years, as provided under provisions of Chapter 41, Section 1 of the General Laws. (John N. Kelly)

Article 15. To see if the Town will vote to raise and appropriate a sum of money to provide for a revaluation of the taxable real estate within the Town, and for the expense of printing a re-

port of said revaluation, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto. (Raymond Stevenson)

Article 16. To see if the Town will vote to raise and appropriate a sum of money to provide for the safety of the Town of Stoneham and the Commonwealth of Massachusetts during the existence of an emergency resulting from disaster or from hostile action in accordance with provisions of Chapter 639, Acts of 1950, and amendments thereto, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto. (Director of Civilian Defense)

Article 17. To see if the Town will vote to raise and appropriate a sum of money for the purpose of paying a portion of the premiums for group life insurance for permanent town employees, in accordance with provisions of Chapter 239 of the Acts of 1952, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto. (Board of Selectmen)

Article 18. To see if the Town will vote to amend the Zoning By-Law by changing from a residence "A" Zone to an Industrial Zone a certain parcel of land belonging to the Acme Concrete, Inc., on Maple Street, as more fully shown on a plan by Warren M. Mirick, Reg. Surveyor, dated January 5, 1952, on file with the Town Clerk, and further bounded and described as follows: Northeasterly, by Maple Street as shown on said plan, two hundred and thirty-three (283) feet, more or less; southerly, by other land of Acme Concrete, Inc., as shown on said plan, three hundred (300) feet, more or less; northwesterly, by other land as shown on said plan, one hundred and four (104) feet, more or less, to the point of beginning. (Acme Concrete, Inc.)

Article 19. To see if the Town will vote to amend the Zoning By-Law by adding to the present limits of the Retail Business District as heretofore defined and set forth, so as to include in the Retail Business District the following described area, to wit: "Beginning at a point about 350 feet distant from the northeasterly corner of the junction on Lynn Fells Parkway and Wyoming Avenue on said Lynn Fells Parkway at southern boundary of present Retail Business District; thence the line runs southeasterly by present Retail Business District (150) feet, to a point; thence turning and running southerly (180) feet, to a point; thence turning and running southeasterly 73.80 feet, to a point at land of Hislop; thence turning and running southwesterly by said Hislop land 185.70 feet to a point on Wyoming Avenue; thence turning and running northwesterly on Wyoming Avenue 97.33 feet, to a point; thence in a general northwesterly direction by a curved line, forming the junction of Wyoming Avenue and Lynn Fells Parkway 35.22 feet, to a point; thence turning and running in a general northerly direction by three lines measuring respectively 144.90 feet, 122.71 feet and 62.39 feet, to the point of beginning". (Frederick P. Hanford)

Article 20. To see if the Town will vote to amend the Zoning By-Law by adding to the present limits of the Retail Business District as heretofore defined and set forth, so as to include in the Retail Business District the following described area to wit: "Beginning at a point on the Lynn Fells Parkway and the south-

westerly corner of a Private Way known as Walker Road; thence the line runs southerly by said Lynn Fells Parkway by a curved line 260 feet, to a point at northerly boundary of present Retail Business District; thence turning and running southeasterly 430 feet to a point on Walker Road; thence turning and running generally northerly on said Walker Road 210 feet, to a point; thence the line turns and runs northwesterly by said Walker Road 20 feet, more or less, to a point, thence turning and running northerly by said Walker Road 25 feet, more or less, to a point; thence turning and running northwesterly by a curved line, by said Walker Road 230 feet, more or less, to the point of beginning". (Frederick P. Hanford)

Article 21. To see if the Town will vote to amend the Zoning By-Law by changing from Class "A" and Class "B" Residence Districts to Retail Business District the following described area bounded as follows: "Beginning at the town line of Reading on Main Street and running southerly by Main Street ten (10) feet to land of Short; thence turning and running easterly by land of Short and land of Monat Gardens two hundred sixty-eight (268) feet to a point on the town line of Reading; thence running westerly by the town line of Reading two hundred sixty-eight and one-tenth (268.1) feet to the point of beginning on Main Street. (Albert P. Rounds and 14 others)

Article 22. To see if the Town will vote to amend Article 1 of the By-Laws of the Town of Stoneham by adding thereto the following paragraph, to be known as Section 15:

Section 15. A two-thirds vote shall be required for the adoption of a motion to rescind any vote of a Town Meeting. No motion to rescind shall be in order at an adjourned meeting unless a notice of intention so to move has been given in writing to the Town Clerk on or before noon of the day to which the meeting stands adjourned. (Charles E. Crosby)

Article 23. To see if the Town will vote to amend Article IX, Section 4 of the By-Laws of the Town of Stoneham by striking out the last sentence thereof and inserting the following sentence: "New construction, a fee of $2.00; oil burner, range, hot water, new service or temporary service, a fee of $1.00". (Inspector of Wires)

Article 24. To see if the Town will vote to amend Article XII of the By-Laws of the Town of Stoneham by adding the following paragraph, to be known as Section 26:

Section 26. Automobile trailers used for dwelling purposes shall not be permitted to remain on any premises within the limits of the Town for a period exceeding forty-five (45) days. (Building Inspector)

Article 25. To see if the Town will vote to amend the By-Laws of the Town of Stoneham by adding a new Article to be known as Article XV, Board of Assessors, and containing the following new sections:

Article XV. Board of Assessors. Section 1. The Board of Assessors shall submit to the Board of Selectmen on or before the tenth day of January annually a listing of abatements of real estate allowed for the preceding year. Said listing shall be alphabetical according to the street and number. It shall include the name of the person taxed, the year for which the tax was abated, the date abated, and the reason for the abatement signifying whether because of a decision of the Tax Appelate Board or by

action of the Board of Assessors. Said document shall be printed as an official document of the Town of Stoneham under the heading "Abatement Record of Real Estate Taxes".

Section 2. The Board of Assessors shall, on or before the close of the third business day succeeding any meeting of the Board at which abatements on real estate taxes were voted, furnish the Town Clerk of Stoneham with a listing of said abatements granted and shall cause within the same period of time a copy to be posted in a conspicuous place in that portion of the Assessor's office accessible to the public. Said listing shall be alphabetical according to the street and number of the real estate abatement. It shall include the name of the person taxed, the year for which the tax was abated, the amount of tax abated, the total tax due that year, the date abated and the reason for the abatement signifying whether because of a decision of the Tax Appeiate Board or by action of the Board of Assessors. (Albert P. Rounds and 16 others)

Article 26. To see if the Town will vote to amend Article XII (Miscellaneous Provisions) of the By-Laws by inserting a new section to be known as Section 27, to read as follows: "Section 27. No person, except an officer of the law in the performance of his duties, shall enter upon the premises of another with the intention of peeping into the windows of a house or of spying upon, in any manner, any person or persons therein. Whoever violates this section may be arrested without a warrant by a police officer and detained in jail, or otherwise, until a complaint can be made against him for the offense". (Captain of Police)

Article 27. To see if the Town will vote to amend Article XII (Miscellaneous Provisions) of the By-Laws by inserting a new section to be known as Section 28, to read as follows: "Section 28. No person shall, except as authorized or required by law, remove, alter the position of, deface or disturb, in any manner, any barrier, sign, protective cover or grating, placed or installed in the interests of safety or necessity. Whoever violates this section may be arrested without a warrant by a police officer and detained in jail, or otherwise, until a complaint can be made against him for the offense". (Captain of Police)

Article 28. To see if the Town will vote to amend Article 6, Section 1 of the Traffic Rules and Orders of the Town of Stoneham, adding at the end of Section 1 (One-Way Streets) the following: "Summer Street in a northerly direction from Pleasant Street to Spring Street". (Edward H. Adzigian)

Article 29. To see if the Town will vote to accept Section 16C of Chapter 147, said section providing for two days off out of every seven without loss of pay for members of the Police Department. (Captain of Police)

Article 30. To see if the Town will vote to raise and appropriate a sufficient sum of money to pay the increased cost incurred as a result of the acceptance by the Town of Section 16C, Chapter 147 of the General Laws. (Captain of Police)

Article 31. To see if the Town will vote to accept the provisions of Section 6B, Chapter 40 of the General Laws, said section authorizing the Town to raise and appropriate money to purchase uniforms for members of the Police Department, or do anything in relation thereto. (Captain of Police)

Article 32. To see if the Town will vote to raise and appropriate a sum of money to purchase uniforms for members of the

Police Department, or do anything in relation thereto. (Captain of Police)

Article 33. To see if the Town will vote to raise and appropriate a sum of money to purchase one (1) new cruising automobile for use of the Police Department, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, authorize the disposal of one(1) cruising automobile now in service, or do anything in relation thereto. (Captain of Police)

Article 34. To see if the Town will vote to raise and appropriate a sum of money to purchase one (1) new cruising automobile, equipped with two-way radio, for use of the Police Department, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto. (Captain of Police)

Article 35. To see if the Town will vote to raise and appropriate a sum of money to renew and/or repair the plumbing and install new fixtures in the Police and Fire Station or make other necessary repairs, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto. (Board of Selectmen)

Article 36. To see if the Town will vote to raise and appropriate a sum of money to purchase one (1) new automobile for use of the Fire Chief, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, authorize the disposal of one (1) automobile now in service, or do anything in relation thereto. (Fire Chief)

Article 37. To see if the Town will vote to raise and appropriate a sum of money for the purpose of defraying the cost of constructing water mains or relaying water mains within the limits of the Town, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, or by borrowing or otherwise, or do anything in relation thereto. (Board of Selectmen)

Article 38. To see if the Town will vote to raise and appropriate a sum of money for the purpose of defraying the cost of constructing sewers for sanitary and/or surface drainage within the limits of the Town, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto. (Board of Selectmen)

Article 39. To see if the Town will vote to raise and appropriate a sum of money for the maintenance of highways which have been constructed with State and County aid under the provisions of Chapter 90 of the General Laws, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto. (Supt. of Public Works)

Article 40. To see if the Town will vote to raise and appropriate a sum of money for the improvement of a public way or ways, said construction authorized under the provisions of Chapter 90 of the General Laws, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto. (Supt. of Public Works)

Article 41. To see if the Town will vote to raise and appropriate a sum of money to reconstruct certain existing tar side-

walks within the limits of the Town, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto. (Supt. of Public Works)

Article 42. To see if the Town will vote to raise and appropriate a sum of money to construct a sidewalk on the easterly side of Green Street from a point opposite the standpipe to the Stoneham-Wakefield line, a distance of 2729 feet, more or less, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto. (Supt. of Public Works)

Article 43. To see if the Town will vote to raise and appropriate a sum of money with which to continue the construction of housing for equipment and storage for materials at the Public Works Department Yard on Pine Street, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto. (Supt. of Public Works)

Article 44. To see if the Town will vote to raise and appropriate a sum of money to purchase motor equipment for use of the Public Works Department, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto. (Supt. of Public Works)

Article 45. To see if the Town will vote to raise and appropriate a sum of money to purchase the following equipment for use of the Public Works Department: one (1) one-bag cement mixer, one (1) traffic line marker, one (1) pair of power sewer and drain cleaning machines, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto. (Supt. of Public Works)

Article 46. To see if the Town will vote to raise and appropriate a sum of money to pipe a portion of Sweetwater Brook, from the entrance at Recreation Park westerly along Gerry Court and northerly parallel to the Boston and Maine Railroad right of way to Gould Street, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto. (Fred E. Sweet)

Article 47. To see if the Town will vote to raise and appropriate a sum of money to pipe a portion of Sweetwater Brook, a distance of 500 feet, more or less, from the westerly boundary of land now or formerly of Davis, to Oak Street, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto. (Kathryn A. Flynn)

Article 48. To see if the Town will vote to accept as a public town way, Christine Avenue so-called, as laid out by the Board of Survey. (Residents of Christine Avenue)

Article 49. To see if the Town will vote to raise and appropriate a sum of money to pave Christine Avenue, under the law relating to the assessment of betterments, determine in what manner the said appropriation shall be raised, from taxation, by

transfer from available funds, by borrowing or otherwise, or do anything in relation thereto. (Residents of Christine Avenue)

Article 50. To see if the Town will vote to accept as a public town way, Bear Hill Road, so-called, a distance of 1045 feet, more or less, westerly from High Street, as laid out by the Board of Survey. (Residents of Bear Hill Road)

Article 51. To see if the Town will vote to raise and appropriate a sum of money to pave Bear Hill Road, under the laws relating to the assessment of betterments, a distance of 1045 feet, more or less, westerly from High Street, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto. (Residents of Bear Hill Road)

Article 52. To see if the Town will vote to accept as a public town way, a portion of Richardson's Lane, so-called, a distance of 498 feet, more or less, southerly and easterly from Victoria Lane, as laid out by the Board of Survey. (Residents of Richardson Lane)

Article 53. To see if the Town will vote to raise and appropriate a sum of money to pave a portion of Richardson's Lane, a distance of 498 feet, more or less, southerly and easterly from Victoria Lane, under the law relating to the assessment of betterments, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto. (Residents of Richardson's Lane)

Article 54. To see if the Town will vote to accept as a public town way, Victoria Lane, so-called, from Oak Street to Richardson's Lane, as laid out by the Board of Survey. (Residents of Victoria Lane)

Article 55. To see if the Town will vote to raise and appropriate a sum of money to pave Victoria Lane, from Oak Street to Richardson's Lane, under the law relating to the assessment of betterments, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto. (Residents of Victoria Lane)

Article 56. To see if the Town will vote to accept as a public town way, Kays Road, so-called, a distance of 581 feet, more or less, southerly and easterly from Victoria Lane to Richardson's Lane, as laid out by the Board of Survey. (Residents of Kays Road)

Article 57. To see if the Town will vote to raise and appropriate a sum of money to pave Kays Road, a distance of 581 feet, more or less, southerly and easterly from Victoria Lane to Richardson's Lane, under the laws relating to the assessment of betterments, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto. (Residents of Kays Road)

Article 58. To see if the Town will vote to accept as a public town way, a portion of Albion Avenue, so-called, a distance of 178 feet, more or less, extending southerly from Kays Road, as laid out by the Board of Survey. (Residents of Albion Avenue)

Article 59. To see if the Town will vote to raise and appropriate a sum of money to pave a portion of Albion Avenue, a distance of 178 feet, more or less, extending southerly from Kays Road, under the law relating to the assessment of betterments, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto. (Residents of Albion Avenue)

Article 60. To see if the Town will vote to accept as a public town way, Arnold Road, so-called, a distance of 560 feet, more or less, northerly from William Street, as laid out by the Board of Survey. (Residents of Arnold Road)

Article 61. To see if the Town will vote to raise and appropriate a sum of money to pave Arnold Road, a distance of 560 feet, more or less, northerly from William Street, under the law relating to the assessment of betterments, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto. (Residents of Arnold Road)

Article 62. To see if the Town will vote to accept as a public town way, a portion of DeWitt Road, so-called, a distance of 340 feet, more or less, from the end of the existing public way northerly to Forest Street, as laid out by the Board of Survey. (Residents of DeWitt Road)

Article 63. To see if the Town will vote to raise and appropriate a sum of money to pave a portion of DeWitt Road, a distance of 340 feet, more or less, from the end of the existing public way northerly to Forest Street, under the law relating to the assessment of betterments, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto. (Residents of DeWitt Road)

Article 64. To see if the Town will vote to raise and appropriate a sum of money for the purpose of paving public ways accepted by the Town under previous articles of this warrant, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto. (Board of Selectmen)

Article 65. To see if the Town will vote to accept as a public town way, a portion of Washington Avenue, so-called, from the end of the existing way easterly and northerly, a distance of 480 feet, more or less, as shown on Street Layout Plan, No. 6, S5, by Drummey-Duffill, Inc., Architects-Engineers of Boston, Mass., dated August 12, 1950, as laid out by the Board of Survey (Stoneham Housing Authority)

Article 66. To see if the Town will vote to raise and appropriate a sum of money to provide floor covering for the kitchen and home economics department in the Junior-Senior High School, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto. (School Committee)

Article 67. To see if the Town will vote to raise and appropriate a sum of money to provide eight (8) cafeteria tables for the

Junior-Senior High School, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto. (School Committee)

Article 68. To see if the Town will vote to raise and appropriate a sum of money to provide stage curtains for the Junior-Senior High School, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto. (School Committee)

Article 69. To see if the Town will vote to raise and appropriate a sum of money for replacing eight (8) urinals in the Junior-Senior High School, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto. (School Committee)

Article 70. To see if the Town will vote to raise and appropriate a sum of money to construct an asphalt driveway in front of the Junior-Senior High School and to hot-top the parking area in the rear of the Building, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto. (School Committee)

Article 71. To see if the Town will vote to raise and appropriate a sum of money to provide for blacktopping the road at the Robin Hood School, 250 feet long and 20 feet wide, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto. (School Committee)

Article 72. To see if the Town will vote to raise and appropriate a sum of money to construct a baseball diamond at the Robin Hood School with proper grading and topsoil, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto. (School Committee)

Article 73. To see if the Town will vote to raise and appropriate a sum of money to provide for playground equipment at the Robin Hood School, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto. (School Committee)

Article 74. To see if the Town will vote to raise and appropriate a sum of money to purchase one (1) pick-up truck for use of the Park Department, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto. (Park Commissioners)

Article 75. To see if the Town will vote to raise and appropriate a sum of money to loam and seed Pomeworth Lower Field, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto. (Park Commissioners)

Article 76. To see if the Town will vote to raise and appropriate a sum of money to resurface the tennis courts, determine

in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto. (Park Commissioners)

Article 77. To see if the Town will vote to raise and appropriate a sum of money for labor, materials and for other necessary expense for the control of Dutch Elm Disease, in accordance with provisions of Chapter 761, Acts of 1949 and amendments thereto, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds or do anything in relation thereto. (Tree Warden)

Article 78. To see if the Town will vote to raise and appropriate a sum of money to purchase shade trees, loam, tree guards and for other necessary expense incidental to shade tree planting, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto. (Tree Warden)

Article 79. To see if the Town will vote to raise and appropriate a sum of money to make certain repairs and improvements to the right of way leading to the Town Dump, so-called, in the interest of improving safety conditions thereon, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto. (Residents of Spring Lane)

Article 80. To see if the Town will vote to raise and appropriate a sum of money for the purpose of installing a semi-actuated traffic signal, with detectors, on Park Street at the intersection of Marble Street, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto. (Board of Selectmen)

Article 81. To see if the Town will vote to raise and appropriate a sum of money to erect and install settees or benches in certain locations on the Town Hall grounds, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto. (Board of Selectmen)

Article 82. To see if the Town will vote to accept provisions of Chapter 624, Acts of 1952, entitled "An Act Relative to Increasing the Amounts of Pensions, Retirement Allowances and Annuities Payable to Certain Former Public Employees", raise and appropriate any sum or sums necessary therefor, or do anything in relation thereto. (Board of Selectmen)

Article 83. To see if the Town will vote to accept provisions of Chapter 48, Section 42 of the General Laws, and amendments thereto, which refers to Fire Departments in Certain Towns, or do anything in relation thereto.

Article 84. To see if the Town will vote to raise and appropriate a sum of money for the purpose of creating a Stabilization Fund in accordance with the provisions of Section 5B, Chapter 40, General Laws, and determine whether the money shall be provided for by taxation or by appropriation from available funds in the treasury. (Finance Board)

Article 85. To see if the Town will vote to accept the provisions of Chapter 49 of the Acts of 1951, relating to the hours of

duty of the permanent members of the Fire Department.

And you are directed to have two thousand copies of this warrant printed, and so serve the same by posting attested copies in at least ten ((10) public places in the Town seven (7) days at least before the time for holding said meeting and by causing an attested copy to be published in some newspaper in the Town, the publication to be not less than three (3) days before said meeting.

The remaining copies you are to have at the place and time of meeting as aforesaid for distribution.

Hereof fail not and make due return of this warrant with your doings thereon to the Town Clerk at the time and place of meeting as aforesaid.

Given unto our hanas this tenth day of February in the year one thousand nine hundred and fifty-three.

FRED A. SCHNEIDER,
FRANK M. GEREMONTE,
EDWIN H. LOMBARD,
JOHN E. FINNEGAN,
DONALD J. MORRISON,
Selectmen of Stoneham.

A true copy, Attest:
